OMB No. 0596-0082

**SPECIAL USE PERMIT FOR  
CAMPGROUND AND RELATED GRANGER-THYE CONCESSIONS**

**APPENDIX B  
ANNUAL GRANGER THYE FEE OFFSET AGREEMENT**

**AUTHORITY: Section 7 of the Granger-Thye Act, 16 U.S.C. 580d  
<Reference FSH 2709.11 chapter 50>**

This Annual Granger-Thye (GT) Fee Offset Agreement (agreement) is made by [name] (the holder) and the U.S. Department of Agriculture, Forest Service, [name] National Forest (the Forest Service), under section 7 of the G-T Act, 16 U.S.C. 580d, and clause IV.E of the special use permit issued to the holder on [date] (the permit). The total estimated annual land use fee is [amount]. [ ] percent of that land use fee may be offset by the cost incurred by the holder for the Government maintenance, reconditioning, renovation, or improvement (MRR) projects listed below in accordance with this agreement. Additionally, [ ] percent of that fee may be offset by the cost incurred by the Forest Service for the Government MRR projects under a separate collection agreement. Projects to be performed by the holder shall be completed by the date specified and within the holder's fiscal year for the year the fee is due. The Forest Service may modify the projects and dates as necessary, after consultation with the holder.

1. Amount of Land Use Fee Subject to Offset. The actual cost of each project that is satisfactorily completed as determined by the Forest Service may be offset against the holder's land use fee. Due dates and cost estimates for completion of each project are enumerated below. Examples of allowable costs include salaries and wages, materials and supplies, and subcontracts that are direct costs of a G-T fee offset project and indirect costs based on an approved indirect cost rate. The total cost for Government MRR projects to be performed under this agreement shall not exceed the holder's annual land use fee.

2. Projects and Project Costs Covered by This Agreement. Upon a determination by the Forest Service that a project has been satisfactorily completed by the holder, the holder shall submit documentation of its actual cost to the Forest Service and shall certify that the representations in that documentation are accurate and complete. The certification shall be signed and dated, and shall state that failure to sign the certification shall vitiate the fee offset claim. The Forest Service shall verify that documentation before giving any credit against the holder's land use fee, and reserves the right not to grant any fee offset if any representations in the documentation are inaccurate or incomplete.

The holder shall perform the work itemized below under this agreement.

| Description of Project | Due Date | Estimated Cost | Completion Date | Actual Cost |
|------------------------|----------|----------------|-----------------|-------------|
| [itemize projects]     |          |                |                 |             |
|                        |          |                |                 |             |
|                        |          |                |                 |             |
|                        |          |                |                 |             |
|                        |          |                |                 |             |

The Forest Service or Forest Service contractor shall perform the work itemized below under this agreement.

| Description of Project | Due Date | Estimated Cost | Completion Date | Actual Cost |
|------------------------|----------|----------------|-----------------|-------------|
| [itemize projects]     |          |                |                 |             |
|                        |          |                |                 |             |
|                        |          |                |                 |             |
|                        |          |                |                 |             |
|                        |          |                |                 |             |

**<USER NOTES FOR PARAGRAPH 3>**

**<Include paragraph 3 if the total estimated cost of Government MRRI projects to be performed under this agreement exceeds \$2,000 and the holder is a private entity or a state or governmental entity that is contracting with a private entity to perform the Government MRRI projects. Otherwise delete paragraph 3, and re-number the remaining paragraph.>**

3. Davis-Bacon Act Requirements. This agreement is subject to the Davis-Bacon Act, 40 U.S.C. 3141 *et seq.*, and its implementing regulations at 29 CFR 5.5. These regulatory requirements are incorporated by reference into this agreement as if fully set forth in this agreement.

4. Documentation of Project Costs. Upon a determination by the Forest Service that a project has been satisfactorily completed by the holder, the holder shall submit documentation of its actual cost to the Forest Service and shall certify, using form FS-2700-4h, Appendix G, that the representations in that documentation are accurate and complete. The certification shall be signed and dated and shall state that failure to sign the certification shall vitiate the fee offset claim. The Forest Service shall verify that documentation before giving any credit against the holder's land use fee and reserves the right not to grant any land use fee offset if any representations in the documentation are inaccurate or incomplete.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond, to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0596-0082. Response to this collection of information is mandatory. The authority to collect the information is the Organic Administration Act, 16 U.S.C. 551. The time required to complete this information collection is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotope, American Sign Language, etc.) should contact the State or local Agency or contact USDA through the Telecommunications Relay Service at 711(voice and TTY). Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at How to File a Program Discrimination and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Mail Stop 9410, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: [program.intake@usda.gov](mailto:program.intake@usda.gov).

USDA is an equal opportunity provider, employer, and lender.

The Privacy Act of 1974 (5 U.S.C. 552a) and the Freedom of Information Act (5 U.S.C. 552) govern the confidentiality to be provided for information received by the Forest Service.

SAMPLE

## Potential Government Maintenance, Reconditioning, Renovation or Improvement (MRRI) Projects

Included below are anticipated government maintenance, reconditioning, renovation or improvement projects. Items on this list could be changed, depending on use and condition of facilities, at the discretion of the Authorizing Officer.

Many of the future projects consist of bringing the sites into compliance with the National Quality Standards for Recreation Site Management, as described in Appendix 19. Projects may be derived from Appendix 3 – Inventory of Government Furnished Property. In addition, anticipate annual replacement of features that become irreparable or damaged. Items on this list could be changed, depending on use and condition of facilities, at the discretion of the Authorizing Officer. Note that costs are estimates and actual costs may vary.

NOTE: This table represents a sample list of potential Granger-Thye Fee Offset projects for facilities in this prospectus. The Forest Service may find a need for higher priority projects and revise this list at any time.

**Table 1. Potential MRRI Project List**

Subject: Indirect Cost Reimbursement in Granger-Thye Permits

To: Regional Foresters

**Issue.** At the request of the National Forest Recreation Association (NFRA) we have evaluated how the Forest Service reimburses the indirect costs of permit holders who perform Granger-Thye (GT) fee offset work. Holders are concerned that forests are inconsistent on whether and how indirect costs are allowed and what documentation is necessary to support a claim for indirect costs.

