This quotation, and any resulting sale or contract, is governed solely and exclusively by [Mission Bio's Terms and Conditions](#), or, if applicable, such other written agreement that by its Terms expressly governs customer's order and is signed and delivered by customer to Mission Bio (whichever is applicable being the "Terms"). This quotation constitutes an offer that is limited to, and conditional upon customer's acceptance of, exclusively the Terms; and any and all additional, different or other terms are hereby expressly disclaimed and rejected by Mission Bio and will have no legal effect. To the extent that any product provided herein has an expiration date, Mission Bio will provide the product to the Customer at least 90 days from the expiration date. By accepting this quotation and submitting a purchase order, customer accepts and is bound by and to the Terms.
