MEMORANDUM FOR TEAM ROBINS

FROM 78 ABW/IP

SUBJECT: CUI Multi-Step Destruction Approval MFR

1. 78 ABW/IP conducted a procedural/technical review of Sentry Data Management LLC and GA Pacific's CUI destruction procedures to verify the physical safeguarding measures for all stages of the destruction process(es), as applicable: collection locations, pick-up, transit to storage locations, interim/transit storage locations, transportation to interim/final shredding process, recycling, and/or destruction sites, and storage at such sites while awaiting shredding, recycling, or destruction. Sentry Data Management LLC and GA Pacific's safeguarding and destruction process are technically sufficient and compliant with CUI Notice 2019-03: Destroying Controlled Unclassified Information (CUI) in paper form.

2. This document does not authorize sole source procurement from the company referenced herein. All units must coordinate, collaborate, and adhere to established contracting procedures when procuring services from this company.

3. If you have any questions, please call Team Robins (78 ABW/IP) Point of contact Roy Chavez, [roy.chavez.2@us.af.mil](mailto:roy.chavez.2@us.af.mil) or at DSN: 468-3079.
