March 30, 2026

To All Offerors,

SLAC is pleased to offer the following Request for Proposal #363431 for the SSRL B116 & B132 BPM HVAC Replacement Project for your consideration. The RFP package includes the model subcontract and all terms and conditions of procurement.

You are invited to submit a firm-fixed-price proposal covering the requirements of the attached Statement of Work in accordance with the proposal requirements, terms and conditions, and other applicable documents, all of which are provided herewith and identified herein.

The due date for the proposal is April 30, 2026, at 10:00 AM PST, as noted on RFP Section A. Proposals to be sent electronically by email in a searchable PDF file format, as directed by RFP Section L.

PROPOSAL: Proposals must include a signed copy of **RFP Section A and Section B (INCLUDING REFERENCED SECTIONS IN SECTION A and TECHNICAL AND PRICE PROPOSALS FOR SECTIONS L AND M)**. Please ensure that all required forms are completed as an incomplete or missing form is grounds for disqualification.

SITE VISIT: A Site Visit will be conducted for this RFP, and the date is **April 14, 2026, at 9:30AM PST**. Please provide a list of names of the people that will be attending. Attendees will meet in front of Building 53 and will be required to adhere to any Guidelines outlined at the outset of the site visit. PPE is not required for this walk-through.

CONFIRM: Upon receipt of this RFP, please confirm your company's intention to submit a proposal, or not, to the undersigned and identify the primary point of contact. **You will also need to submit a list of attendees for the site visit NLT April 9, 2026.**

PLEASE NOTE: That SLAC National Accelerator Laboratory is operated by Stanford University for the U.S. Department of Energy (DOE) making this a federally funded construction project. As such, in accordance with the Davis-Bacon Act, the Offeror is being made aware of, in addition to

other required labor postings, the DOE WH Publication 1321, which can be found on the following website: <https://www.dol.gov/sites/dolgov/files/WHD/legacy/files/fedprojc.pdf>

All communications regarding this RFP are to be directed to the undersigned procurement representative. No other employee or contractor of SLAC is to be contacted regarding any aspect of this RFP, without the authorization of the undersigned.

To avoid a conflict of interest, subcontracts for construction are not awarded to an A&E firm or an affiliate that prepared a significant portion of the design, and the construction subcontractor or an affiliate cannot be employed to inspect the subcontractor's work.

AWARD ELIGIBILITY: For Offeror to be eligible for a subcontract award with the University, Offeror shall be registered in good standing (non-debarred) with the System for Award Management (SAM), the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS. There is NO fee to register for this site. Entities may register at no cost directly at the SAM website: SAM.GOV.

RFI SUBMITTALS: Questions and inquiries are to be directed to the attention of the undersigned and will be accepted for response through **COB on April 23, 2026**. (last minute RFIs accepted on a case-by-case basis only). Please use **"Section_L_Attachment_A_SLAC_Question&Answer_Log_(RFI)"** to submit all questions and inquiries. Questions and responses by SLAC will be distributed to all prospective suppliers.

Best regards,

Doreen Agbayani
Sr. Subcontracts Administrator