**Background.** Under Section 7 of the GT Act, and when authorized by a permit and GT fee offset agreement (GT agreement), the Forest Service offsets all or part of the permit fee paid by campground concessionaires with the cost of Government renovation, reconditioning, improvement, and maintenance performed at the concessionaire's expense on facilities covered by the permit. When the holder performs the work, it is authorized by an attachment to the permit called a GT fee offset agreement. Alternatively, the Forest Service may enter into a collection agreement as authorized by Section 5 of the GT Act to perform work eligible for fee offset under Section 7.

**Historical Practice.** Typically the field has offset the holder's direct costs for approved offset work, but reimbursement for the holder's indirect costs has varied. Approaches have included limiting indirect costs to a maximum of 5 percent or 10 percent of the fee to be offset, limiting the type of indirect costs to be reimbursed, or reimbursement of a flat overhead rate without documentation. Review of this issue has shown that these methods are not appropriate, because holders should be reimbursed actual costs. There is a misconception among employees and holders that the Forest Service can reimburse a flat indirect cost rate without documentation. There is often disagreement between forests and holders about what costs may be reimbursed.

**Comparison.** The Office of Management and Budget (OMB) has issued circulars to guide cost reimbursement for several types of business entities, including Circular A-87 for State and Local Governments and Circular A-122 for Non-Profit Organizations. The Federal Acquisition Regulation (FAR) Part 31 guides cost reimbursement for Commercial (For-Profit) Entities. We evaluated how cost reimbursement is conducted in other agency programs. Regulations at 7 CFR 3019.27 were updated in August 2000 to address the determination of allowable costs for grants and agreements in conformance with applicable OMB circulars. FSH 1509.11, Chapter 70, provides that administration of costs in grants and agreements for commercial entities is subject to FAR Part 31, Contract Cost Principles and Procedures. Adopting these cost standards for GT offset will create consistency among the program areas of special uses, contracting, and grants and agreements and conform to OMB guidance.

**Conclusion.** Offset of indirect costs is appropriate. Indirect costs are a customary charge in contracting and grants and agreements and should be eligible for offset under GT agreements. The following guidance applies to reimbursement of actual costs to commercial entities holding GT permits. The guidance (enclosed) is excerpted from FAR Part 31 and 48 CFR Part 9904 but has been tailored to address GT agreements. A simplified process for small concessions is included at the end of the document. Cost principles for non-profit entities and state or local governmental entities are not addressed. The guidance does not address the reimbursement of agency indirect costs. When the Forest Service performs the work, agency indirect costs will be assessed in accordance with FSH 1509.11, Chapter 33 and indirect cost rates established nationally (e.g., the FY2002 rate is 18 percent).

**Implementation.**

Before the holder's indirect costs may be offset under a GT agreement, the holder must submit its indirect cost rate and supporting documentation for approval. Determination of an indirect cost rate should comply with the Cost Accounting Standards (CAS) and this guidance. When claiming cost reimbursement, the holder must certify that costs claimed comply with this guidance. Indirect costs based on approved Indirect Cost Allocation Rates (ICAR) should be reimbursed starting with 2002 permit fees. This advice for reimbursement of indirect costs is not retroactive to prior year permit fees.

For New Permits: Applicants must disclose accounting procedures and historic indirect cost allocation rates in response to a prospectus.

For Existing Permits: Holders must submit their ICAR to the authorized officer. Because the ICAR will be the same for all permits held by a specific company, it is recommended that the regional external auditor review and approve the rate. Regional auditors should coordinate the review for companies operating in more than one region.

**Holder's Fiscal Year (FY)**

Total allowable costs may be offset under a Granger-Thye (GT) fee offset agreement to the extent they do not exceed the total annual fee for this permit. Total allowable costs of a GT project included in this GT claim are the sum of the direct GT project costs and indirect costs allocable to this GT project. Costs submitted under this GT claim shall be documented and determined by the Forest Service to be reasonable, allocable, and determined to be allowable, in accordance with the terms of this permit, the applicable GT fee offset agreement, and applicable Forest Service directives.

**Direct GT Costs:** Provide claimed GT costs by cost element and attach schedules to show the cost breakdown by cost element. Provide supporting documentation for the cost claim.

**Indirect Costs:** Indirect costs must be computed based on Forest Service-approved indirect cost rate and may be added to the total direct GT costs. Attach the approved indirect cost rate for FY [ ].

Approval of the fee offset claim is subject to all provisions in the Annual Granger-Thye Fee Offset Agreement (FS-2700-4h, Appendix B) executed by the U.S. Department of Agriculture, Forest Service, [name] National Forest, and [holder name] on [date of GT fee offset agreement].

Collection Agreement  
between  
<Name of Holder>  
and  
<Name> National Forest

Agreement Number: \_\_\_\_\_

Cooperator Tax ID #: \_\_\_\_\_

THIS COLLECTION AGREEMENT is made by (name of holder) and the U.S. Department of Agriculture, Forest Service, \_\_\_\_\_ National Forest (the FS), under Section 5 of the Granger-Thye Act, 16 U.S.C. 572.

WHEREAS, the holder operates a FS campground (or campgrounds) under a special-use permit dated \_\_\_\_;

WHEREAS (SELECT EITHER #1 OR #2) 1) THE HOLDER HAS A REQUESTED THE FS TO PERFORM AND THE FS IS WILLING TO PERFORM UNDER A COLLECTION AGREEMENT OR 2) THE FS IS REQUIRING THAT IT PERFORM UNDER A COLLECTION AGREEMENT, the following projects listed in the fee offset agreement: (List all agreed to and approved projects);

WHEREAS, the cost of those projects may be used to offset the permit fee in accordance with the fee offset agreement;

THEREFORE, in consideration of the above, the parties agree as follows:

**A. The holder shall:**

1. Make advance payments, in accordance with the permit, in amounts sufficient to cover the total cost of performing the Government maintenance and reconditioning work listed in this agreement, including overhead as determined by the FS up to \_\_\_\_ percent of project costs.
2. Pursuant to the Debt Collection Improvement Act of 1996, as amended by P.L. 104-134, furnish their tax identification number upon execution of this instrument. Cooperator also agrees that notice of the FS's intent to use such number for purposes of collecting and reporting on any delinquent amounts arising out of such person's relationship with the Government, has hereby been given.

**B. The FS shall:**

1. Deposit payments received from the holder under this agreement into the FS cooperative work fund.
2. Upon receipt of payment from the holder, perform the Government maintenance and reconditioning projects listed in this agreement.
3. Contributions authorized for use by the FS, which are not spent or obligated for project(s) approved under this instrument, will be refunded to the cooperator authorized for use for new projects by the cooperative.

