4. What is a Corporate “Account” Manager? Is this someone looking after the financial transactions with US Embassy Nepal?
Corporate Account Manager is the Primary Contact for coordinating for any issues, concerns or updates needed in the services. The word “Account” represents CUG Account of US Embassy Nepal and not related to any Financial Account Management.

Only if a software is being provided by the quoter.
C-SCRM must be filled and is mandatory for qualifying for further evaluation.

All such requests must come through COR in writing.
Any change affecting the contract scope and pricing must come from CO exclusively.

8. What does Point # 7 “Unlimited Credit Limit” of the PWS mean?

Unlimited Credit Limit only means that even if one of the services has been consumed (like data limit), other sim services (like incoming calls, outgoing within CUG) must not be disrupted. Sim Card must not be deactivated without written consent.

Any change affecting the contract scope and pricing must come from CO exclusively.

9. Will Sister Agencies mentioned in Point # 6 of the PWS be included in the same contract?

The Purchase Order contract will be different than the one awarded under this solicitation but they must be put under the same Closed User Group even if their contract and plans are different.
