**PAST PERFORMANCE QUESTIONNAIRE REQUEST LETTER****FROM:**

Donteana Gibbs  
Network Contracting Office 6-RPO EAST  
100 Emancipation Drive, Bldg 27  
Hampton, VA 23667

SUBJECT: Request for Past/Present Performance Information

1. You have been identified as a point of contact for a past and/or present performance evaluation of \_\_\_\_\_. This firm is currently being considered for a contract at the Central Virginia VA Healthcare System located in Richmond, VA.
2. Your prompt attention to this survey will be greatly appreciated. Please be sure to e-mail the completed questionnaire directly to Donteana Gibbs at [donteana.gibbs@va.gov](mailto:donteana.gibbs@va.gov) and Aaron Holmes at [aaron.holmes@va.gov](mailto:aaron.holmes@va.gov) no later than the proposal due date.

Questionnaires shall not be sent back to the Contractor. If you have any questions or concerns regarding this request, please contact Donteana Gibbs by email at [donteana.gibbs@va.gov](mailto:donteana.gibbs@va.gov).

**Past Performance Questionnaire**

**SECTION A.1:** Contractor and Project Information (to be completed by the contractor (offeror) prior to sending to references.

A. Contractor’s name and address:

B. Project Owner -POC:

C. Phone:

D. Email Address:

D. Contract Number:

E. Project Title/Desc of Work:

F. Contract Type:

G. Project Award Date:

Scheduled Completion Date:

Current/Final Completion Date:

H. Project Award Amount:

Current/Final Project Amount:

I. Contractor being evaluated performed as the:

Prime Contractor

Subcontractor

Supplier

**A.2: EVALUATED BY: (to be completed by Project Owner)**

(Signature)

|                           |                                                                                                                                                                                                                                                                                                              |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>A = Exceptional</b>    | Performance meets or met contractual requirements and exceeds or exceeded many of your company's expectations. The contractual performance reflects or reflected few minor problems and corrective actions taken by the contractor appear to be highly effective or corrective actions taken were effective. |
| <b>B = Very Good</b>      | Performance meets or met contractual requirements and exceeds or exceeded some of your company's expectations. The contractual performance reflects or reflected some minor problems and corrective actions being taken by the contractor appear to be effective or corrective actions taken were effective. |
| <b>C = Satisfactory</b>   | Performance meets or met contractual requirements. The contractual performance reflects or reflected some minor problems. Corrective actions being taken by the contractor appear to be effective or corrective actions taken were effective.                                                                |
| <b>D = Marginal</b>       | Performance does or did not meet some contractual requirements. The contractual performance reflects or reflected serious problems(s) for which the contractor has not yet identified acceptable corrective actions or did not provide acceptable corrective actions.                                        |
| <b>E = Unsatisfactory</b> | Performance does or did not meet most contractual requirements and recovery is not likely or did not occur. The contractual performance contains or contained serious problem (s) for which the contractor's corrective actions appear ineffective or were ineffective.                                      |
| <b>NA = N/A</b>           | Not applicable or rater has not observed performance in this area.                                                                                                                                                                                                                                           |

### **EVALUATION AREAS**

| <b>I. Quality</b>             |                                                                                                                                                                                                                                      | <b>A</b>                 | <b>B</b>                 | <b>C</b>                 | <b>D</b>                 | <b>E</b>                 | <b>NA</b>                |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| 1.                            | Contractor provided effective quality control and inspection procedures that resulted in a quality-finished project.                                                                                                                 | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 2.                            | Contractor developed and submitted realistic progress schedules.                                                                                                                                                                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 3.                            | Contractor provided well researched and clearly identified submittals that matched contract requirements.                                                                                                                            | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 4.                            | Contractor completed all work with good workmanship and in conformance with the specifications, resulting in minor, if any, punchlist items.                                                                                         | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 5.                            | Contractor thoroughly reviewed drawings and specifications for accuracy, completeness, and compliance with contract requirements.                                                                                                    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| <b>II. Timely Performance</b> |                                                                                                                                                                                                                                      | <b>A</b>                 | <b>B</b>                 | <b>C</b>                 | <b>D</b>                 | <b>E</b>                 | <b>NA</b>                |
| 1.                            | Contractor met established project schedules to complete the project on time.                                                                                                                                                        | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 2.                            | Contractor performed all work without the issuance of a cure notice or show cause letter. (If a notice was issued, please describe the circumstances on a separate sheet of paper and identify if liquidated damages were assessed.) | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 3.                            | Contractor provided timely cost/design proposals.                                                                                                                                                                                    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

|    |                                                                                                                                                                    |                          |                          |                          |                          |                          |                          |
|----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| 4. | Contractor submitted the progress schedule and interim progress reports as required in a timely manner and the schedule was approved prior to actual construction. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 5. | Contractor provided submittals on time as required.                                                                                                                | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 6. | Contractor provided payrolls for both their firm and their subcontractor's employees as required and scheduled                                                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 7. | Contractor provided timely resolution of all punchlist items.                                                                                                      | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

| III. Management Effectiveness        |                                                                                                                                                             | A                        | B                        | C                        | D                        | E                        | NA                       |
|--------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| 1.                                   | Contractor provided experienced qualified managers and supervisors with the technical and administrative abilities needed to meet contract requirements.    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 2.                                   | Contractor hired quality subcontractors and effectively managed and coordinated their work.                                                                 | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 3.                                   | Contractor hired, maintained, and replaces as necessary, qualified personnel and subcontractors/suppliers.                                                  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 4.                                   | Contractor ensured the site manager had sufficient authority to make decisions and take actions during project performance to keep the project on schedule. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 5.                                   | Contractor provided timely and satisfactory response to warranty issues after project completion.                                                           | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 6.                                   | Contractor paid employees/subcontractors/suppliers as required.                                                                                             | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 7.                                   | Contractor cooperated to resolve problems, attended meetings and maintained communication to assure satisfactory resolution.                                | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| IV. Compliance with Safety Standards |                                                                                                                                                             | A                        | B                        | C                        | D                        | E                        | NA                       |
| 1.                                   | Adequacy of Safety Plan                                                                                                                                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 2.                                   | Implementation of Safety Plan                                                                                                                               | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| V. Overall Performance               |                                                                                                                                                             | A                        | B                        | C                        | D                        | E                        | NA                       |
| 1.                                   | Please rate the contractor's overall performance                                                                                                            | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

**Additional Information:**

(1) Identify the contractor's overall strengths and weaknesses.

---

---

---

---

(2) Given the choice, would you award to this contractor again?

---

---

---

---

(3) Are you aware of any other contracted efforts performed by this contractor similar in nature to this contract? Please identify contract/program and point of contact.

---

---

---

---

(4) Is there anyone else we should send this questionnaire to? Please identify by name, organization, and phone number.

---

---