**C. It is mutually agreed that:**

1. No member of or delegate to Congress or resident commissioner shall receive any benefit that may arise from this agreement; provided, that this provision shall not apply to this agreement if it is made with a corporation for its general benefit.

2. This agreement in no way restricts the FS or the holder from participating in similar activities with other public or private agencies, organizations, or individuals.
3. Any holder contributions made under this agreement do not directly or indirectly convey FS endorsement of the holder's products or activities.
4. Modification of this agreement shall be made by in writing mutual consent of the parties and shall be signed and dated by both parties. The FS is not obligated to fund any modifications that are not made in accordance with this clause.
5. Either party(s), in writing, may terminate the instrument in whole, or in part, at any time before the date of expiration. The FS shall not incur any new obligations for the terminated portion of the instrument after the effective date and shall cancel as many obligations as in possible. Full credit shall be allowed for FS expenses and all non-cancelable obligations properly incurred up to the effective date of termination.
6. Unless terminated by written notice, this agreement shall remain in effect until the end of the initial permit term. If the permit term is extended, this agreement may be extended in writing for the same period as the permit term.
7. Per 16 U.S.C. 572, the United States shall not be liable to the holder or the holder's heirs, assigns, agents, employees, contractors, or lessees for any loss, personal injury, or death occurring in connection with performance of work under this agreement, and the holder on behalf of itself and its heirs, assigns, agents, employees, contractors, and lessees hereby waives any and all claims against the United States for compensation for any loss, personal injury, or death occurring in connection with performance of work under this agreement.

In witness where IN WITNESS WHEREOF, the parties have executed this agreement as of the last date written below.

## I: The Business and Experience

### 1. Purpose and Goals:

- A. What is your purpose in pursuing this business?
- B. Define your business goals for the next year and what you foresee five years from now:

### 2. Description of the Business:

This section should describe the nature and purpose of the company, background on your industry, and what opportunities you see for your services.

- A. Brief description of the business:
- B. Briefly describe your knowledge of this industry:
- C. List the products and services you will provide:

### 3. Legal Structure:

There are several ways in which your business can be legally organized.

- A. How your company is legally organized? (Check appropriate box).

Sole Proprietorship

General Partnership

Corporation "C" Corp or "S" Corp Limited Partnership

Limited Liability Company (LLC)

Other

- B. Why is this legal organization most appropriate for your business?

- C. Does your operation require a state registration number? YES      NO

(If “Yes”, include a copy of the registration in the Supporting Documents.)

Include any appropriate information, including shareholder or partnership agreements, in the Supporting Documents, and complete the following list of owners:

**Table 1. List of owners**

| Name | Address | Social Security Number (SSN) | Percent Ownership |
|------|---------|------------------------------|-------------------|
|      |         |                              |                   |
|      |         |                              |                   |
|      |         |                              |                   |

#### 4. Location of Your Business:

Describe the planned geographical location of the business and discuss the advantages and disadvantages of the site location in terms of wage rates, labor availability, closeness to customers or suppliers, access to transportation, state and local taxes, laws, and utilities.

Describe your approach to overcoming any problems associated with the location.

- A. Planned geographical location:
- B. Discuss advantages or disadvantages of the site location:
- C. Describe your approach to overcoming any problems:

#### 5. Market and Customers:

The purpose of this section is to present sufficient facts to convince the evaluation team that your service has a substantial market and can achieve success in the face of competition. Discuss who the customers are for your service. Where are the major purchasers for the service?

- A. Describe your anticipated target market (e.g., age, income, hobbies, regional, national, international):
- B. Describe the size of the current total market and potential annual growth:
- C. Discuss your advertising campaign in terms of how, when, and where you will advertise, and estimated annual cost:

#### 6. Competitive Analysis:

Make a realistic assessment of the strengths and weaknesses of your competitors. Compare the competing services on the basis of image, location, price, advertising, and other pertinent features. Discuss your key competitors and explain why you think that you can capture a share of their business. Discuss what makes you think it will be easy or difficult to compete with them.

- A. Identify your key competitors:
- B. Discuss their strengths and weaknesses.
- C. Compare your product or service on key areas. For each area of comparison rank yourself and your selected competitors on a scale of 1 (high) to 5 (low). Remember: no ties.

**Table 2. Competitive Analysis**

| Area of Comparison | You | Competitor A | Competitor B | Competitor C | Competitor D |
|--------------------|-----|--------------|--------------|--------------|--------------|
| Image              |     |              |              |              |              |
| Location           |     |              |              |              |              |
| Price              |     |              |              |              |              |
| Advertising        |     |              |              |              |              |
| Service            |     |              |              |              |              |
| Uniqueness         |     |              |              |              |              |
| Other              |     |              |              |              |              |

D. Why do you think you can compete with your competitors and capture a share of the market?

## 7. Management:

The evaluation team is looking for a committed management team with the proper balance of technical, managerial, and business skills and experience which supports your proposal. Be sure to include complete resumes for each key management member in the Supporting Documents section.

(Use additional pages and attach as necessary)

- A. List owners and key management personnel and their primary duties. If any key individuals will not be onboard at the start of the venture, indicate when they will join the staff.
- B. Discuss any experience when the above people have worked together that indicates how their skills complement each other and result in an effective management team.
- C. List the advisors and consultants that you have selected for your venture. Capable, reputable, and well-known supporting organizations can not only provide significant direct and professional assistance, but also can add to the credibility of your venture.

Accountant \_\_\_\_\_

Attorney \_\_\_\_\_

Banker \_\_\_\_\_

Insurance Broker \_\_\_\_\_

Advertising \_\_\_\_\_

Others \_\_\_\_\_

## 8. Personnel:

Explain how you plan to recruit, develop, and maintain your workers. List the number of employees you will have, as well as their job titles and required skills. (Use additional pages as necessary)

- A. Identify essential employees, their job titles, and required skills:
- B. Identify the source and your plan to recruit essential employees:
- C. Discuss any training or retraining that you plan for your employees. Also, discuss any necessary first-aid certification or recertification, etc.:

## 9. Supporting Documents:

**Each applicant is required to submit the items listed below.**

- Personal resumes of business owners, officers, and partners
- Copies of all pertinent existing permits or licenses applicable to this business (Submit only the face pages of all current concession permits)

## II: Financial Resources

### 1. Capital-Equipment List:

Capital equipment is defined as assets which have useful lives of more than one year. Examples include machines, equipment, vehicles, livestock, tack, gear, and computers. Describe the equipment, the quantity, whether the equipment is new or used (N/U), the expected useful life, and the cost. This includes equipment purchased from existing businesses.

