

PERFORMANCE WORK STATEMENT (PWS)
RELIGIOUS SUPPORT OFFICE (RSO) WATCH CARE SERVICES

PART 1

GENERAL INFORMATION

1. GENERAL: This is a non-personal services contract to provide Watch Care Services. The Government shall not exercise any supervision or control over the contract service providers performing the services herein. Such contract service providers shall be accountable solely to the Contractor who, in turn is responsible to the Government. This PWS defines the requirements and deliverables of the contractor that support the individual Free Exercise of Religion for military personnel, family members, and authorized personnel.

1.1. Description of Services/Introduction: The contractor shall provide a Watch Care Coordinator, who shall be responsible for the complete management, scheduling, and oversight. The contractor will also provide a team of qualified childcare providers to support the Religious Support Office (RSO) programs across Fort Hood, TX. The Contractor shall provide non-personal services necessary to perform Watch Care Services as defined in this Performance Work Statement, except for those items specified as government furnished property and services.

1.2. Background: The Fort Hood RSO provides robust religious programming for a large and diverse community of Soldiers and their families. A key component of this programming is the provision of reliable, safe, and high-quality watch care during religious services and events. The RSO requires a professional coordinator to manage the significant administrative and logistical burden of staffing these events across multiple locations and at various times.

1.3. Scope: The Contractor shall provide a Watch Care Coordinator to manage a flexible and scalable team of childcare providers. The coordinator will be the single point of contact for the RSO for all watch care staffing needs. The scope for the coordinator includes managing personnel for recurring weekly services, special religious events, and surge requirements as directed by the RSO. The services will support up to thirteen (13) chapel locations on the installation, please see section 1.6.6 for all chapel locations. The contractor should anticipate having a coordinator who is able to oversee staff who will perform services at approximately three to five (3-5) locations simultaneously during a typical recurring service period.

1.3.1. The Contractor shall provide a team of staff to manage. The scope for the team of staff. **More of this will be provided later.**

1.3.2 This contract does not create an employer-employee relationship between the Government and Contractor, as well as any corporation, partnership, business association, other party, or legal entity with which the Contractor may be associated. The Government assumes no responsibility for costs incurred for services performed by the contractor that are not included in this contract.

1.3.3. The Contractor shall only provide services for which no Unit Ministry Team (UMT) members (Chaplains and Religious Affairs Specialists), RSO Department of the Army (DA) Civilians, or volunteers are able to perform. Under no circumstances shall a Contractor provide direction to a Chaplain, Religious Affairs Specialist (RAS), general military member, a DA Civilian, or volunteer, nor shall he/she represent in an official capacity of the Federal Government, U.S. Army, or the local congregation that the contract supports.

1.3.4. It is the responsibility of the Contractor to guard against any actions that are of the nature of personal services, give the impression of personal services, or portray his/her position as that of an employee.

1.4. Period of Performance: The period of performance shall be for one (1) Base Year of 12 months from the date of award, and two (2) 12-month option years.

- Base Year: 01 APR 2026 – 31 MAR 2027
- Option Year I: 01 APR 2027 – 31 MAR 2028
- Option Year II: 01 APR 2028 – 31 MAR 2029

1.5. Quality Control: The Contractor shall develop and maintain a Quality Control Plan (QCP) to ensure the services are performed in accordance with this PWS. The contractor shall develop and implement procedures to identify, prevent, and ensure non-recurrence of defective services.

As a minimum, the QCP shall include procedures for verifying the qualifications and certifications of all managed childcare providers and a system for inspecting the quality of care provided during events.

1.5.1. The Contractor's Proposed QCP shall be submitted to the Contracting Officer (KO) through the Contracting Officer's Representative (COR) for review within ten (10) working days after date of contract award (Deliverable A.0001). After acceptance of the quality control plan the contractor shall receive the contracting officer's acceptance in writing of any proposed change to his QC system.

1.5.2. The Government will review and either notify the Contractor in writing of acceptance of the plan or return their comments to the Contractor within ten (10) workdays. If the Government has provided comments, the Contractor shall then have three (3) workdays to submit a Final QCP. After receipt of the Final QCP, the Contractor may receive the Contracting Officer's acceptance in writing.

