Market Research Questionnaire
Field Acquisition Office
Building and Facilities Section (B&F)
Federal Correctional Institution (FCI) Oxford
Sources Sought 15B41026PR000265

The Federal Bureau of Prisons is conducting market research in accordance with Federal Acquisition Regulation, Part 10. A single solicitation will be issued for Emergency Replace Education Chair Lift at FCI Oxford. The Federal Bureau of Prisons (FBOP), FCI Oxford located at County Road & Elk Avenue, Oxford, WI 53952, intends to make a single award to a responsible entity that will provide all necessary equipment, labor, materials, and incidentals for the project titled Emergency Replace Education Chair Lift.

This market research questionnaire is for informational purposes only. The described requirement may or may not be included in the subsequent solicitation.

A summary of the requirements is as follows:

The Federal Bureau of Prisons, FCI Oxford, intends to procure services for the demolition and replacement of the existing Education chair lift, which is no longer operable and has exceeded its service life. Work includes disconnecting and protecting existing electrical service, removing the current lift assembly, and furnishing and installing a new ADA-compliant inclined platform lift, Basis of Design: Garaventa GSL Artira or approved equal.

The new lift system will include a complete platform assembly, drive and guide-rail components, obstruction-sensing devices, passenger restraining arms, retractable boarding ramps, kick plates, safety lighting, hand grips, low-voltage controls, emergency stop features, and keyless operation. The contractor will also provide a new drive cabinet, integrated disconnect, battery backup system, call stations at each landing, and all associated programming, testing, and adjustments.

All work must comply with ASME A18.1, ADA-ABA requirements, NFPA, NEC, and all applicable Federal, State, and local codes. Installation shall be performed by manufacturer-certified technicians, and the contractor shall provide all required submittals, safety plans, quality control documentation, testing, and closeout materials.

Access to the Statement of Work and any other documents are located on SAM.gov under Notice ID 15B41026PR000265 and will require an active <https://sam.gov> vendor registration (login). If you encounter problems accessing these documents, please contact the Federal Service Desk at 866-606-8220.

Please answer the following questions:

1. Can your firm complete Emergency Replace Education Chair Lift at FCI Oxford?

_____ Yes _____ No

2. If you answered “No” in Question 1 above, what construction requirements can your firm provide?

3. The North American Industrial Classification System (NAICS) code for Other Building Equipment Contractors is 238290, which sets the small business standard at \$22.0 million.

Based on this standard, what is your business size, small or large?

_____ Small _____ Large

4. What level of subcontracting, if any, would your firm utilize to provide the listed requirement? _____ %

5. Are you eligible for participation in one of the following small business programs? If so, please indicate the program.
