LCMC/WBKH001 - ECONOMIC PRICE ADJUSTMENT CLAUSE (EPA) (Jan 26)

a. The provisions of this EPA clause provide for both price increases and decreases to protect the Government and the contractor from the effects of economic changes as measured on the national level and reflected in the indices identified in this clause.

b. Definitions for the purpose of this clause:

Adjusting Index - The rolling 12-month average of the most recent 12 months of the published economic indicators specified below as of 60 days prior to the start of a new contract year.

Base Index - the 12-month average of the latest published economic indicators[including data identified as "(P) Preliminary] as identified in Appendix TBD_Base_Index_Report of the Contract, designated as "TBD" for the PPI Metals Index for Metals and "TBD" for the Employment Cost Index for Employment. This Base Index will be used to calculate the Economic Price Adjustment for the life of the contract.

CLIN/SubCLINPrice - The unit price reflected in the Pricing Matrix included as an attachment to the contract at the time of award or as later changed by formal contract modification executed by the Contracting Officer as a result of adjustment due to this clause or any other contract modification.

Contract Year- The first contract year begins on the first day of performance and continues for 12 months, with each subsequent contract year starting on the anniversary date of the first day of performance and continuing for 12 months.

Ordering Period - The first ordering period is the first 4 contract years. The second ordering period is the fifth contract year, and the third ordering period is the sixth contract year. This format follows for each subsequent year.

Published Economic Indicators - The Indexes identified in Appendix TBD to the Contract: PPI Metals Index, Series ID WPU10, PPI Commodity Data for Metals and Metal products, not seasonally adjusted, for Metals; Employment Cost Index (NAICS), Series ID CIU2023211000000I, Wages and Salaries for Private Industry Workers in Aircraft Manufacturing, for Employment.

c. The economic price adjustment shall apply to CLINs XX08-XX10, Production Modification Kits Lots 2-6, and applicable SubCLINs beginning with the Base Ordering period #1 through Option #6 (Ordering period #10) of the contract. The EPA calculation shall be made at the beginning of each contract year. The pricing will only be adjusted if the delta between the base and adjusted indices is greater than or less than 2% as calculated independently for metals and employment. Such resulting price adjustments shall be applied to each contract year price within the applicable ordering period in the metals and employment ratios detailed below. The economic price adjustment shall apply to 30% of the total Production Engines CLINs and applicable SubCLINs price for metals and 40% of the total Production Engines CLINs and applicable SubCLINs price for employment. The remaining 30% will not be subject to adjustment.

d. Sixty (60) days prior to start of the next contract year, the Government will complete the EPA calculation as defined in paragraph H and will accomplish a price increase or decrease as explained in paragraph c.. This pricing change will be applied to the Production Modification Kits Lots 2-6 CLINs and applicable SubCLINs based on the current indices for metals and employment. The contractor will be notified in writing no later than 30 days prior to the new contract year if there will be a price adjustment.

- e. Adjustments under this clause shall be completed via unilateral contract modification and only to the CLIN/SubCLIN price applicable to the upcoming contract year. For example, 30 days prior to contract year two, the Government determines that an adjustment is required. The adjustment will be applied only to the prices for that contract year.
- f. The new contract year CLIN/SubCLIN price shall be adjusted by multiplying the unit price by the percentage difference between the applicable base index and adjusting index, subject to the limitations described in paragraph (a) above. If the adjusting index is lower than the base index, the CLIN/SubCLIN price will be decreased by the same percentage. If the adjusting index is higher than the base index, the CLIN/SubCLIN price will be increased by the same percentage.
- g. The following rules shall apply in making numeric calculations under this clause:
- (1) Round decimals to 4 decimal places
 - (a) The Price Adjustment Ratio(Adjusting Index/Base Index) shall be calculate to the fourth decimal digit. If the fifth decimal digit is five or more, the fourth decimal digit shall be raised to the next higher number (e.g. 1.43567 is rounded to 1.4357)
 - (b) If the fifth decimal digit is less than five, the fourth decimal digit shall remain as calculated (e.g. 1.23344 is rounded to 1.2334)
 - (2) Round percentages to 2 decimal places (e.g.2.43%)
 - (3) Round dollar calculations to the nearest whole dollar (e.g. \$539.77 is rounded to \$540or \$539.49 is rounded to \$539)
- h. The Economic Price Adjustment shall be calculated as follows:
- (1) The government will obtain the current(adjusting) index values from the Bureau of Labor Statistics for the metals and employment indices listed in this clause.
 - (2) Divide the adjusting index by the base index as established in the contract.
 - (3) Convert the result to a percentage (i.e.1.0308 to 3.08%)
 - (4) If the resulting value is greater than or equal to +2.0%, calculate the upward adjustment (see example #1 below).
 - (5) If the resulting value is less than or equal to -2.0% calculate the downward adjustment (see example #2 below).
 - (6) Take the base unit price and add the metals adjustment and the employment adjustment to establish the new unit price.

