(4) Description:

FY26 Ship Repair service requirement by Ship Repair Facility and Japan Regional Maintenance Center (SRF-JRMC) and NAVSUP FLCY. The Government intends to issue a solicitation for a Firm-Fixed-Price (FFP) contract for the repair and continuous maintenance of the YON-285 Craft.

The anticipated scope of work includes, but not limited to the following work items known as Task Group Instructions (TGI) as listed in Enclosure (1).

The work will be performed onboard Commander, Fleet Activities Sasebo (CFAS), located in Sasebo Naval Base, Japan. The anticipated Period of Performance (POP) is from 28-Sep-2026 through 28-Feb-2027.

The Government anticipates issuing a Request for Proposal (RFP) on or about 20-Apr-2026. The solicitation and any subsequent amendments will be made available through the System for Award Management (SAM.gov) website.

The solicitation upon issuance is intended only for sources duly authorized to operate and do business in Japan, as prescribed by DFARS 252.225-7042. Additionally, to ensure the U.S. Navy receives satisfactory repair effort to Navy ships, boats and crafts, the solicitation will require the offeror to possess a current and active USN Master Ship Repair Agreement (MSRA) or Agreement for Boat Repair (ABR) issued by the U.S. Navy or NAVSUP FLCY.

Additional Information:

This notice is NOT a request for proposals. The solicitation, when issued, will be available electronically via the System for Award Management (SAM) website at <https://sam.gov/>. All responsible and eligible sources may submit a quotation, bid, or proposal, as appropriate, in response to the subsequent solicitation, which will be considered by the agency. It is the responsibility of interested parties to monitor this site for the release of the solicitation and any subsequent amendments.
