

Notice of Intent to Sole Source HT941026N0055

THIS IS A NOTICE OF INTENT TO AWARD A SOLE SOURCE SUPPLY CONTRACT AND IS NOT A REQUEST FOR COMPETITIVE QUOTES. The Defense Health Agency Contracting Activity (DHACA), Healthcare Contracting Division – West (HCD-W), intends to award a firm fixed price supply purchase order (PO) for additional LifePulse High-Frequency Jet Ventilator Model 204 for use at Neonatal Intensive Care Unit (NICU) at Naval Medical Center San Diego. The address is as follow: Naval Medical Center San Diego 34800 Bob Wilosn Dr. San Diego CA 92134 in accordance with the Federal Acquisition Regulation (FAR) 12.102-1, Simplified Procedures sole source acquisition FAR 12.102(b), restricting competition, only one source being available to meet the Government’s needs, to:

Bunnell Incorporated
330 Cutler Dr.
North Salt Lake, UT
84054-2955
UEI: P6N5XM5Y34W3
CAGE: 3T551

The North American Industry Classification System (NAICS) code for this requirement is 339112 – **SURGICAL AND MEDICAL INSTRUMENT MANUFACTURING**; the business size standard is 1,000 employees. The Product Service Code (PSC) is 6515 – **MEDICAL AND SURGICAL INSTRUMENTS, EQUIPMENT, AND SUPPLIES**.

The objective of this sole source award is to procure LifePulse High-Frequency Jet Ventilator Model 204 for use at Neonatal Intensive Care Unit (NICU) at Naval Medical Center San Diego. The NICU at NMCS D utilizes LifePulse High-Frequency Jet Ventilation (HFJV) and requires replacement units for High-Frequency Jet Ventilators has reached its end-of-life cycle and needs to be replaced for the safety and continued care of patients. This requirement includes all the necessary equipment and accessories needed to maintain operations and direct patient care at the NICU. Bunnell Incorporated is the Original Equipment Manufacturer (OEM) for subject requirement. Bunnell Incorporated will provide all required equipment and supplies. In addition, Bunnell Incorporated offers factory-based training for Biomedical Equipment Technician (BMET) and BMETs are trained on repairing and maintaining Bunnell Incorporated - LifePulse High-Frequency Jet Ventilators equipment. Naval Medical Center San Diego also has a five-year service contract in place to repair-maintenance of the Bunnell Ventilators and patient boxes. This aids the NICU for continuity of healthcare operations in the future with minimal interruptions when maintenance and repairs are necessary.
