** To remove a row, click the "X" next to the signature block. **CAUTION:** Once removed, it can only be restored by downloading the BLANK FORM again.

APPROVALS (RFO 6.104-2(a) Table 6-1 & R-DFARS 206.104-72 Table 206.1)

See [J&A Template Guidance](https://usaf.dps.mil/sites/AFCC/AQCP/KnowledgeCenter/SitePages/DAF-Contracting-Compass/Part-6---Competition-Requirements.aspx#exceptions-to-full-and-open-competition-mandatory) (<https://usaf.dps.mil/sites/AFCC/AQCP/KnowledgeCenter/SitePages/DAF-Contracting-Compass/Part-6---Competition-Requirements.aspx#exceptions-to-full-and-open-competition-mandatory>) - Justification Approvals tab

NOTE 1: A signature block will appear here (replacing these notes) based on the "Dollar Value of this Acquisition" selected above. Since most digital signatures that include date/time-stamps are redacted before they are made publicly available, always insert the date in the "Date" cell when affixing a digital signature to this document.

Department of the Air Force: Justification for Other Than Full and Open Competition

I. Agency and Contracting Activity (RFO 6.104-1(a)(1)):

Agency: AETC

Contracting Activity: 97th Contracting Flight

II. Nature and/or description of the action being approved (RFO 6.104-1(a)(2)):

This document approves the award of a Purchase Order on a sole source basis to Disruptive Electronic Warfare Machines, LLC for threat-emulating RF emitters in support of the Program Action Directive 23-04 at Ebbing ANG for the 85th Fighter Group. This justification is made on an individual basis.

III. Description of supplies/services required to meet agency needs (RFO 6.104-1(a)(3)):

The 85 Fighter Group requires low-cost, low footprint emitter systems to enable high end training at Ebbing ANGB, AR as directed by Program Action Directive (PAD) 23-04. This PAD states "the USAF will fund Ebbing ANGB infrastructure to conduct US training exercise activities." This includes Agile Combat Employment (ACE) that requires effective employment in unfamiliar airspace that includes robust training threats. Additionally with PAD 23-04 the additional emitters will be used to support Large Force Employment Exercises to provide capstone training to other Formal Training Units. These requirements have the 85th FG seeking to procure a C-band, and X-band DART systems.

IV. Statutory Authority Permitting Other Than Full and Open Competition (RFO 6.104-1(a)(4)):

10 U.S.C. 3204(a)(5), Authorized or required by statute.

V. Rationale for Use of Authority (RFO 6.104-1(a)(5)):

RFO 6.103-5(C)(2): Sole-source awards under the SBIR or STTR programs for Phase III (see 15 U.S.C. 638(r)(4)) or Phase II, when directly following a competitively awarded initial Phase II award (see 15 U.S.C. 638(ff))
DEWM was previously awarded SBIR Phase III contracts for their DART X and C Band in 2025:
FA864925P0327 DART-X BAND RADAR TARGET
FA667525P0017 DART-C BAND RADAR TARGET

VI. Integrated Market Analysis and Efforts to Solicit Competition (RFO 6.104-1(a)(6), (8), and (10)):

Vendor outreach revealed the only other sources of this product are resellers, which would most likely result in unnecessary costs incurred on the government.

VII. Determination of Fair and Reasonable Cost (RFO 6.104-1(a)(7)):

The Contracting Officer is responsible for evaluating, determining, and documenting the anticipated contract cost/price is fair and reasonable in accordance with RFO Subpart 15.4, Contract Pricing.

VIII. Any Other Facts Supporting the Justification (RFO 6.104-1(a)(9)):

N/A

Department of the Air Force: Justification for Other Than Full and Open Competition

IX. Actions to Overcome Barriers to Competition (RFO 6.104-1(a)(11):

Other existing LCTEs are continuously being improved upon and new LCTEs are expected to emerge within the next few years. All of these will be continuously evaluated prior to future purchases.
