Subject: Amatrol Sole Source Letter

Dear Ashley,

This is to advise your organization that Technical Laboratory Systems, Inc. at 1113 Avenue B, Katy, Texas 77493, is the authorized distributor for Amatrol products to Sheppard AFB.

Amatrol is the only manufacturer that can produce and supply the following product(s) quoted by *Technical Laboratory Systems*: 950-SH1 Steam Systems 1 Learning System and 41215 Hand Tool Package - Steam.

All Amatrol learning systems include student curriculum and instructor's guides, which can be used in either a self-paced or lecture-lab environment. All Amatrol curricula use the same format, including learning objectives and industry skills. The instructor's curriculum includes all testing, authentic (skills) assessment resources, and rubrics for consistent student assessment. Only Amatrol-branded curriculum can guarantee full compatibility of hands-on skills and objectives with Amatrol learning systems.

If you need further information, please contact me at 800-264-8285.

Sincerely,

Mark Goodman
Vice President of Commercial Sales
