

Salient Characteristics

Printer Services at Fort Bliss, TX

- 1. Background/Introduction:** This contract is for Multifunctional Devices (MFDs) that meet the minimum salient characteristics listed in the attached document to include color printing, copy/scan functionality, CAC Smartcard enabled, and standard finishing capability. Each MFD will include a Full-Service Maintenance Agreement for service and supplies to include print, toner, developer, dry ink, cleaning rollers, fillers, staples, and HD removal. The Army (Receiving Unit) will maintain ownership of the hard drive(s) at the end of the final POP and/or when the device is replaced. The Contractor must provide non-personal services to furnish all labor, tools, equipment, transportation, materials, testing and supervision in order to provide an operating lease to the AFSBn-Bliss HQ, of Fort Bliss, Texas. The locations as to where the MFDs will be placed are identified as attached and will be confirmed in the Delivery Order (DO) made against the awardee Indefinite Delivery/Indefinite Quantity (ID/IQ) Contract. The MFDs must remain in inventory for the duration of the awarded delivery orders unless otherwise replaced by a new device of equal or better capabilities at no additional cost to the Government.
- 2. Scope of Work:** The contractor must provide non-personnel services for Multifunction Devices, including a Full-Service Maintenance Agreement that covers all service and supplies such as print consumables, toner, developer, dry ink, cleaning rollers, filters, staples, and hard-drive removal.
