Title: Replace Conduit and Wiring, Building 370

REPLACE CONDUIT AND WIRING
BLDG 370, DAM NECK ANNEX
VIRGINIA BEACH, VA

Solicitation No.: N40085-25-R-0044
Work Order No.: 1852214

Location of the work: Dam Neck Annex, Virginia Beach, Virginia

Description of the work: The project site is located at Dam Neck, Building 372. The Contractor shall utilize directional boring to restore power to (QTY 16) street lights; provide and install appropriate gauge wire from all inoperable streetlights (QTY 16) to electrical panel utilizing directional boring (Approximately 2000 LF); demolish all light poles that have deteriorated and otherwise unusable (QTY 16); provide and install new light poles; make all necessary wire connections for proper operation of connected components; re-energize all electrical power and test lights for proper operation..

Estimated Budget Amount or Price Range: In accordance with FAR 36.204 Disclosure of the Magnitude of Construction Projects, the estimated price range for this project is between \$250,000 and \$500,000.

NAICS Code: 236220 - Commercial and Institutional Building Construction

Time for completion: Contract completion date is 120 calendar days. The days are calculated from date of task order award, which includes the initial 15 days allowed for distribution of the task order award, submission and approval of insurance, bonding and other requirements set forth in the task order/MACC. Task order award is considered notice to proceed.

*****Offerors must consider the total time to complete the project which includes, but not limited to, lead times of supplies, materials, and equipment. If the construction contract duration in the RFP is not feasible, offerors must submit a pre-proposal inquiry (PPI) by the PPI deadline with a proposed construction contract duration and explanation why additional time is needed.*****

Wage Rate Requirements: Department of Labor (DoL) General Decision Number: VA20250167 (Attachment B) applies to this work. Should this wage determination be modified by DoL prior to award, the most current wage determination will be incorporated in the award.

Liquidated damages: In accordance with FAR 52.211-12 Liquidated Damages, if the Contractor fails to complete the work within the time specified in the contract, the Contractor shall pay liquidated damages to the Government in the amount of \$297.39 for each calendar day of delay until the work is completed or accepted.

Utilities: In accordance with FAR 52.236-14 Availability and Use of Utility Services - The Government shall make all reasonably required amounts of utilities available to the Contractor from existing outlets and supplies, as specified in the contract. Unless otherwise provided in the contract, the amount of each utility service consumed shall be charged to or paid for by the Contractor at prevailing rates charged to the Government or, where the utility is produced by the Government, at reasonable rates determined by the Contracting Officer. The Contractor shall carefully conserve any utilities furnished without charge.

Record Shop Drawings: In accordance with FAR 52.236.21, Specifications and Drawings for Construction Alternate I (Apr 1984) record shop drawings are required and reproducible copies of these record drawings are required.

Government Furnished Property: There is no Government Furnished Property.

The Proposed Task Order will be awarded to the responsible offeror which offers the LOWEST PRICE to the Government. The Government shall evaluate each offeror on the following criteria:

PRICE

A. Price Submission:

(1) Solicitation Submittal Requirements: Offeror shall submit the following:

- Cover page that includes:
 - Solicitation Number
 - Solicitation Title

- Prime Contractor Name
- Prime Contractor Address
- Phone Number
- Fax Number
- Cage Code
- Employer Identification Number (EIN)
- Point of Contact
- Point of Contact Phone Number
- Point of Contact Email
- Price Proposal Form (Attachment G)
- Acknowledged Amendments (if applicable)
- Copy of Reps & Certs from SAM (sam.gov)
- Completed copy of Provision 52.204-24 (Attachment I)
- Bid Bond

B. Basis of Evaluation:

1. The Government will evaluate price based on the total price. Total price consists of the basic requirements. Analysis will be performed by one or more of the following techniques to ensure a fair and reasonable price:
 - a. Comparison of proposed prices received in response to the RFP.
 - b. Comparison of proposed prices with the Independent Government Cost Estimate (IGCE).
 - c. Comparison of Proposed prices with available historical information.
 - d. Comparison of market survey results.

EVALUATION

1. The Government reserves the right to eliminate from consideration for award any or all offers at any time prior to award of the contract and to award the contract to the offeror submitting the lowest price acceptable proposal.
2. The Government intends to evaluate proposals and award a contract without discussions with offerors (except clarifications as described in FAR 15.306(a)). The government reserves the right to conduct discussions if the Contracting Officer later determines them to be necessary. In addition, if the Contracting officer determines that the number of proposals that would otherwise be in the competitive range exceeds the number at which an efficient competition can be conducted, the Contracting Officer may limit the number of proposals in the competitive range.
3. From all proposals deemed eligible for award, the lowest price will be chosen.