**Table 3. Capital Equipment List**

| Equipment                              | Quantity | New/Used | Life | Cost          |
|----------------------------------------|----------|----------|------|---------------|
|                                        |          |          |      |               |
|                                        |          |          |      |               |
|                                        |          |          |      |               |
|                                        |          |          |      |               |
|                                        |          |          |      |               |
|                                        |          |          |      |               |
|                                        |          |          |      |               |
|                                        |          |          |      |               |
| <b>Total Cost of Capital Equipment</b> |          |          |      | <b>\$0.00</b> |

### 2. Start-Up Expenses:

Start-up expenses are the various costs it takes to open your doors for business:

**Table 4. Start-Up Expenses**

| Item                                      | Cost |
|-------------------------------------------|------|
| Total cost of capital equipment           |      |
| Beginning inventory of operating supplies |      |
| Legal fees                                |      |
| Accounting fees                           |      |
| Other professional fees                   |      |
| Licenses and permits                      |      |
| Remodeling and repair work                |      |
| Deposits (public utilities, etc.)         |      |
| Advertising                               |      |
| Insurance                                 |      |
| Bonds                                     |      |
| Advance permit fees                       |      |
| Other expenses:                           |      |
|                                           |      |
|                                           |      |
|                                           |      |
|                                           |      |
|                                           |      |

| Item                           | Cost      |
|--------------------------------|-----------|
|                                |           |
|                                |           |
| <b>Total Start-Up Expenses</b> | <b>\$</b> |

### 3. Sources and Uses of Financing:

#### A. Sources of Financing:

**Table 5. Sources of Financing**

| Item                                                   | Cost      |
|--------------------------------------------------------|-----------|
| Investment of cash by owners                           |           |
| Investment of cash by shareholders                     |           |
| Investment of non-cash assets by owners                |           |
| Investment of non-cash assets by shareholders          |           |
| Bank loans to business: short term (one year or less)  |           |
| Bank loans to business: long term (more than one year) |           |
| Bank loans secured by personal assets                  |           |
| Small Business Administration loans                    |           |
| Other sources of financing (specify)                   |           |
|                                                        |           |
|                                                        |           |
|                                                        |           |
|                                                        |           |
|                                                        |           |
| <b>Total Sources of Financing</b>                      | <b>\$</b> |

#### B. Uses of Financing

**Table 6. Uses of Financing**

| Item                                                                        | Cost |
|-----------------------------------------------------------------------------|------|
| Buildings                                                                   |      |
| Equipment                                                                   |      |
| Initial inventory                                                           |      |
| Working capital to pay operation expenses                                   |      |
| Noncash assets contributed by owners (use same amount as in Sources, above) |      |
| Other assets (specify)                                                      |      |
|                                                                             |      |
|                                                                             |      |
|                                                                             |      |
|                                                                             |      |

| Item                    | Cost |
|-------------------------|------|
| Total Uses of Financing | \$   |

C. Monthly Cash Flow Projection:

The cash flow projection is the most important financial planning tool available to you. The cash flow projection attempts to budget the cash needs of a business and shows how cash will flow in and out of the business over a stated period of time. A cash flow deals only with actual cash transactions. Depreciation, a noncash expense, does not appear on a cash flow. Loan repayments (including interest), on the other hand, do, since they represent a cash disbursement.

NOTE: The Cash Flow Projection chart on the following page is required to be completed and submitted in the existing format (date range can be modified).

**Table 7. Cash Flow Projection (or Cash Flow Budget) by Month: Year One**

|    | A                         | B    | C    | D     | E     | F   | G    | H    | I    | J     | K    | L    | M    | N     |
|----|---------------------------|------|------|-------|-------|-----|------|------|------|-------|------|------|------|-------|
| 1  |                           | Jan. | Feb. | March | April | May | June | July | Aug. | Sept. | Oct. | Nov. | Dec. | Total |
| 2  | Cash Receipts             |      |      |       |       |     |      |      |      |       |      |      |      |       |
| 3  | Sales Receivables         |      |      |       |       |     |      |      |      |       |      |      |      |       |
| 4  | Wholesale                 |      |      |       |       |     |      |      |      |       |      |      |      |       |
| 5  | Retail                    |      |      |       |       |     |      |      |      |       |      |      |      |       |
| 6  | Other Services            |      |      |       |       |     |      |      |      |       |      |      |      |       |

## D. Start-Up Balance Sheet:

Balance sheets are designed to show how the assets, liabilities, and net worth of a company are distributed at a given point in time.

**NOTE:** The following Start-up Balance Sheet is required to be completed and submitted in the existing format.

Table 8. Start-Up Balance Sheet

| Item                                                               | Cost |
|--------------------------------------------------------------------|------|
| <b>Assets:</b>                                                     |      |
| Current Assets                                                     | \$   |
| Fixed Assets                                                       | \$   |
| Less Accumulated Depreciation                                      | \$   |
| Net Fixed Assets                                                   | \$   |
| Other Assets                                                       | \$   |
| Total Assets                                                       | \$   |
| <i>Footnotes:</i>                                                  |      |
|                                                                    |      |
|                                                                    |      |
| <b>Liabilities:</b>                                                | \$   |
| Current Liabilities                                                | \$   |
| Long-Term Liabilities                                              | \$   |
| Total Liabilities                                                  | \$   |
| Net Worth or Owner's Equity (Total assets minus total Liabilities) | \$   |
| Total Liabilities and Net Worth                                    |      |
| <i>Footnotes:</i>                                                  |      |
|                                                                    |      |
|                                                                    |      |

## E. Start-Up Income Statement Projection:

Income Statements (also called Profit and Loss Statements) complement balance sheets. The income statement provides a moving picture of the company during a particular period of time. For most businesses (and for most bankers), income projections covering one to three years are more than adequate.

If you are in a start-up situation, look for financial-statement information and income ratios for businesses similar to yours. The Robert Morris Associates' Annual Statement Studies and trade association publications are two possible sources.

**NOTE:** The following Income Projection Statement is required to be completed and submitted in the existing format (date range can be modified).

