MEMORANDUM FOR RECORD

Subject: SPECIAL NOTICE, Preaward Notice for Small Business Programs,
 Contracting and Acquisition Support Services (CASS)
 Related Notice: HT001524R0010

In accordance with FAR 15.503(a)(2), a SPECIAL NOTICE providing preaward notice to small business offerors will be posted to the GPE (SAM.gov) today, 5 March 2026, prior to the award of contracts pursuant to the CASS acquisition, which is anticipated for Wednesday, 11 March 2026. When using a small business set-aside, as here (see FAR Subpart 19.5), “the contracting officer shall notify each offeror in writing prior to award” FAR 15.503(a)(2). This preaward notification for small businesses allows small business offerors an opportunity to protest an apparent successful offeror’s small-business size representation prior to award of a contract or immediately thereafter. *See* FAR 19.302(d). A size protest filed prior to notice being made of the selection of the apparent successful offeror(s) would be dismissed as premature by the Small Business Administration (SBA). FAR 19.302(d)(4). Upon receipt of the SPECIAL NOTICE identifying the apparent successful offeror(s), any concern or other interested party may file a protest with the contracting officer; however, in order to be considered “timely” it must be received by the contracting officer by the close of business of the fifth business day after the SPECIAL NOTICE is received. *See* FAR 19.302(d)(1). A protest must be timely in order to affect a specific solicitation. FAR 19.302(d).

Therefore, the following SPECIAL NOTICE will be posted to the GPE (in relevant part):
