☐ Check here if obtaining product through authorized resellers of the manufacturer.	

Description of the supplies or services required, the estimated price/cost, and required delivery date or period of performance.

The Naval Submarine Support Facility, located in Groton, CT, requires the screens of their TRAK knee Mills to be upgraded from the SM2 system to RMX2. The existing screens on the milling machine are currently inoperable.

Estimated cost: \$27,671.90

Delivery: 1-2 weeks ARO

In conclusion, the requested supplies or services represent the minimum requirements of the government.

Describe in detail why only this source(s) can furnish the requirements to the exclusion of other sources.

Southwestern Industries, Inc. is the Original Equipment manufacturer of the TRAK Machines and ProtoTRAK CNCs and upgrades. The required screen replacement must be compatible with the current TRAK milling machines. Southwestern Industries is the exclusive distributor for the New England region and sole manufacturer of the TRAK Machines and its parts and upgrades. No other known company on the open market to date can fulfill the needs of the government under this requirement.

☒ ***The supplies or services must be compatible in all aspects (form, fit and function) with existing systems presently installed/performing. Describe the equipment/function you have now and how the new item/service must coordinate, connect, or interface with the existing system.***

The government currently owns and operates two TRAK Knee mill machines. All parts must be compatible with the existing machines and approved for use by the OEM.

☒ ***A patent, copyright or proprietary data limits competition.***

Southwest Industries, Inc., the OEM, owns and maintains the proprietary data for the requested screen upgrade.

☒ *These are "direct replacement" parts/components for existing equipment.*

The requested screen upgrade will replace the existing SM2 screen currently on the TRAK Knee mill machine.

Other information to support a sole source action:

The requested screen upgrade from SM2 to RMX2 is manufactured exclusively by Southwest Industries Inc.
