

**SYNOPSIS/PRE-SOLICITATION
KENAI NATIONAL WILDLIFE REFUGE
CLEAN AND REFINISH EXTERIOR WOOD SURFACES
OF THE VISITORS CENTER**

This is a Synopsis/Pre-Solicitation Notice. The final solicitation package will follow:

This opportunity is only available to Small Businesses. The U.S Fish & Wildlife Service has a requirement to provide Visitors Center Building located at the Kenai National Wildlife Refuge, 33398 Ski Hill Road, Soldotna, Alaska.

This requirement is being procured in accordance with FAR Part 15, Contracting by Negotiation. This will be a Firm Fixed Priced Contract and Award will be made on Best-Value, tradeoff process pursuant to FAR subpart 15.101-1.

The Contractor will provide all materials, labor, equipment and supervision required to clean and refinish exposed exterior wood surfaces. Work shall include all exposed wood surfaces including wood siding, wood soffits, wood trim, and turned log posts. Wood surfaces are not continuous, and the overall project consists of wood surfaces in a variety of areas on the building exterior, including surfaces accessed from the building roofs. It shall be the responsibility of the contractor to measure the building and determine surface areas as they exist.

The Solicitation will be posted to the <https://sam.gov/content/opportunities> on or March 20, 2026. Interested contractors must be registered in <https://SAM.gov> and complete Online Representation and Certifications.

A Pre-Solicitation Site Visit: Date and Time will be announced with the solicitation.

Period-of-Performance: To be completed in 60 days from time of award
