

SOLE SOURCE JUSTIFICATION

Single Source Justification (Simplified Acquisition)

Section A: General Contract Information

Is this a Bridge Action as defined in the [AF Bridge Action Reduction Plan](#)? ☐ Yes ☒ No

Contracting Activity: 81st Contracting Squadron

Project/Program Name: Exhibit Space at AFA-ASC 14-16 SEP 2026

Purchase Request / Local ID Number:

Estimated Contract Cost (including Options): [REDACTED]

Section B: Description of the Supplies/Services Required

The 2AF/A4 is requesting the procurement of exhibit booth space at the Air Space and Cyber Conference 2026 at the Gaylord National Hotel in National Harbor, Maryland.

Section C: Justification for Soliciting from a Single Source or Brand Name

The Air & Space Forces Association - Air, Space, and Cyber (AFA-ASC) Conference is a preeminent annual event, offering unparalleled access to a critical audience of MAJCOM leaders, General Officers, industry partners, and government officials. Participation is essential for executing the 2nd Air Force Commander's communication plan to promote BMT Next initiatives and influence future training requirements and resourcing, as no other conference provides this unique and vital concentration of key decision-makers.

Market research confirms that the Air & Space Forces Association is the only entity with the authority to lease exhibit space for this event. This fact is consistent with historical precedent, including a sole-source award in FY24 for the same requirement (FA301024P0019). Furthermore, a Sources Sought notice was posted to SAM.gov on 24 February 2026 to determine if market conditions had changed; the results reaffirmed that no other vendor is capable of satisfying this requirement. Therefore, a sole-source award to the Air & Space Forces Association is the only viable acquisition method.

Section D: Efforts to Obtain Competition

A search on SAM.gov revealed there are multiple vendors that provide venue space, however only the Air & Space Forces Association provides space for the AFA-ASC Conference. Additionally, a Sources Sought was posted to SAM.gov on 24 Feb 2026 with no responses that could meet the requirement.

Section E: Steps to Preclude Future Single Source or Brand Name Awards

The current market research and previous acquisition history for this requirement indicate that this will always be a sole source requirement to the Air & Space Forces Association as long as they are the entity in control of the Air Space and Cyber Conference. For future requirements, a sources sought will be posted IAW DFARS PGI 206.103-170 prior to solicitation to confirm that a sole source acquisition is the most appropriate strategy.

SOLE SOURCE JUSTIFICATION

Single Source Justification (Simplified Acquisition)

Section F: Contracting Officer's Determination

I have determined, in accordance with FAR 12.102(a), that the circumstances of this contract action deem only a single source is reasonably available.