EXAMPLE#1

Example Adjustment for Metals:

Ordering Period 1 Unit Price \$1,000,000 Ea

Base Index 207.8

Adjusting Index 214.2

$214.2/207.8 = 1.03079885 = 1.0308$ or 3.08% increase

$\$1,000,000.00 \times 30\%$ (metals portion of unit price subject to EPA) = \$300,000

$\$300,000 \times 3.08\% = \$9,240$ (material adjustment)

Example for Employment:

Ordering Period 1 Unit Price \$1,000,000 Ea

Base Index 139.8

Adjusting Index 143.2

$143.2/139.8 = 1.02432046 = 1.0243 = 2.43\%$ increase

$\$1,000,000 \times 40\%$ (employment portion of unit price subject to EPA) = \$400,000

$\$400,000 \times 2.43\% = \$9,720$ (employment adjustment)

Total Calculation:

\$1,000,000(base CLIN unit price)

+\$9,240 (metals adjustment)

+\$9,720 (employment adjustment)

= \$1,018,960 (adjusted CLIN unit price)

EXAMPLE#2

Example Adjustment for Metals:

Ordering Period 1 Unit Price \$1,000,000 Ea

Base Index 207.8

Adjusting Index 202.3

$202.3/207.8 = 0.97353224 = (0.9735-1.0) = -0.0265$ or 2.65% decrease

$\$1,000,000.00 \times 30\%$ (metals portion of unit price subject to EPA) = \$300,000

$\$300,000 \times -2.65\% = -\$7,950$ (metals adjustment)

Example for Employment:

Ordering Period 1 Unit Price \$1,000,000 Ea

Base Index 139.8

Adjusting Index 142.4

$142.4/139.8 = 1.018598 = 1.86\%$ (less than 2.0% and therefore no adjustment to employment)

Total Calculation:

\$1,000,000(base CLIN unit price)
-\$7,950 (metals adjustment)
+\$0.00 (employment adjustment N/A)
=\$992,050 (adjusted CLIN unit price)

i. In the event the U.S. Department of Labor substantially revises the methodology or discontinues or suspends publication of the index set forth in paragraph (c) of this clause, the parties will agree upon revised index values or an appropriate substitute for the revised or discontinued index for use in this clause.

j. Any disputes arising under or relating to this clause shall be resolved in accordance with the disputes provision of FAR clause 52.233-1 Disputes.

[Contracting Officer inserts details]

- (a) The Contractor shall test 2 unit(s) of Lot/Item #1 of A,B, & E of Basic Year 01 as specified in this contract. At least 14 calendar days before the beginning of first article tests, the Contractor shall notify the Contracting Officer, in writing, of the time and location of the testing so that the Government may witness the tests.
- (b) The Contractor shall submit the first article test report within 90 calendar days from the date of this contract to AFLCMC/WBD [insert address of the Government activity to receive the report] marked "FIRST ARTICLE TEST REPORT: Contract No. , Lot/Item No. 1 #A OR #B, OR #E ." Within 60 calendar

days after the Government receives the test report, the Contracting Officer will notify the Contractor, in writing, of the conditional approval, approval, or disapproval of the first article. (c) If the first article is disapproved, the Contractor, upon Government request, shall repeat any or all first article tests. After each request for additional tests, the Contractor shall make any necessary changes, modifications, or repairs to the first article or select another first article for testing. All costs related to these tests are to be borne by the Contractor, including any and all costs for additional tests following a disapproval. The Contractor shall then conduct the tests and deliver another report to the Government under the terms and conditions and within the time specified by the Government. Before first article approval, the costs thereof shall not be allocable to this contract for (1) progress payments, or (2) termination settlements if the contract is terminated for the convenience of the Government.

(h) The Government may waive the requirement for first article approval test where supplies identical or similar to those called for in the schedule have been previously furnished by the offeror/contractor and have been accepted by the Government. The offeror/contractor may request a waiver.

(b) If the Government terminates this contract in whole or in part under the Default-Fixed-Price Supply and Service clause, the Contractor is liable for liquidated damages accruing until the Government reasonably obtains delivery or performance of similar supplies or services. These liquidated damages are in addition to excess costs of repurchase under the Termination clause.

