SECTION SF 30 BLOCK 14 CONTINUATION PAGE

SUMMARY OF CHANGES

Block 14 (Description of Amendment/Modification): The purpose of this amendment is to provide the answers to bidder's questions, and to extend the due date for receipt of quotations. Accordingly:

1. The following Bidder's questions and answers are hereby provided:

Question #1: Work Item 1001 - Pedestal Foundation Plate:

What is the height of the foundations? Are there any approximate figures regarding how many cables are connected per box? (is a photo available?)

Answer #1: 2'4" . Additional photos are provided as attachments.

Question #2: Work Item 515 - Deck Grating

Please confirm whether the new chequer plates are indeed required to be 3/8" (approx. 10 mm) thick. (weight...?) Given the volume of work and the limited time available, we are considering the possibility of carrying out the painting works in shifts.

Given the volume of work and the limited time available, in order to be prepared in the event that it becomes necessary to carry out the painting works in shifts, we would like to know whether lighting is available in the kingpost area.

If required, would it be possible to bring additional light towers on board, to be powered by the vessel's onboard supply?

Answer #2:

- 1/4" plate is acceptable.

- Yes, Contractor can bring additional lighting towers onboard and use ship's power.

Question #3: Please also confirm whether you require to perform tank cleaning and/or wastewater disposal included into the Ship Repair quotation?

If so please specify amounts to be disposed as well as tank volumes and surfaces in square meters to be cleaned.

Answer #3: No tanks will be cleaned during this period.

2. The due date for receipt of quotations is hereby extended to 13:00 (CET) on Tuesday, 17 Feb 2026

3. All other information remains unchanged.
