2. CONTRACT PRICING TYPE: Firm-Fixed-Price (FFP) IAW FAR 16.202-1 Description.

A firm-fixed-price contract provides for a price that is not subject to any adjustment on the basis of the contractor's cost experience in performing the contract. This contract type places upon the contractor maximum risk and full responsibility for all costs and resulting profit or loss. It provides maximum incentive for the contractor to control costs and perform effectively and imposes a minimum administrative burden upon the contracting parties.

Firm-Fixed Price terms does not allow for economic price adjustment after contract award.

3. MAXIMIZING SMALL BUSINESS OPPORTUNITIES.

a. General Policy, FAR Subpart 19.201, “(a) It is the policy of the Government to provide maximum practicable opportunities in its acquisitions to small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns. Such concerns must also have the maximum practicable opportunity to participate as subcontractors in the contracts awarded by any executive agency, consistent with efficient contract performance.” Based on the responses from the SSS, the Government intends to award a single Indefinite Delivery/ Indefinite Quantity (IDIQ), Firm-Fixed Price (FFP) contract type. The purpose of the SSS is to conduct market research to determine if such responsible sources exist. This market research is for planning purposes only to develop the best acquisition approach.

b. Class Deviation 2023-O0001 Verification of Eligibility of Small Business Joint Ventures

“A small business joint venture offeror must submit, with its offer, the representation required in paragraph (c) of FAR solicitation provision 52.212-3, Offeror Representations and Certifications-Commercial Products and

Commercial Services, and paragraph (c) of FAR solicitation provision 52.219-1, Small Business Program Representations, in accordance with 52.204-8(d) and 52.212-3(b) for the following categories:

- (A) Small business;
- (B) Service-disabled veteran-owned small business;
- (C) Women-owned small business (WOSB) under the WOSB Program;
- (D) Economically disadvantaged women-owned small business under the WOSB Program; or
- (E) Historically underutilized business zone small business.

These procedures implement the final rule for FAR case 2017-019, Policy on Joint Ventures, published on September 23, 2022, at 87 FR 58219, and effective on October 28, 2022, which added new representations to paragraph (c) of FAR solicitation provisions 52.212-3 and 52.219-1 for small business joint ventures for the socioeconomic categories listed above.”

c. Teaming Arrangements with Small Business. In your response, please provide any anticipated teaming arrangements through the DoD Pilot Mentor -Protégé Program (DFARS Appendix I and FAR 19.301-1). Any responses involving teaming arrangements must delineate between the work that will be accomplished by the prime small business/ protege and the teaming partner/ mentor and a plan of action to not default if the mentor dissolves the agreement. The response must demonstrate that the small business will perform at least 40% of the manufacturing/ the work. Please submit the response and a copy of the Mentor-Protégé agreement with the SAR package, if there is a teaming arrangement.

4. FULL & OPEN COMPETITION (F&OC) TO RESPONSIBLE QUALIFIED SOURCES. The acquisition is full & open competition to qualified sources. The Government owns the Technical Data Packages (TDPs) and has unlimited data rights to qualify new sources through the Source Approval Request (SAR) process. The TDPs and the Source Qualification Statement for Spares (SQSS) is attached to this notice in effort to qualify as many additional sources as possible before the SSS closes to determine if there is adequate competition among 2+ qualified responsible small businesses to set-aside the acquisition to small businesses, preferably within the socioeconomic sectors. Please submit the SAR package as soon as possible in order to maximize your opportunity.

5. SAR PACKAGE REQUIREMENTS: The Government request interested parties to review the TDPs in their entirety prior to submitting a SAR package to verify that the firm can produce serviceable spare parts. In order to qualify, the contractor must meet the requirements in the Manufacture Qualification Requirements (MQR) in the SAR package. The SAR packages must include a copy of the AS9100 certificate and proof of compliance to the Cybersecurity Maturity Model Certification (CMMC) level II self-certification. If there are no teaming arrangements, the small business must demonstrate/ explain how they will perform more than 50% of the manufacturing by identifying and delineating the work being performed by the small business in the SAR package.

The local small business office at Hill AFB manages the SAR program. Please e-mail the SAR package to the point of contact, Tracey Beringer at tracey.beringer@us.af.mil or the org box AFSC.OL.SB@us.af.mil, and Cc the buying team, the Contracting Officer Leslie Evans at leslie.evans.1@us.af.mil and the Contract Specialist Brandon Moses at brandon.moses.1@us.af.mil.

6. DoD MANUFACTURERS SHALL BUILD AND TEST IAW THE CURRENT TDP AND AS9100. The DoD manufacturer shall build, test, and deliver serviceable quality spare military aircraft parts to the USAF by the required delivery times IAW the current TDP attached to this notice and higher level contract quality AS9100. To meet the requirement, the DoD manufacturer is fully responsible for reviewing the entire TDP thoroughly before bidding on the requirement and identifying any discrepancies in a reasonable time to resolve the discrepancy in-order to bid on-time. No Economic Price Adjustment (EPA) is authorized for this requirement. By bidding on the

requirement, the offeror certifies as a responsible DoD manufacturer that they are technical capable, have the financial resources, and a complete and current TDP to deliver serviceable assets No Later Than (NLT) the required delivery times in SECTION B. ****PLEASE NOTE:** Any deviations to the TDP shall be approved only by the Design Authority (USAF)**

7. TDP ACCESS: The Procurement Contracting Officer (PCO) is the point of contact for TDP access. The current and complete TDP is attached in SECTION J of the RFP and is export controlled. To access the TDP the party must download the TDP from SAM.gov. The TDP is attached to the solicitation notice and is available for 5 years from date of award. The solicitation number is listed in BOX 4 of page 1 of the RFP/IDIQ. Find the solicitation number in SAM.gov, go to the bottom of the notice to “Attachments/Links”, and select the request access button. If you are contractor please e-mail the PCO at leslie.evans.1@us.af.mil with the firm’s CAGE code so that the PCO can verify the firm has an active DD Form 2345, Military Critical Technical Data Agreement, and grant access to the export controlled TDP. The request must be for official business. The PCO is leslie.evans.1@us.af.mil for pre-award and for post-award, the assigned PCO.

8. ADDITIONAL REQUIREMENTS:

- a. Commercial: NO
- b. Critical Safety Item: NO
- c. GFP: NO
- d. Defense Priority and Allocation System (DPAS) for repairs and spare parts: “DO” has been assigned in order to meet the DoD’s required delivery time in the solicitation/ contract in support of the F-16 program at all levels in the supply chain. DO rated orders must be given preference over unrated orders per 15 CFR 700.

9. RESPONSES: Please respond by the posting closing date and time (**April 07, 2026, 3PM MST**) to the Contracting Officer Leslie Evans via e-mail at leslie.evans.1@us.af.mil and the Contract Specialist, Brandon Moses at brandon.moses.1@us.af.mil.
