Additional Requirements:

1. Offered space must be located on no more than two (2) contiguous floors and all space on each floor must be contiguous. If space offered is on two floors, suitable passenger and freight service elevators must be provided.
2. VA will consider an existing building or a building that has not yet been constructed. VA is open to multi-tenant buildings where other occupancies are compatible with VA's intended use.
3. Parking must be on-site and adjacent to the building.
4. Bifurcated sites, inclusive of parking, are not permissible.
5. The following space configurations will not be considered: Space with atriums or other areas interrupting contiguous space, extremely long or narrow runs of space (more than twice as long/as wide), irregularly shaped space configurations or other unusual building features adversely affecting usage.
6. Offered space, VA's parking area, and the entrance/egress to the land on which the building is situated cannot be in the FEMA 100-year flood plain.
7. Offered space must be zoned for VA's intended use at the time of lease award, or a plan must be in place for rezoning within a reasonable time after lease award.
8. Space will not be considered where apartment space or other living quarters are located within the same building.
9. A fully serviced lease may be required.
10. A loading area is required to receive deliverables. Parking lot must be able to accommodate deliveries by box trucks.
11. Structured parking under the building is not permissible.
12. Offered space must be compatible with VA's intended use.
13. Offered space will not be considered if located in close proximity to residential or industrial areas.
14. Offered space will not be considered if located in close proximity to property with incompatible uses, including but not limited to the following uses: stores selling marijuana products, firearms,

weapons, and/or ammunition, correctional facilities (jails or otherwise), railroad tracks, or within flight paths if flight paths are a noise or vibration disturbance.

15. Offered space must be located in close proximity to amenities including but not limited to restaurants, pharmacies, and shopping.
16. Offered space must be located in close proximity to public transportation.
17. VA will not sublease space or enter into a ground lease.
18. Offered space must meet federal and local Government requirements for fire protection and life safety, physical security, accessibility, seismic, and sustainability standards per the terms of the solicitation for offers or request for proposals if one is issued.
19. Estimated date of occupancy: December 2027

To be considered for the Market Survey, all interested parties must submit the following information, if applicable, by the Due Date described below, as an Expression of Interest (EOI):

1. Property owner or owner representative contact information (name, phone, and email);
2. Evidence the owner representative has the authority to represent the property owner;
3. Building address;
4. Provide the location on a map, demonstrating the building, or land on which a building will be constructed, lies within the delineated area;
5. Description of ingress/egress to the building or land from a public right-of-way;
6. Description of the uses of adjacent properties;
7. FEMA map providing evidence of floodplain status;
8. Evidence of seismic compliance or willingness to upgrade;
9. Evidence of ABAAS compliance or willingness to upgrade;
10. Evidence of fire and life safety compliance or willingness to upgrade;
11. Evidence of sustainability standards or willingness to upgrade;
12. A narrative and map describing proximity of the building or land to the nearest public transportation and major transportation routes;
13. A description of any planned land development or construction that will affect the site, including neighboring projects and road/utility line construction;
14. Site plan depicting the property boundaries, building, parking, and amenities;
15. Floor plan showing the floor(s) and ABOA SF of proposed space;
16. A description of any changes to the property necessary to be compatible with VA's intended use;
17. A statement indicating the current availability of utilities serving the proposed space or property; and
18. Provide a statement and supporting documentations if available showing any environmental and/or cultural/historic studies have been done on the property (e.g., Phase I or II ESAs, NEPA environmental assessments, or archaeological surveys).

Set-Aside Determination Information:

19. If you are qualified as a Service-Disabled Veteran Owned Small Business (SDVOSB) or Veteran Owned Small Business (VOSB) under NAICS Code 531120 Lessors of Nonresidential Buildings with the associated small business size standard, you must meet the requirements outlined in the attachment, entitled, "SDVOSB, VOSB, or JV Status" and submit the required information for a Service-Disabled Veteran Owned Small Business (SDVOSB) or Veteran Owned Small Business (VOSB).
20. If you are a Joint Venture (JV) and intend to submit an offer as such, you must provide the following: Evidence that the SDVOSB or VOSB entity of the Joint Venture is certified as a legal

SDVOSB or VOSB entity, your JV Agreement including proper provisions, a Unique Entity Identifier (UEI) in the JV legal name, the CAGE code identified for the JV, and evidence of SAM registration representing that the entity type is designated as a JV. If you do not meet these JV requirements, as put forth by the Small Business Administration (SBA) and new Code of Federal Regulations (CFR) at the time of EOI due date, your submission will be considered incomplete and not considered.

