

U.S. GOVERNMENT
Sources Sought/Pre-solicitation Notice

Department of Veterans Affairs (VA) seeks to lease the following space:

State:	Washington
Cities:	Bothell, Snohomish and Surrounding area
Delineated Area:	North: US Highway 2 (US-2) from Interstate Highway 5 (I-5) to Washington Highway 522 (WA-522); East: WA-522 from US-2 to Woodinville South: Continue on WA-522, then proceed onto Washington Highway 104 (WA-104) to Washington Highway 99 (WA-99); West: WA-99 to I-5N to US-2. <i>*Map Attached</i>
Maximum Sq. Ft. (ABOA):	21,768
Maximum Rentable Sq. Ft. (RSF)	24,489
Space Type:	Medical Facility Community Based Outpatient Clinic (CBOC)
Parking Spaces (Surface):	90 spaces, including handicap accessible spaced in accordance with ABAAS <u>or per local code, whichever is greater</u>
Full Term:	20 years
Firm Term:	15 years
Additional Requirements:	•The building must meet or be able to economically meet the seismic requirements for buildings in High Seismic activity area. •First floor entrance and occupancy is preferred. •Offered space may be located on no more than two floors. Offered space located on the second floor and above must have at least one elevator available for use. •Must be zoned for VA's intended use. •Must be a full-service lease (must include janitorial service and utilities). •Must not be in the FEMA 1-percent-annual-chance floodplain. •Must not be a sublease. •The offered facility should be on a public bus transportation route and located no further than 2,640 feet from a public bus transportation stop. Convenient access to public transportation is a positive attribute. •The VA prefers properties with sidewalks and parking lots that are level with the main building entrance for patient access.

	•Must meet Federal and Local Government requirements for fire safety, physical security, accessibility, and sustainability standards per the terms of the solicitation for offers or request for proposals.
--	---

VA will first consider leased space located in an existing building then new build. If no existing buildings or new builds meet the VA's requirements, the VA will then consider build to suits.

Entities are advised to familiarize themselves with the telecommunications prohibitions outlined under Section 889 of the FY19 National Defense Authorization Act (NDAA), as implemented by the Federal Acquisition Regulation (FAR).
