DESCRIPTION

This is a SOURCES SOUGHT ANNOUNCEMENT ONLY

DESCRIPTION

The intent of this Sources Sought Announcement is to assist in our decision-making process for services procurement. This is not a solicitation, nor request for quotes or proposals. Through the receipt of responses, this will enable a more precise type of procurement process. The Government is not obligated to, nor will it pay for or reimburse any costs associated with responding to this sources sought synopsis request. This notice shall not be construed as a commitment by the Government to issue a solicitation or ultimately award of a contract, nor does it restrict the Government to a particular acquisition approach. Any inquiries are to be made in writing by email to the point of contact, Karen Cooper, Contract Specialist.

Responses to this notice shall be sent by email to karen.cooper332@va.gov by the due date and time of 04/03/2026 by 1:00 p.m. (Pacific Time). Upon receipt of capabilities statement, the Government may request additional information, including rough order of magnitude pricing, to support market research. ***Only capabilities statement that describe commercial plumbing installation and repair services will be accepted.***

GENERAL INTENTION AND REQUIREMENTS

1. This is a service contract to provide the ***on-call emergency and planned projects*** for Commercial Plumbing Installation and Repair Service at existing facility infrastructure at VA Pacific Islands Health Care System (VAPIHCS) located at Honolulu, HI 96819.
2. Work will be performed on an as-needed basis and may range from small plumbing repairs to larger multi-day repair or replacement projects. Work may include troubleshooting, repair, modification, replacement, and limited installation of plumbing systems and components within existing facilities.
3. Services may include, but are not limited to:
 - Domestic water system repair and replacement
 - Sanitary sewer repair and replacement
 - Plumbing fixture repair or replacement
 - Valve replacement
 - Pump repair or replacement
 - Leak detection and repair
 - Drain cleaning and repair
 - Troubleshooting of plumbing system failures
 - Emergency plumbing repair capability is required.
4. Contractors must be capable of responding to emergency service requests within two (2) hours of notification.
5. See attached Statement of Work (SOW) for more specifics.
6. The Government is considering awarding either a Firm-Fixed-Price (FFP) stand-alone contract or a single-award Firm-Fixed-Price Indefinite Delivery/Indefinite Quantity (IDIQ) contract. Industry feedback is requested regarding the most
