DESCRIPTION

INTRODUCTION:

The Department of Veterans Affairs (VA), Program Contracting Activity Central (PCAC) anticipates soliciting proposals and subsequently awarding a single, Firm-Fixed-Price contract for the **Design-Build Plumbing Infrastructure Repairs Ext Site Incoming project located at the Carl T. Hayden VA Medical Center** located at **650 E. Indian School Road in Phoenix, AZ 85012**.

PROJECT DESCRIPTION:

This project is to replace the entire existing facility water piping due to failures and is deterioration. The project, at minimum, will consist of utilizing two (2) of the city water line tie-ins and running piping with shut-off valves in a proper valve box (sized appropriately to support current and future expansion of the VAMC) to a central location specified by the Phoenix VAMC where a small structure shall be built to house the VA Required Water Treatment Equipment for Domestic Water with proper ventilation and temperature control in order to maintain the equipment. Disconnect the water line from the parking garage to the loop so that the water line is only for the parking garage. After the treatment, pipes shall be installed with shutoff valves to buildings throughout the campus within housings and to tie-in to all VAMC structures (approximately 8 tie-ins). Shutoff valves shall be placed at locations to be determined and would be utilized in an emergency.

ADMINISTRATIVE:

The solicitation will be issued as a Request for Fee Proposal (RFP) conducted in accordance with FAR Part 36.101-2 Two-Phase Design-Build Selection Procedures and will be evaluated in accordance with the procedures listed in the solicitation. The solicitation will be advertised as a total Service-Disabled Veteran-Owned Small Business (SDVOSB) Set-Aside. Offers received from other than SDVOSB concerns will not be considered. The applicable NAICS code is **237110** with a size standard of \$45.0 million. The solicitation will be issued in April/May 2026. The period of performance is approximately **455 calendar days from the issuance of the Notice to Proceed**. The Magnitude of Construction is expected to be between **\$2,000,000 and \$5,000,000**. This notice is not a request for competitive offers. All questions must be submitted in writing to the issuing office via email to both Kathryn Allison (Contract Specialist) at Kathryn.Allison@va.gov and Jessica Hicks (Contracting Officer) at Jessica.Hicks1@va.gov. Telephone calls will not be accepted.