EOI Due Date: All interested parties must respond to this announcement and provide the submissions for consideration no later than April 13, 2026, at 5:00 PM Pacific Time.

EOI Submission Format: All submissions shall be sent via email to Alexander Ortiz, Realty Specialist, alexander.ortiz@va.gov and Caitlin Cunningham, REAG, Project Manager, ccunningham@isiwdc.com.

Market Survey: Estimated date (s) for a Market Survey tour is May 11, 2026.

Attachment
SDVOSB, VOSB or JV Status

The NAICS Code for this procurement is 531120 Lessors of Nonresidential Buildings, and the small business size standard. Responses to this notice will assist VA's Office of Real Property (ORP) in determining if the acquisition should be set-aside for competition and restricted to SDVOSB or VOSB concerns in accordance with 38 USC Sec. 8127.

The magnitude of the anticipated construction/buildout for this project is:

(j) Between \$10,000,000 and \$20,000,000;

VA makes monthly rental payments in arrears upon facility acceptance and may elect to make a single lump-sum payment or amortize over the course of the firm term for specified tenant improvements. VA makes no progress payments during the design or construction/build-out phases of the project.

This is not a request for proposals, only a request for information for planning purposes, and does not constitute a solicitation. A solicitation may or may not be issued.

Project Requirements: ORP seeks information from potential offerors who are capable of successfully performing a lease contract, including design and construction of the facility described above, for a term of up to 20 years, inclusive of all options, as well as all maintenance and operation requirements for the duration of the lease term, at a fair and reasonable price. More information on VA's requirements can be found on the solicitations and expression of interest/sources advertisements, that are made public information via "Contract Opportunities" on www.SAM.gov.

SDVOSB and VOSB firms are invited to provide information to contribute to the market research for this project. SDVOSB and VOSB firms must be registered in through SBA's Veteran Small Business Certification (VetCert) at <https://veterans.certify.sba.gov>. All business concerns must have the technical skills and financial capabilities necessary to perform the stated requirements. All business concerns are requested to submit a Capabilities Statement if they are interested in participating in this project. A submission checklist and information sheet are provided below for firms to complete and submit, which will serve as the firm's Capabilities Statement.

Capabilities Statement Will Include:

1. Company name, address, point of contact, phone number, Experian Business Identification Number, e-mail address, and an organizational chart showing the ownership percent for each individual of the SDVOSB or VOSB firm.
2. If you are a Joint Venture (JV) and intend to submit an offer as such, you must provide the following: Evidence that the SDVOSB or VOSB entity of the Joint Venture is certified as a legal SDVOSB or VOSB entity, your JV Agreement including proper provisions, a Unique Entity Identifier (UEI) in the JV legal name, the CAGE code identified for the JV, and evidence of SAM registration representing the entity type is designated as a JV.
3. If you are qualified as a Service-Disabled Veteran Owned Small Business (SDVOSB) or Veteran Owned Small Business (VOSB) under NAICS Code 531120 Lessors of Nonresidential Buildings with the small business size standard, you must meet the requirements out lined in accordance with SBA and any applicable grace period allowable under the new SBA regulations. SBA has assumed control over the SDVOSB and VOSB certification process. Contractors seeking SDVOSB or VOSB verification must be registered on SBA's website (<https://veteranscertify.sba.gov>) notwithstanding any applicable grace period that allows a former CVE.
4. If you are qualified as a Service-Disabled Veteran Owned Small Business (SDVOSB) or Veteran Owned Small Business (VOSB) under NAICS Code 531120 provide evidence of ability to offer as a small business in the System for Award Management at www.sam.gov, including a copy of the representations and certifications made in that system;
