Street Address: 5200 Pasadena St. STE A
City, State, Zip: Albuquerque, NM 871113
Phone: (505) 884-1844

4. Reason for authority cited. The Contracting Officer has determined the circumstances of the contract deem only one source reasonably available.

- ☐ Urgency: The nature of the requirement has been deemed urgent and following competitive procedures would result in unacceptable delays.
- ☒ Only One source: Highly specialized supply/service (for example technological/specific training requirements) contractor must possess unique qualifications.
- ☐ Exclusive Licensing Agreement
- ☐ Other Insert reason: (could be a special statute, etc.):

5. Rationale. Provide an explanation that supports the reason cited in #4.

BIE -Sanostee Day School has an existing fire alarm pump system that has not been inspected for several years. It is essential that the required annually fire alarm system inspection be completed and will be performed by Western States Fire Protection Company of Albuquerque, NM. Western States Fire Protection Company have the expertise and technical staff to complete the required inspections. They possess the knowledge and have the electronic equipment to perform the work needed. They are licensed and have experienced techs to perform the level of work required on the fire alarm system. No other local company is certified to offer this level of service.

Fire alarm pump inspections at schools are crucial for ensuring the safety and security of students and staff. Regular inspections help to identify and rectify any issues with fire alarm systems, ensuring they are functioning correctly and providing reliable protection.

Notice of Intent will be publicized prior to award to be made at www.sam.gov

6. A description of efforts made to ensure that offers are solicited from as many potential sources as is practicable, including whether a notice was or will be publicized as required by Subpart 5.2 and, if not, which exception under 5.202 applies.

Western States Fire Protection Company has qualified technicians who possess the knowledge and have the crew of experienced personnel to perform the schools' fire alarm pump system inspection. They possess the required equipment needed to properly test and inspect the fire alarm pump system. No other local company is certified to offer this level of service. The affect area serves approximately 15_students and 9 staff at Sanostee Day School. Western States Fire Protection Company are considered experts, fully qualified, have all the equipment and labor force to get the job completed in a timely manner.

Notice of Intent will be publicized prior to award to be made at www.sam.gov

7. Originating Office Attestation:

I certify that the technical data which forms a basis for this justification is complete and accurate and meets the Government's minimum needs.
