4. NAICS Code: 334515

5. Description:

The Quantum Science and Technology Branch of the United States (U.S.) Army Research Laboratory (ARL) requires the procurement of two (2) Keysight Technologies Inc. brand Semiconductor Device Characterization Systems. Delivery of one (1) system is required to ARL facilities in Adelphi, MD, and delivery of one (1) system is required to ARL facilities in Austin, TX. The following components are required:

- Two (2) Keysight brand Semiconductor Device Analyzer Mainframes (Model # B1500A);
- Two (2) Keysight brand 3m cable length (for mainframe bundled cables and for package options) (Model # B1500A-030);
- Two (2) Keysight brand Standard Pack 1 – Standard Package (Mid PWR unit 4 each; Cables) (Model #B1500A-A01);
- Eight (8) Keysight brand Add-on Package – Mid Power Source Monitor Unit (B1511B) 1 each, Cables (Model #B1500A-A11);
- Two (2) Keysight brand 60HZ Line Frequency (Model #B1500A-060)

6. This is a notice of intent to conduct a brand name sole source procurement, using FAR Part 12 Acquisition of Commercial Products and Commercial Services. This notice of intent is not a request for competitive proposals. However, any responsible source who believes it is capable of meeting the requirement may submit a capability statement, proposal, or quotation, which shall be considered by the agency, only if received by the closing date and time of this notice. A determination not to compete the proposed requirement based upon the responses to this notice is solely within the discretion of the Government.

7. The anticipated award date is 29 May 2026.

8. All responsible sources may submit a quotation, which will be considered by the agency.

9. The United States Government intends to solicit and negotiate only with authorized sellers or resellers of Keysight Technologies Inc. brand Semiconductor Device Characterization Systems, under the authority of FAR 6.103-1, Only one responsible source and no other supplies or services will satisfy agency requirements. Only Keysight Technologies Inc. brand Semiconductor Device Characterization Systems, as specified in this Presolicitation Notice, meet the Government's requirements.

10. Response Date: Monday, 05/13/2026, no later than 3:00pm Eastern Time

Responses to this notice are due on or before 3:00pm Eastern Time on Monday, 05/13/2026 by email to benjamin.l.krein.civ@army.mil