**Table 9. Income Projection by Month: Year One**

|    | A                          | B    | C    | D     | E     | F   | G    | H    | I    | J     | K    | L    | M    | N     |
|----|----------------------------|------|------|-------|-------|-----|------|------|------|-------|------|------|------|-------|

#### 4. Historical Financial Reports for Existing Business

**Each applicant is required to submit all items listed below.**

- FS-6500-24
- Tax returns (past three years)
- Current credit report from major credit bureau

#### 5. Supporting Information

**Each applicant is required to submit the items listed below, if applicable.**

- Financial statements of business owners, officers, and partners
- Bank or investor letters of intent to finance project

FS-6500-24 (09/2020)  
OMB No. 0596-0082

**U.S. DEPARTMENT OF AGRICULTURE  
FOREST SERVICE**

**FINANCIAL STATEMENT**

**AUTHORITY:**  
**36 CFR 251.54(e)(5)(iv) and FSH 6509.18**

**INSTRUCTIONS:** Provide your most recent fiscal year financial statement. The Forest Service may also request two additional years of financial data on a case by case basis. If more space is needed to fully answer any item below, attach additional sheets. Complete and accurate information must be provided as required in this form. Anyone who knowingly or willfully makes any false statement or representation on this form is subject to a fine, imprisonment, or both under 18 U.S.C. 1001(a).

1. NAME OF CORPORATION, LIMITED LIABILITY COMPANY (LLC), PARTNERSHIP, OR PROPRIETORSHIP (include any names the organization/firm operated under during past three years and specify the year operated for each name):

2. STATE OF  
INCORPORATION

3. DATE OF  
INCORPORATION

4. ADDRESS OF PRINCIPAL PLACE OF BUSINESS

5. FOR PARTNERSHIPS, NAMES OR PARTNERS AND THEIR PARTNERSHIP INTERESTS:

6. NAME, TITLE, AND ADDRESS OF CORPORATE OFFICERS AND DIRECTORS AND NUMBER OF SHARES OF STOCK OWNED BY EACH

| FULL NAME | TITLE | ADDRESS, TELEPHONE NUMBERS, AND<br>E-MAIL ADDRESS | SHARES OWNED |

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0596-0082. Response to this collection of information is mandatory. The authority to collect the information is the Organic Administration Act, 16 U.S.C. 551. The time required to complete this information collection is estimated to average 8 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the State or local Agency or contact USDA through the Telecommunications Relay Service at 711(voice and TTY). Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at [How to File a Program Discrimination](#) and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Mail Stop 9410, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: [program.intake@usda.gov](mailto:program.intake@usda.gov).

USDA is an equal opportunity provider, employer, and lender.

The Privacy Act of 1974 (5 U.S.C. 552a) and the Freedom of Information Act (5 U.S.C. 552) govern the confidentiality to be provided for information received by the Forest Service.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0596-0082. Response to this collection of information is mandatory. The authority to collect the information is the Organic Administration Act, 16 U.S.C. 551. The time required to complete this information collection is estimated to average 0.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the State or local Agency or contact USDA through the Telecommunications Relay Service at 711(voice and TTY). Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at [How to File a Program Discrimination](#) and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Mail Stop 9410, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: [program.intake@usda.gov](mailto:program.intake@usda.gov).

USDA is an equal opportunity provider, employer, and lender.

The Privacy Act of 1974 (5 U.S.C. 552a) and the Freedom of Information Act (5 U.S.C. 552) govern the confidentiality to be provided for information received by the Forest Service.

## **National Quality Standards for Recreation Site Management and Best Management Practices (Formerly known as Meaningful Measures Standards)**

National Quality Standards for developed sites have been established for the Key Measures: Health and Cleanliness, Safety and Security, Condition of Facilities, Responsiveness, Resource Setting. Critical National Standards are identified with an asterisk (\*). If not met, the resulting conditions pose a high probability of immediate or permanent loss to people or property.

### **Key Measure: HEALTH AND CLEANLINESS**

- \*Visitors are not exposed to human waste.
- \*Water, wastewater, and sewage treatment systems meet federal, state and local water quality regulations.
- Garbage does not exceed the capacity of garbage containers.
- Individual units and common areas are free of litter including domestic animal waste.
- Facilities are free of graffiti.
- Restrooms and garbage locations are free of objectionable odor.
- Constructed features are clean.

### **Key Measure: RESOURCE SETTING**

- \*Effects from recreation use do not conflict with environmental laws (such as ESA, NHPA, Clean Water, TES, etc).
- Recreation opportunities, site development, and site management are consistent with Recreation management system (ROS, SMS, BBM) objectives, development scale, and the Forest land management plan.
- Landscape character at the developed recreation site is consistent with the Forest scenic integrity objectives.
- Visitors and vehicles do not exceed site capacity.

### **Key Measure: SAFETY AND SECURITY**

- \*High-risk conditions do not exist in developed recreation sites.
- \*Utility inspections meet federal, state, and local requirements.
- Laws, regulations and special orders are enforced.
- Visitors are provided a sense of security

### **Key Measure: RESPONSIVENESS**

- \*When signed as accessible, constructed features meet current accessibility guidelines.

- Visitors feel welcome.
- Information boards are posted in a user-friendly and professional manner.
- Visitors are provided opportunities to communicate satisfactions (needs, expectations).
- Visitor information facilities are staffed appropriately during seasons of use and current information is available.
- Recreation site information is accurate and available from a variety of sources and outlets.

## **Key Measure: CONDITIONS OF FACILITIES**

- Constructed features are serviceable and in good repair throughout the designed service life.
- Constructed features in disrepair due to lack of scheduled maintenance, or in non-compliance with safety codes (e.g. life safety, OSHA, environmental, etc.) or other regulatory requirements (ABA/ADA, etc.), or beyond the designed service life, are repaired, rehabilitated, replaced, or decommissioned.
- New, altered, or expanded constructed features meet FS design standards and are consistent with an approved site development plan, including an accessibility transition plan.

## **Public Service Maintenance Standards**

The following standards should be met in sites offering services to the public. These standards are necessary to ensure a pleasant recreation experience for the visitor.

### **Toilets, showers, and dressing areas**

- Toilet bowls, risers, seats, seat covers, and urinals free of deposits on surfaces
- Building interiors free of dirt, trash, graffiti, insects (dead and alive), and spider webs
- Floors free of standing water
- Chromeware clean and bright
- Toilet paper, towels, and seat covers (where provided), stocked to last until next day and/or cleaning
- Unpleasant odors (both sewage and chemical) minimized
- All restroom buildings and individual toilet units will be fully open and accessible during the entire operating season to accommodate public service needs.

