TITLE OF PROJECT: Seasonal Housing Units (MACA 258051)

GENERAL:

The National Park Service (NPS), Department of Interior (DOI), Denver Service Center (DSC), will be soliciting proposals as a **total small business set-aside** basis from all interested businesses having the capability to perform the work described below. The solicitation will be issued electronically on www.sam.gov. Proposal documents will be available for download in Microsoft Word, HTML, Microsoft Excel, and Adobe PDF; Specifications will be available in Adobe PDF format; and drawings will be available in PDF format. Please Note: Paper copies of the solicitation will not be made available.

Prospective offerors desiring to conduct business with the DOI are required to have an active registration in the Systems for Awards Management (SAM) at www.sam.gov. You are also required to have a UEI number in order to conduct business with the Federal Government.

This pre-solicitation announcement is not a solicitation document, but pre-notice of an upcoming solicitation. Specific instructions on submitting your proposal will be contained in the solicitation documents to be issued on or after the date listed below.

Proposed Solicitation Issue Date: Estimated on/about May 15th, 2026

The NAICS Code for this requirement is 236116 New Multi-Family Housing Construction (\$45M Size Standard)

Description: The project will consist of the construction of two, two-story housing units and the demolition of three single-story existing housing units. The project will also include but not be limited to parking, site work, utilities, and hazardous abatement for demolition

Estimated Price Range: Between \$5M and \$10M

Proposal receipt date is not known at this time. The actual date will be established in the solicitation documents

A pre-proposal meeting will be held on site at MACA. Date and time will be released at a later date.

This procurement will be competed as a total small business set-aside.

All responsible sources may submit an offer which, if submitted in a timely manner, will be considered. It is the policy of the government to provide maximum practicable opportunities in its acquisitions to small business, veteran-owned small business, small disadvantaged business, and women-owned small business concerns. Such concerns must also have the maximum practicable opportunity to participate as subcontractors in the contracts awarded by any executive agency, consistent with efficient contract performance. All offerors are strongly encouraged to contact their local Small Business Administration Office, to post their need for qualified subcontractors at <http://www.sba.gov>.
