For each of the six criteria listed below, the rater must choose one Adjectival Rating by checking the box, as applicable. At a minimum, for any rating that is checked Marginal or Unsatisfactory, please submit additional comments to substantiate the rating. If any criteria is not rated, please state N/A in the additional comments box.

## 1. QUALITY

| RATING                   | Adjectival Rating     | Definition                                                                                                                                                                                                                                                                                                                          |
|--------------------------|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <input type="checkbox"/> | <b>Exceptional</b>    | Performance meets contractual requirements and exceeds many to the Government's benefit. The contractual performance of the element or sub-element being evaluated was accomplished with few minor problems for which corrective actions taken by the Contractor were highly effective.                                             |
| <input type="checkbox"/> | <b>Very Good</b>      | Performance meets contractual requirements and exceeds some to the Government's benefit. The contractual performance of the element or sub-element being evaluated was accomplished with some minor problems for which corrective actions taken by the Contractor were effective.                                                   |
| <input type="checkbox"/> | <b>Satisfactory</b>   | Performance meets contractual requirements. The contractual performance of the element or sub-element contains some minor problems for which corrective actions taken by the contractor appear, or were, satisfactory.                                                                                                              |
| <input type="checkbox"/> | <b>Marginal</b>       | Performance does not meet some contractual requirements. The contractual performance of the element or sub-element being evaluated reflects a serious problem for which the Contractor has not yet identified corrective actions. The Contractor's proposed actions appear only marginally effective or were not fully implemented. |
| <input type="checkbox"/> | <b>Unsatisfactory</b> | Performance does not meet most contractual requirements and recovery is not likely in a timely manner. The contractual performance of the element or sub-element contains a serious problem(s) for which the Contractor's corrective actions appear or were ineffective.                                                            |
