SUMMARY OF CHANGES

SECTION SF 30 - BLOCK 14 CONTINUATION PAGE

The purpose of this Amendment is as follows:

- a. **Provide Amendment-0002**
- b. **Provide answers to the following questions below:**

Contractor Question: It appears there is conflicting information in this Amendment-0001. The answer to second question says that you need a **2.0m (6.6ft)** long video borescope. Whereas the original SOW had mentioned that the contracting office is looking for a 3m (~10ft) long video borescope. Can you please confirm whether we should follow the original solicitation or Amendment-0001 for our quote?

Government Answer: Either probe length will work for our use. To avoid confusion please follow the original SOW.
