

Request for Information
Royal Saudi Air Force (RSAF) F-15SA
Program Depot Maintenance (PDM)
AFLCMC/WAQKA
Robins AFB, GA

Purpose

The Program Depot Maintenance (PDM) Office (AFCMC/WAK) is issuing an RFI to host a virtual industry day via Teams for the Program Depot Maintenance (PDM) aircraft under sources sought FA8575_F15_PDM. The industry day will be Tuesday 26 May 2026.

RFI

1. The industry day will consist of 45-minute time slots, first come-first served for presentations, questions, etc.
2. Each presentation will be private amongst the United States Government (USG) and identified vendor.
3. Things to consider in presentation:

Show how you are going to do the following:

- Perform nondestructive inspections of assets both on and off the aircraft
- install assets that pass the inspections back onto the aircraft
- install Government Furnished Property (GFP)
- maintain GFP calibration dates and
- maintain GFP serviceability

Instructions

1. Please respond to this RFI to be provided with the link to sign up for a time slot no later than 4:00 PM Eastern Daylight Time (EDT) on 21 May 2026.
2. Respondents must reserve time slot no later than 4:00 PM Eastern Daylight Time (EDT) on 21 May 2026.
3. Please provide read ahead or presentations by 22 May 2026.
4. Responses should be submitted as follows:
 - a. Electronic responses: Submit responses to the following e-mail addresses:
 - i. PCO: leon.Castellano@us.af.mil
 - ii. Buyer: chantel.cummings@us.af.mil
 - iii. LM: jermiah.johson.65@us.af.mil
 - iv. Engineer: ryan.patterson.1@us.af.mil
