The service may only be completed by an authorized service provider for the Opera Phenix Plus System Microscope.

Independently and not as an agent of the Government, the Contractor shall furnish all the necessary services, qualified personnel, material, equipment, and facilities, not otherwise provided by the Government as needed to perform the Statement of Work below:

The Contractor shall provide:

1. Diagnostic Service and On-Site Field Service as needed by a Revvity certified technician qualified to perform maintenance on the NIA-CADRDR's Opera Phenix Plus System Microscope
2. Onsite preventative maintenance planned and scheduled at least once per period of performance. Such preventive maintenance shall be in accordance with the manufacturer's recommendations and shall be equal to maintenance provided to commercial customers for the same models. Service calls shall

- not replace the necessity for scheduled Annual Maintenance.
- 3. Telephone support and remote troubleshooting.
- 4. Software upgrades for Revvity owned licenses.
- 5. Equipment Repair and Replacement parts, as needed.
- 6. Emergency assessment and repair, as needed.
- 7. The Contractor shall schedule and perform onsite preventive maintenance from 8:00 am – 5:00 pm Monday through Friday, excluding Federal holidays.
- 8. The Contractor shall notify the COR in advance of making preventive maintenance inspections.

SPECIFIC REQUIREMENTS:

1. Preventive Maintenance: The Contractor shall provide:
 - a. preventive maintenance to the Microscope System once per year.
 - b. All visits shall include labor and travel with no additional cost to the government.
 - c. Assessment and evaluation of overall functionality of the scanner, and system re-calibration
 - d. Preventive Replacement of working parts as necessary, to prevent future failures
2. Repair services for all parts of the equipment, which includes the following:
 - a. The contractor must have either an adequate supply of parts in stock and readily available to the service technicians or be able to obtain any required part within 48 hours of the service technician assessment
 - b. The service technicians need to be OEM trained and qualified
 - c. All service is to be warranted for 6 months and any replacement part must have at least a 12-month warranty

Technical performance requirements include system coverage on the subject equipment by Original Equipment Manufacturer (OEM) factory-trained, authorized technicians and providers of any required parts and software or proprietary diagnostic software and software enhancements must be OEM certified (new or like-new) and compatible with the subject equipment.

Contractor shall be required to provide written documentation in achieving this statement of work during the period of performance. The original documentation shall be provided by the vendor to show they completed service.

Service shall include labor and parts coverage, extended coverage hours, on-site labor response, technical telephone response (call-back to schedule), and planned maintenance, diagnostics software license and service documentation, and preferred labor rate.

VI. CONTRACTING WITHOUT PROVIDING FOR FULL OR OPEN COMPETITION (INCLUDING BRAND-NAME) DETERMINATION

The determination by the Government to award a contract without providing for full and open competition is based upon the market research conducted. Specifically, Revvity Health Sciences Inc.. is the only vendor in the marketplace that can provide the services required by NIHLS. The equipment is proprietary to its manufacturer, Revvity Health Sciences Inc., and this company is the sole provider of maintenance

for this equipment.

In accordance with FAR part 10, extensive market research was conducted to reach this determination. Additionally, contacts with knowledgeable individuals both in industry and Government, as well as reviews of available product literature, revealed no other sources. Finally, a review of the GSA Advantage, Dynamic Small Business Search, and previous government acquisitions returned no results that meet all of the requirements. Therefore, only Revvity Health Sciences. is capable of meeting the needs of this requirement.

The intended source is:
Revvity Health Sciences, Inc.
