

Draft Request for Proposal – Sounder for Microwave-Based Applications

80GSFC25R7005

Amendment 22 – Acquisition Strategy Update

Below are updates to the Acquisition Strategy for the Sounder for Microwave-Based Applications procurement. In the event of any conflict, the final Request for Proposal provisions and contract terms will take precedence.

1. Contract Line Item Number (CLIN) Structure

There will no longer be an Option or CLIN 0004. The following will be the CLIN Structure.

Base or Option	CLIN	Contract Type	Description
Base	0001	Cost Plus Fixed Fee with Schedule Incentive for Flight Model (FM) 1	Non-Recurring Engineering, Engineering Development Program, FM1 Production through Launch + 6 Months, FM 1-3 Parts
Base	0002	Firm Fixed Price	FM2 and FM3 Production through Bench Acceptance Test at the Spacecraft Vendor Facility
Base	0003	Time and Material	Task Orders for: Special Studies, Post Commissioning Support (FM1), Post-Bench Acceptance Test at the Spacecraft Vendor Facility Support (Remaining FMs)

2. Funding Profile

The Offeror's Cost/Price Volume and associated Exhibits shall not exceed the following profile: Government Fiscal Year (GFY) 27 – 10%, GFY28 – 20%, and GFY29 – 20%, with percentages calculated against the total proposed cost/price.

3. Economic Price Adjustment Clause

The Government will eliminate the Economic Price Adjustment clause with the elimination of the Option and CLIN 0004.
