#### **Block 14. DESCRIPTION OF AMENDMENT (cont.)**

A. The purpose of this amendment is to respond to the following RFIs:

1. Please review \$800.00 liquidated damages for delay, this appears higher than normal.

*Response: Liquidated damages cost is consistent for the work and duration of the project.*

2. Please add an addition 60 days for performance of the work.

*Response: The contract duration will remain 45 days after contract award.*

3. The specification specifically states that the SSHO cannot serve as the superintendent. There are no restrictions within the QC or Superintendent Specification requirements. Please confirm that this project requires the SSHO and Superintendent to be separate personnel.

*Response: Refer to revised Specification Section 01 35 26.*

4. The SSHO qualification requirement is unclear. The specification specifically states that the alternate SSHO can be a level one, two, or three SSHO however it does not provide the same clear and specific requirements for the primary SSHO. The specification noting that the alternate must be qualified compared to the primary SSHO leads to the understanding that a level one, two, or three Primary SSHO can perform the project. Please provide clarity on what level Primary SSHO is required.

*Response: Refer to revised Specification Section 01 35 26.*

5. What is the scope we will be required to complete for the revegetation of disturbed work area? Seed or Sod?

*Response: Refer to revised Specification Section 31 00 00.*

6. Due to the holiday period prior to this project's bid date, we are experiencing limited subcontractor participation for this opportunity. To ensure a competitive and comprehensive proposal, we kindly request an extension of the bid due date.

*Response: At this time, the proposal submission date remains 7 January 2026 by 2:00 PM EST.*

B. All other contract terms and conditions remain unchanged.