### **Toilets and other buildings (exterior)**

- Walkways and trails clean and clear of obstructions for public safety and accommodating people with disabilities
- Floor mats clean
- Exterior walls free of graffiti
- Roof generally free of leaves and branches
- Eaves free of wasp nests, bird nests, and spider webs

### **Toilet vaults**

- Vaults not more than three-fourths full
- During pumping, the vaults should be cleaned as thoroughly as possible to help prevent the production of odors.

### **Tables and benches**

- Tops and seats free of dirt, grease, and large carvings
- Under portion free of spider webs, etc.
- Tops, seats, and legs secure and functional

### **Fireplaces, char-grills, fire rings, and stoves**

- No more than half-full of ashes
- All ashes and partially burned wood confined to fireplace or grill
- Grill surface free of grease and food particles at time of ash removal Pedestals and bases straight and secure, and components functional Leftover firewood stacked beside unit.

### **Garbage cans and depositories**

- Plastic liner half-full or less
- Cans clean on the outside; all litter and debris picked up around cans or container

### **Hand-pumps, fountains, and hydrants**

- All units free of grease or residue
- All units secure and drip-free
- Catch basins (drains) free of food particles, soaps, grease, debris, standing water, and functioning properly

## Description of Developed Recreation Sites and Facilities

The following appendix provides descriptions for each developed recreation site included in this prospectus.

Each description includes the number and type of sites available at each facility, current fees, minimum operating season, status in the Recreation.gov reservation system, maximum occupancy if group use site, the number of parking spaces if day use or group use site, if host is required to be on site during minimum operating season, general type of host utilities and other useful facility information. Unless otherwise specified, capacity information listed in this prospectus is based on the legal number of persons and vehicles allowed in each camp site. Refer to Appendix 4 - Applicable Forest Orders for information on capacity limits.

Maps for each of these locations can be found in Appendix 2 - Maps of Developed Recreation Sites. Appendix 3 - Inventory of Government Furnished Property provides more detailed and complete site information pertaining to each of these facilities. Use all descriptions, maps, and tables together for the most comprehensive overview of the area and specific site properties. Prospective bidders are also strongly encouraged to visit sites listed in this document to further their understanding of each setting.

Every attempt has been made to make this information and that found in the Appendices as accurate as possible. However, it is possible that some errors exist. If any errors are discovered, a correction will be made available.

# **Santa Catalina Ranger District**

## **Rose Canyon Complex**

### **Rose Canyon Campground**

#### **Location Description**

Rose Canyon Campground is just 17 miles northeast of Tucson, Arizona, off the Catalina Highway, also known as the Sky Islands Scenic Byway or General Hitchcock Highway. This area is popular for day use as well as overnight camping. With a high elevation, forested setting, two group picnic areas and opportunities for hiking, wildlife viewing and fishing, Rose Canyon offers a great summer respite from the city. The campground sits high on the slopes of the Santa Catalina Mountains, at an elevation of 7,000 feet. Because of its elevation, it can be much cooler than the lower-elevation campgrounds in the area. The campsites are spacious and spread out among stands of large ponderosa pines and clusters of Gambel oak. During the summer rainy season, Rose Creek meanders through the area to the six-acre Rose Canyon Lake at the lower end of the campground.

#### **Site Characteristics and Amenities**

##### ***Campground***

The camping area is comprised of eight (8) distinct campsite loops or clusters: Barnum, Green Mountain, Pine Saddle, Sycamore, Willow Edge, Red Trail, Rose Peak and Black Bear Flat. There are a total of 73 reservable single-family camping units and 1 double-family camping unit. Potable water is available in all camping loops and in several locations along the main facility road via the water tank adjacent to Loop 3. Each site has a bear-proof food storage box. In total, there are eleven vault restrooms, nearly all of which have been replaced since 2009. There are no flush toilets in the campground.

Units contain picnic tables, fire rings and/or barbecue grills, bear-proof food storage boxes, and parking spurs or parking lots. There are four (4) developed host sites spread throughout the campground that come with contained vault septic units.

##### ***Day Use***

The Rose Canyon Lake day use parking lot is served by two, dual-riser CXT concrete vault restrooms installed in 2022. Located adjacent to the day-use parking lot is a building modified with water and electric used as a camp store.

On the west edge of the day use parking lot there is road access to the Rose Canyon Lake barrier-free access parking lot. This area has been modified to accommodate four (4) vehicles for persons with disabilities to access Rose Canyon Lake. A trail travels around both sides of the lake; however, a fence prohibits crossing the dam. A small 0.2-mile barrier-free trail extends from the barrier-free parking lot near Rose Canyon Lake. One regulatory information kiosk, a fishing site, and six animal proof trash cans (four double; two single) are distributed along the trail and in the parking area. The permit holder assumes responsibility for cleaning the lakeshore trail, removing graffiti, and trash disposal.

**No boating or swimming is permitted in the lake** (see Applicable Forest Orders).

*Limited opportunities exist for nearby organizational camps to canoe or kayak on Rose Canyon Lake, Monday - Thursday (no weekends, holiday use, or fee free day use is authorized). Days are reserved in advance by the camps and approved by the Forest Service.*

Rose Canyon Lake is a small 6-acre impoundment and is stocked with fish throughout the spring, summer and fall by Arizona Game and Fish Department (AGFD), under a special use permit.

### ***Amphitheater***

Located at the west edge of the day use parking lot is the 150-person capacity amphitheater with electricity. The amphitheater was originally designed for use as a Forest Service interpretive facility. This facility is used for weddings or group gatherings. Daily reservation period of use will be permitted from 0600 hours to 2000 hours. The permit holder assumes responsibility for setting up, taking down, and cleaning the amphitheater when used. This location would be suitable for expanded music, educational, or organized group programming.

### ***Group Sites***

Lizard Rock is an established group ramada picnic site located close to the entrance of Rose Canyon. The group site contains two, dual-riser vault toilets, two surfaced parking lots, and a small, paved walkway providing minimal barrier-free access to the site. Other facilities include picnic tables, accessible tables, five bear-proof food storage boxes, barbecue grills, and one group fire ring. This ramada will continue to be offered by the permit holder as a Group Day Use Area under Recreation.gov and be managed by the permit holder. Daily period of use will be 0600 hours to 2200 hours.

Another group ramada picnic area, Bobcat, is located just prior to the Rose Canyon Lake day use parking lot. This ramada is currently not reservable. It serves up to 50 people, contains picnic tables, barbecue grills, and parking. There is no on-site restroom facility, however, persons using this ramada use the vault toilets located in the lake day use parking lot. This site provides barrier-free access.