1.5.3. Any proposed changes to the accepted QCP are required to be resubmitted for acceptance by the KO no later than 10 calendar days prior to the anticipated change and before implementation by the Contractor. The timeline noted above will apply for review and acceptance of proposed changes. At a minimum, the QCP must include and answer the following to be acceptable to the Government:

- A. A chart showing the organizational structure and lines of authority, the names, qualifications, duties, responsibilities, and classification of each member of the Contractor's Quality Control Team.
- B. How will the Contractor monitor work to ensure that performance complies with all deliverables (etc. timelines, deadlines, and goals)?
- C. How will the Contractor monitor work to ensure that performance complies with all specifications and requirements of the contract, including clauses?
- D. How will the Contractor monitor and ensure staff qualifications remain current and valid including DOCPER processes/approvals throughout contract performance?
- E. How will the Contractor ensure all keys issued will remain controlled items (Paragraph 1.6.10 Key Control)?
- F. How will the Contractor inventory and track maintenance of all Government Provided Equipment / Materials?
- G. How will the Contractor identify, investigate, and correct any non-conforming performance and prevent similar deficiencies in the future?
- H. How will the Contractor file and save all Quality Control related documents for the life of the contract plus 5 years?

1.6. Quality Assurance: The government shall evaluate the contractor's performance under this contract in accordance with the Quality Assurance Surveillance Plan (QASP).

These are typically combined with regular holiday leave schedules (for example, Christmas half days or days on day off schedules). Training holidays may affect access to military operated facilities. If scheduled work or access to facilities is required, coordination with occupants will be necessary or the work in the facilities affected shall be rescheduled after the training holiday. However, announced training holidays or exodus of military personnel may provide the Contractor with an opportunity for unrestricted access to facilities and areas. The Contractor shall take full advantage of such opportunities by planning maintenance or actions that are better accomplished when such areas are vacant.

1.6.3. Hours of Operation: The Government facility office hours, facility operating hours, and the Contractor support hour requirements often coincide, however, they may differ. Please refer to the following.

1.6.4. Government Facility Office Hours: The Government facility office hours are between 0830-1630 Monday thru Sunday except U.S. Holidays identified in paragraph above or when the Government facility is closed due to local or national emergencies, administrative closings, or similar Government directed facility closings.

1.6.5. Contractor Support Hours: This contract does not require a traditional Monday–Friday, 9:00 a.m. to 5:00 p.m. schedule. Workdays and hours will vary according to the approved Calendar of Events, CLIN specific tasks, and scheduled meetings. Many tasks will require evening, weekend, and holiday support.

The contractor should provide support for Fort Hood Religious Communities during the following core hours (at minimum):

- Tuesdays: 8:30 a.m. – 12:30 p.m.
- Thursdays: 4:30 p.m. – 8:30 p.m.
- Sundays: 8:30 a.m. – 3:30 p.m.
- Additional pre-scheduled times and days as required.

1.6.5.2. Post Closure: The facility may open or close during local or national emergencies, administrative closures, or other Government directed shutdowns. The contractor shall maintain an adequate workforce to ensure uninterrupted performance of all PWS tasks whenever the facility is open. Workforce stability and continuity are essential considerations when hiring personnel.

1.6.6. Place of Performance: The work to be performed under this contract will normally be performed at the Main Post Chapel, Main Post Chapel Annex, Comanche Chapel, and other chapel facilities where service is required.

<https://securityawareness.usalearning.gov/opsec/index.htm>

1.7.5. Physical Security: The contractor shall be responsible for safeguarding all government equipment, information and property provided for contractor use. At the close of each work period, government facilities, equipment, and materials shall be secured.

1.7.6. Key Control: The Contractor shall establish and implement methods of making sure all keys/key cards issued to the Contractor by the Government are not lost or misplaced and are not used by unauthorized persons. NOTE: All references for keys include key cards. No keys issued to the Contractor by the Government shall be duplicated. The Contractor shall develop procedures covering key control that shall be included in the Quality Control Plan. Such procedures shall include turn-in of any issued keys by personnel who no longer require access to locked areas. The Contractor shall immediately report any occurrences of lost or duplicate keys/key cards to the KO.

1.7.7. In the event keys, other than master keys, are lost or duplicated, the Contractor shall, upon direction of the KO, re-key or replace the affected lock or locks; however, the Government, at its option, may replace the affected lock or locks or perform re-keying.

1.7.8. The Contractor shall prohibit the use of Government issued keys/key cards by any person other than the Contractor. The Contractor shall prohibit the opening of locked areas by Contractor employees to permit entrance of person other than Contractor employees engaged in the performance of assigned work in those areas, or personnel authorized entrance by the KO.

1.7.9. Lock Combinations: The Contractor shall establish and implement methods of ensuring that all lock combinations are not revealed to unauthorized persons. The Contractor shall ensure that lock combinations are changed when personnel having access to the combinations no longer have a need to know such combinations. These procedures shall be included in the Contractor's Quality Control Plan.

1.8 Background Check & Investigation Requirements: The COR/Government POC shall: All Contractor personnel performing services under this contract are subject to background checks as a condition of employment.
