

The National Park Service, Contracting Operations - West, intends to issue a sole source award to Zetron Inc. for Zetron ACOM Connected Care for Yosemite National Park. The technical support for the Zetron ACOM dispatching consoles and associated hardware is limited to Zetron and no other known entity can provide installation, maintenance or support. The Government intends to procure from only one source under the authority of FAR 13.106-1(b). This is not a request for competitive quotes, but serves as a procurement notice to fulfill public posting requirements in accordance with FAR 5.101(a)(1).