### ***Campground Store***

The Campground Store is located next to the Lake parking lot and is open Thursday - Sunday, 1000 to 1700, Memorial Day through Labor Day. After Labor Day through October, the Store is open Saturday and Sunday, 1000 to 1600. The store carries fishing supplies including poles and licenses, camping supplies, and a sundry of grocery items including ice cream and ice. If the store is closed, visitors can still purchase ice and firewood through the camp host.

### ***Trash***

There are 12 large bins located throughout the campground for garbage collection and disposal. There are also suitable locations for roll off dumpsters to be identified by the operator that a local disposal company may service.

### ***Minimum Operating Season***

The minimum annual operating season is mid-April (beginning on the second Friday) to mid-October (closing after the second full weekend of the month).

When the campground itself is closed for the season, from November to March, the area is still open for woodland walks, wildlife watching, and fishing. Please remember, however, that in the off-season the gates will be closed and locked, so no garbage service is provided and no water is available unless a modification of the minimum season is proposed by the permittee and approved by the Forest.

## **Additional Details**

There are several potential areas for providing expanded overnight facilities including glamping, yurts or other structures. The Red Tail, Rose Peak, and Black Bear Flat areas have all been identified as suitable but others may be proposed during prospectus response.

The Forest Service is currently analyzing Phase 2 of the Santa Catalina Trail Plan, which includes three projects relevant for Rose Canyon Lake:

- Rose Canyon Connector – construction of a 0.7 mile Class 3 pedestrian-only trail that parallels a portion of the Rose Canyon access road parking area to the primary day use lake parking. This project is within the permit area.
- Tucson Vista trail – construction of a 6.75 mile Class 3 trail that begins at the top of the Rose Canyon access road and roughly parallels the Catalina Highway outside of the wilderness boundary. This project is outside the permit area.
- Rose Canyon Parking Expansion – expansion of the available parking at the intersection of Rose Canyon Campground Rd NFSR 9 and the Catalina Highway by expanding the existing paved parking area on the shoulder of the road. This project is outside the permit area.

More information is available here: <https://www.fs.usda.gov/r03/coronado/projects/67197>.

## **Showers Point Group Site**

### **Location Description**

Showers Point is a group site campground that is nestled in the cool shade of tall ponderosas. An overlook of Palisade Canyon located at the campground's edge makes this forested area a popular place for groups to spend a weekend or an afternoon. For a closer look at the Santa Catalina backcountry, the Palisades Trail departs from a nearby trailhead and drops down the southwestern slopes of the mountain range to the popular Sabino Canyon Recreation Area.

### **Site Characteristics and Amenities**

Showers Point Group Site contains three ramadas, each having a fireplace, barbecue grills, picnic tables, and limited parking availability. The three group campsites at Showers Point are well spread out over this spacious location and include large, leveled tent pads and picnic shelters. Each site is tent-only for up to 25 guests.

### **Host Sites**

One host unit is available with room for a trailer or RV and has electric and water hookups.

### **Water / Wastewater Systems**

Potable water is provided to site through the water tank located above Ramada #3. There is one vault toilet with four risers in the center of the campground that services all three group sites.

### **Trash**

There are four double-bear proof garbage bins adjacent to the toilet facility.

## **Minimum Operating Season**

The minimum annual operating season is mid-April (beginning on the second Friday) to mid-October (closing after the second full weekend of the month).

## **Spencer Canyon Campground**

### **Location Description**

This mountain campground is located at the head of a shallow, forested canyon a short distance off the Catalina Highway. Spencer Canyon faces the city of Tucson and the Santa Cruz Valley, both of which are visible as a distant panorama through openings in the forest canopy.

### **Site Characteristics and Amenities**

The Spencer Canyon Campground contains three campground loops: Ponderosa, Spencer and Turkey Track. A fourth campground area is located along the main campground road and is called East Fork. There are a total of 60 single family camping units and two group units for up to 15 people. Camping units contain parking spurs, picnic tables, bear box for food storage, fire rings and/or pedestal barbecue grills.

### **Host Sites**

There is one host site at the campground with electricity and a vault septic system.

### **Water / Wastewater Systems**

Potable water is provided to Ponderosa Loop and East Fork from a water tank located in the Ponderosa Loop. A second water tank located in the Spencer Loop serves both Spencer and Turkey Track loops. There are six vault toilets

### **Trash**

There is one large dumpster located throughout the campground for garbage collection and disposal, 3 garbage pads and 5 garbage bins.

## **Minimum Operating Season**

The minimum annual operating season is mid-April (beginning on the second Friday) to mid-October (closing after the second full weekend of the month).

### **Additional Details**

Currently there are no reservations. The Forest may entertain a portion of the sites be reservable in the future, but the operator must allow for some to be available for first come first served. Among the available loops, Turkey Track is the recommended loop for a reservation system at minimum based on its distance from the highway.

The proposed Tucson Vista Trail alignment also travels through this campground. The East Fork camping area may be considered for conversion into a day use and trailhead upon completion of the trail, generally anticipated in 2028. If this site is converted, a day use fee would be charged.

Existing campsites in the Ponderosa Loop, and potentially Spencer Loop as well, could be suitable for expanded overnight offerings including glamping or yurts.

## **Whitetail Campground**

### **Location Description**

Whitetail Campground is located in the Catalina Mountains of southeastern Arizona, 5 miles south of the town of Summerhaven and the top of Mt. Lemmon. Whitetail Campground sits high on the slopes of the Santa Catalina Mountains at an elevation of 8,000 feet. Because of its elevation, it can be much cooler than the lower-elevation campgrounds in the area. The campsites are spacious and spread out among stands of big ponderosa pines.

### **Site Characteristics and Amenities**

The Whitetail Campground is a group campground with five sites and is available by reservation only. All five group areas have picnic shelters that can accommodate between 40 to 90 people each and come equipped with drinking water, electricity (small appliances only), trash collection and vault toilets.

### **Host Sites**

There is one host site at the campground. This is the largest camp host site in the complex. It has traditionally been utilized by the concessionaire manager and has some space for seasonal storage. It also includes access to electricity and a concrete vault.

### **Water / Wastewater Systems**

Potable water is provided to Whitetail Group site from a water tank compound located near the entrance. There are 5 vault toilets each with two risers. There are no flush or septic systems at this location.

### **Trash**

There are 12 bear-proof double trash receptacles, and two additional garbage bins located throughout the campground for garbage collection and disposal. These are the responsibility of the concession operator.

