

The Army Contracting Command – New Jersey (ACC-NJ), Fort Dix NJ is issuing this Request for Information (RFI) in an effort to perform market research to assist in determining the acquisition strategy for **Grounds Maintenance Services located at 140 Stewart Road Ashley, PA 18706.**

This is a non-personal services contract to provide grounds maintenance services in support of the 99th Regional Support Command (RSC). The contractor shall provide all personnel, supplies, supervision, tools, materials, equipment, transportation, fuel and other items and non-personal services necessary to provide grounds maintenance services. This RFI is to identify potential Small Business contractors for this requirement.

This RFI is for planning purposes only. No solicitation document exists currently. Issuance of this notice does not constitute any obligation on the part of the Government to procure these items or to issue solicitation. In addition, the Government is under no obligation to pay for information submitted in response to this RFI, and responses to this notice cannot be accepted as offers. Any information that the vendor considers proprietary should be clearly marked as such.

Responses to this RFI should include the following submittal requirements:

1. Name of Company; Company Address; Point of Contact, CAGE Code, and Socio-Economic Size Status (Large/Small Business/HubZone/8(a)/Woman Owned Small Business/etc.) Utilizing NAICS code **561720**.

Responses to this RFI shall be submitted by 01 May 2026 at 02:00 PM EST to Timothy.j.mccleary.civ@army.mil Only e-mail submittals will be accepted.
