Unit prices will ONLY be adjusted for the Service Contract Labor Standards wage increases in accordance with FAR Clauses 52.222-43, Fair Labor Standards Act. The contractor warrants, by submission of his proposal, that the price does not include any contingency for future Service Contract Act related wage increases.

B.7 Bid Guarantee/Bonding Requirements: NOT REQUIRED for this procurement.

B.8 Contract Term: This contract contains provisions for a Base Period with five (5) Option Periods, not to exceed a total of sixty (66) months. For purposes of evaluating offers for award, the Government will utilize the pricing submitted for the base year and all option periods. Refer to Section M, FAR 52.217-5, Evaluation of Options (JUL 1990).

B.11 Contract Line Items and Contract Exhibit Line Items

a. Proposers shall enter unit prices and amounts for Contract Line Items (CLINs) and Contract Exhibit line items (ELINs) as indicated in the schedules and accompanying exhibits.

b. In the event there is a difference between a unit price and the extended total amount, the unit price will be held to be the intended bid and the total of the CLIN, the ELIN will be recomputed accordingly. The CLIN will also be recomputed to take into account the change in the contract ELINs. If the offeror provides a total amount for an ELIN, but fails to enter the unit price, the total amount divided by the ELIN quantity will be held to be the intended unit price.

c. The Schedule of Recurring Work (CLIN 0001, 0003, 0005, 0007, 0009 and 0011) and the Schedule of Non-Recurring Work (CLIN 0002, 0004, 0006, 0008, 0010 and 0012) will be used as the basis for deductions in accordance with FAR Clause 52.246-4, Inspection of Services - Fixed Price, Section E.

The overall maximum dollar value/overall maximum not-to-exceed (NTE) amount of the contract is the total dollar value of the recurring services and

non-recurring services for all CLINS for the base period and all option periods. Once the estimated quantities for individual line items shown in the Schedule have been ordered, additional quantities may be ordered as long as the overall NTE amount of the contract is not exceeded and the Contractor agrees by signing the task order. The overall NTE amount shall not be exceeded except as may be provided by formal modification to the contract.

B.13 Unit Prices For Labor

- a. A portion of the work included in the scope of this contract cannot be identified in advance in sufficient detail to be as a Unit Price Task in this contract. Labor for this work will be ordered and paid for based on unit prices for labor proposed by the Contractor listed in the Schedule of Non-Recurring Quantity Work. This contract includes the requirement for a Service Contract Act composite rate.
- b. Estimated hours in the Schedule of Non-Recurring Quantity Work are a forecast of future requirements. These estimated hours are for performing "Non-Recurring Quantity Work" accomplished in the time period shown.
- c. The Contractor shall enter, in the above described unit price proposal spaces, the unit price for performing composite labor, respectively. The composite labor prices shall include all direct and indirect costs associated with performing an hour of work under that ELIN. The composite labor price should be the Contractor's hourly craft wage adjusted to allow for the offerors work force productivity (i.e., the Contractor's estimate of how its' work force will perform in relation to the Means Facilities Cost Data and/or the Engineered Performance Standards). The Composite Labor Rate shall include all costs for preparation of the cost proposal, job preparation, travel, pre- expended bin materials and supplies, ordering and stockpiling job material, additional material handling, items of equipment necessary to perform work (I.e. bucket truck, lifting equipment, staging, etc.), profit, tools, equipment, field and home office overhead, clerical support, supervision, inspection, fees, taxes, licenses, bonds, permits, insurance, etc.

This procurement allows for the use of FEDMALL for issuing non-recurring work orders. Refer to Section H, Special Contract Requirement.