### **Minimum Operating Season**

The minimum annual operating season is mid-April (beginning on the second Friday) to mid-October (closing after the second full weekend of the month).

### **Additional Details**

Existing campsites including sites 1,2 and 3 could be suitable for expanded overnight offerings including glamping or yurts. Some expansion of existing tent pads or other site modifications would be considered by the Forest Service to provide this opportunity.

The proposed Tucson Vista Trail alignment also travels through this campground.

**Table 1. Site Fees**

| Site Name                                                                   | 2022 Fees                                     | 2023 Fees                                      | 2024 & 2025 Fees                               | Three-year Average Gross Revenue |
|-----------------------------------------------------------------------------|-----------------------------------------------|------------------------------------------------|------------------------------------------------|----------------------------------|

| Amphitheater<br>Campground<br>Group Ramada #1<br>Lake Parking (per vehicle) | \$90-\$145<br>\$26-\$42<br>\$95-\$150<br>\$10 | \$97-\$157<br>\$28-\$46<br>\$103-\$162<br>\$11 | \$97-\$157<br>\$28-\$46<br>\$103-\$162<br>\$11 |                                  |
| <b>Showers Point Group Site</b>                                             | \$95                                          | \$103                                          | \$103                                          | \$19,617                         |
| <b>Spencer Canyon Campground</b>                                            | \$26-\$41                                     | \$28-\$44                                      | \$28-\$44                                      | \$68,668                         |
| <b>Whitetail Campground</b>                                                 | \$125-\$165                                   | \$135-\$178                                    | \$135-\$178                                    | \$57,662                         |

# Water System

The permit holder is required to operate and maintain the water systems that serve the recreation facilities included in the permit in compliance with applicable federal, state, and local public health and safety requirements. The Forest Service will provide orientation during the initial year to help the permit holder become familiar with these water systems. The Forest Service certified water manager will maintain the source system.

Water for all sites included in this offering is provided by the USFS-owned Loma Linda Water System. The system has been in place for many years, and provides water to administrative sites, high elevation campgrounds, Summerhaven and organizational camps. The system is fed by Upper Sabino Creek, and the water use is comprised of in-stream flow, Summerhaven use, and forest use (recreation/administrative). Due to ongoing drought and associated reduced spring run-off, water availability can be limited, especially during summer months when demand is the highest. Water on Mt. Lemmon will be considered by the permit holder to be a limited resource.

The water system on Mt. Lemmon is not an all-weather system and is susceptible to sub-freezing temperatures. Potable water will be provided to the permit administrative areas approximately mid-April through mid-October. Dates outside of the normal operating season must be negotiated with the permit administrator. If concessionaire requires water service for hosts before mid-April, notice should be given to permit administrator two weeks prior to hosts arrival. An additional fee will be assessed to the permit holder for neglect, willful or wrongful use of water. This includes the accidental dumping of gallons of water through leaky pipes, lines, etc.

Fee to be assessed to permit holder will be \$0.10 per gallon (this fee may be reevaluated in the future).

## Forest Service Responsibilities

- Forest Service will provide complete maintenance of the source system (Loma Linda), including start-up and shutdown.

## Permit Holder Responsibilities:

- Responsible for maintaining public water systems within the administrative areas of the permit, from the meter leading into the site (see AOP section 4, 5, and 21a).
- Will monitor and record water use at each recreation facility water meter on a weekly basis and provide to the Forest. Abnormal use or meter indicated leaks must be reported to the permit administrator within 24 hours.
- Will maintain a file on all maintenance performed which will be provided to the Forest Service or Water System Manager monthly, and/or upon request.
- Any loss of water or breakage from the water tank meter into the recreation sites will be the responsibility of the permit holder.
  - Forest Service water system operator may help with locating the leak and providing options for repair.
- Approved frost-free hydrants will be used at all hydrant locations to reduce the possibility of breakage and subsequent water leaks.
- Permit holder will diligently and constantly monitor public use of water to ensure that it is utilized for drinking water only, for example, “Drinking Use Only” signs at all hydrants and/or potable water sources.
- In the event there is a disruption in the water service, the permit holder will notify Rec.gov and Forest Service water system manager as soon as possible, as well as place signs at the entrance to the site where the water system is closed.

- In the event there is a disruption in water service, the appropriate protocols for repair, chlorine shocking, and flushing of the system will be completed (see Repairing and Disinfecting Water Lines below).

## Repairing and Disinfecting Water Lines

In the event a water line breaks, the following procedures must be followed for repairing and disinfecting the line:

### Proper procedure for repairing leaks:

1. Isolate the break by shutting all valves necessary to stop the flow of water.
2. If the excavation is going to be over 5 feet deep, make sure that the proper shoring equipment is available or that the trench is adequately sloped according to OSHA guidelines. The area around the leak should be large enough to work comfortably, usually one foot on either side of the pipe. A sump hole is dug at one end of the trench to allow the water to flow away from the leak and be pumped or dipped out.
3. The type of repair clamp or coupling is selected once the line has been uncovered. The replacement part should be of equal or superior quality.
4. Refill the line by carefully cracking the shut off valve and opening any nearby hydrant to vent out air as it fills. Do not fill the line quickly or water hammer could occur when the water finally fills the pipe.
5. Backfilling the excavation should be done by hand at first preferably with sand or gravel. This should be tamped carefully to avoid damaging the clamps and couplings. Prior to putting the line back in service, it should be disinfected and have an **Investigative** BAC-T sample taken.
6. Notify Forest Service of repair and sample results.

### Proper procedure for disinfecting a water line after fixing a water leak:

1. Flush the line.
2. Disinfect the line. Enough chlorine should be added to create a dosage of 50mg/L with a residual of 5mg/L after 24 hours. In some instances, a higher chlorine dosage can be used, and the contact time can then be reduced. If the dosage is 200 mg/L the contact time is only 2 hours.
3. After the appropriate contact time has been achieved, flush the line again.
4. After the line is flushed and the free chlorine residual is below 2.0mg/l, collect an **Investigative** BAC-T sample from the line. If satisfactory “safe” results come back, the line is ready to be put into service.
5. Notify Forest Service of repair and sample results.

### Records for Repairs

1. Maintain a log for all repairs made with type of repair, location, date, and procedures followed.
2. Log of disinfection process used and type of disinfectant with date, time, and location.
3. Notify Forest Service if shutdown is required for more than 24 hours.
