All other terms and conditions remain unchanged.

Combined Synopsis/Solicitation in accordance with FAR 5.207 and FAR 12.603

- (16) Description: Regional 8(a) Custodial Services. This work includes custodial services in accordance with the attached Performance Work Statement (PWS).

The Naval Facilities Engineering Command (NAVFAC) of Washington, DC 20374 intends to award a single, firm-fixed-priced Indefinite Delivery Indefinite Quantity (IDIQ) as a Competitive 8(a) set aside, using FAR Part 12, Acquisition of Commercial Items and FAR Part 15, Contracting by Negotiation.

The NAICS Code for this procurement is 561720 and the annual size standard is \$ 22,000.000.00.

The contract term will be one (1) base year, four (4) twelve (12) month option periods, and a six (6) month option period. Only the base period **for recurring work** of the contract will offer a minimum guarantee.

This contract will replace a contract for similar services awarded in 2019, **N40080-19-D-0306**, as a firm-fixed priced indefinite delivery-indefinite quantity contract. Information about the current contract and the incumbent contractor (e.g., value of last option exercised, firm name, address, etc.) will be included in the solicitation package. Requests under the Freedom of Information Act are not required for this information.

Offerors can view and/or download the solicitation, and any attachments, at the System for Award Management (SAM) located at <https://sam.gov> under "Contract Opportunities" when it becomes available.

The proposed contract is limited to qualifying 8(a) firms in the Washington Metropolitan Area District Office of the Small Business Administration. The Government will not consider offers from other than 8(a) firms or 8(a) firms outside of the Washington Metropolitan Area District Office. 8(a) firms that are not serviced by the Washington Metropolitan Area District Office but have a bona fide place of business (as defined by SBA) within the geographic area served by the Washington Metropolitan Area District Office are also eligible to submit offers. An 8(a) firm not serviced by the Washington Metropolitan Area District Office must consult its servicing District Office regarding the establishment of a bona fide place of business or status of a previously established bona fide place of business. All other firms are deemed ineligible to submit offers.

The solicitation utilizes source selection procedures which require offerors to submit a technical proposal, past performance and experience information, and a price (or cost) proposal for evaluation by the Government.

There will be a nonrefundable charge for the solicitation package.
