PROVIDING INFORMATION IN RESPONSE TO THIS ANNOUNCEMENT OR
ANY FOLLOW UP INFORMATION REQUESTS.**

No telephone calls will be accepted requesting a bid package or solicitation. There is no bid package or solicitation currently available. In order to protect the integrity of any future procurement that may arise from this announcement, information regarding the technical point of contact will not be provided and no appointments for presentations will be made.

Notice Type: Pre-Solicitation Notice

Response Date: Wednesday, May 20, 2026, 11:00 a.m. Thailand Time

This notice serves to inform the public about an upcoming project at Wing 41, Royal Thai Air Force, Chiang Mai, Thailand. The Government anticipates issuing a solicitation around May-June 2026. Additionally, this notice seeks to gather names of contractors interested in attending the site visit for the Base Access Request BAR, which will be facilitated by the United States Government. Due to host nation security requirements, the only way to access the site visit is through the BAR submitted by the United States Government. Any requests for site access after the response date will not be considered.

Project Description: This is a Design Build project for the complete design and upgrade of AT-6 Storage building interior at Wing 41, Royal Thai Air Force, Chiang Mai, Thailand. The project includes, but is not limited to:

- Construction of exterior walls with corrosion resistant mesh over all wall openings to prevent bird entry
- Installation of roller shutter doors with electric motorized operation and manual override
- Construction of a temperature-controlled storage room, office room, male rest room, and female rest room
- Mechanical and electrical system upgrades including, heating, ventilation, and air conditioning systems
- Power distribution, lighting, and power outlets
- Fire protection equipment
- Communications cabling and connections
- Water supply and wastewater systems

Work will be performed in an active military installation requiring coordination with host nation stakeholders and adherence to applicable United States and host nation standards.

Project magnitude is between 100,000 United States Dollars and 250,000 United States Dollars in accordance with FAR 36.204.

A Pre Proposal Site Visit PPSV for this project is tentatively scheduled for May-June 2026. The site visit is intended to provide offerors with an opportunity to familiarize themselves with site conditions and is not for the purpose of answering questions.

Offerors interested in the project must complete the Base Access Request BAR and submit required information to attend the PPSV. Submissions shall be provided no later than Wednesday, May 20, 2026, at 11:00 a.m. Thailand Time. Any requests for access after this date will not be considered.

To: Ms. Kannikar Pakhunthot, Site Access Coordinator

Email: kannikar@state.gov

Cc: nitiwate.dissanont.ln@us.navy.mil and rondel.g.williams.civ@us.navy.mil

Note:

-Contractors may submit up to four names consisting of two primary and two alternate personnel. Only two participants per company will be authorized for the PPSV. Contractor's vehicle is not allowed to access the Wing 41 base. Wing 41 will provide a vehicle for contractors to access the base.

-This access process applies only to personnel submitted through the United States Government list. Contractors requesting access after the deadline will not be included but may attend if they independently obtain base access. Contractors are prohibited from conducting site inspections outside of the scheduled visit.