(c) The Contractor will not be charged with liquidated damages when the delay in delivery or performance is beyond the control and without the fault or negligence of the Contractor as defined in the Default-Fixed-Price Supply and Service clause in this contract.

(5) If the Contractor has a CMMC Status of Conditional, successfully close out a valid plan of action and milestones (32 CFR 170.21) to achieve a CMMC Status of Final.

(e) Reporting. The Contractor shall-

- (2) There is no change for base access to individuals who already possess military issued credentials; non-DoD personnel without base access credentials will be the largest demographic affected by REAL ID Act requirements. Identity proofing was done using approved identification credentials with a background check conducted through law enforcement authoritative databases. That will not change on October 10, 2018.
- (3) What will change is which ID's for proof of identity will be accepted. The forms of ID on this list are for use solely at Tinker AFB and several ID's on this list may not grant you entry for other Federal Facilities or military bases. If you are travelling to other Federal Installations/buildings it is recommended you contact them before travelling to that location. Tinker AFB acceptable alternative forms of ID are the following:

52.209-5	Certification Regarding Responsibility Matters. (Deviation)	(Feb 2026)
----------	---	------------

Certification Regarding Responsibility Matters (Feb 2026) (Deviation)

(a)

(1) The Offeror certifies, to the best of its knowledge and belief, that-

(i) The Offeror and/or any of its Principals-

(A) Are [] are not [] presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have [] have not [], within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property (if offeror checks "have", the offeror shall also see 52.209-7, if included in this solicitation);

(C) Are [] are not [] presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this provision; and

(D) Have [], have not [], within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104-5(a) (2) for which the liability remains unsatisfied. Federal taxes are considered delinquent if both of the following criteria apply:

(1) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if a pending administrative or judicial challenge remains. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(2) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) The Offeror has [] has not [], within a 3-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(2) "Principal," for the purposes of this certification, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a division or business segment; and similar positions).

(b) The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the Government will consider the certification in connection with a determination of the Offeror's responsibility. Failure of the Offeror to furnish a certification or provide such

additional information as requested by the Contracting Officer may render the Offeror nonresponsible.

(d) This provision does not require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a). The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If the Government later determines that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this solicitation for default.

(End of provision)

52.209-7 Information Regarding Responsibility Matters. (Deviation)

(Feb 2026)

Information Regarding Responsibility Matters (Feb 2026) (Deviation)

(a) Definitions. As used in this provision-

Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (e.g., Securities and Exchange Commission Administrative Proceedings, Civilian Board of Contract Appeals Proceedings, and Armed Services Board of Contract Appeals Proceedings). This includes administrative proceedings at the Federal and State level but only in connection with performance of a Federal contract or grant. It does not include agency actions such as contract audits, site visits, corrective plans, or inspection of deliverables.

(1) The total value of all current, active contracts and grants, including all priced options; and

(2) The total value of all current, active orders including all priced options under indefinite-delivery, indefinite-quantity, 8(a), or requirements contracts (including task and delivery and multiple-award Schedules).

(b) The offeror [] has [] does not have current active Federal contracts and grants with total value greater than \$10,000,000.

(c) If the offeror checked "has" in paragraph (b) of this provision, the offeror represents, by submission of this offer, that the information it has entered in the Federal Awardee Performance and Integrity Information System (FAPIIS) is current, accurate, and complete as of the date of submission of this offer with regard to the following information:

(1) Whether the offeror, and/or any of its principals, has or has not, within the last five years, in connection with the award to or performance by the offeror of a Federal contract or grant, been the subject of a proceeding, at the Federal or State level that resulted in any of the following dispositions:

(i) In a criminal proceeding, a conviction.

(ii) In a civil proceeding, a finding of fault and liability that results in the payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more.

(iii) In an administrative proceeding, a finding of fault and liability that results in-

(A) The payment of a monetary fine or penalty of \$5,000 or more; or

(B) The payment of a reimbursement, restitution, or damages in excess of \$100,000.

(iv) In a criminal, civil, or administrative proceeding, a disposition of the matter by consent or compromise with an acknowledgment of fault by the Contractor if the proceeding could have led to any of the outcomes specified in paragraphs (c)(1)(i), (c)(1)(ii), or (c)(1)(iii) of this provision.

(2) If the offeror has been involved in the last five years in any of the occurrences listed in (c)(1) of this provision, whether the offeror has provided the requested information with regard to each occurrence.

(d) The offeror shall post the information in paragraphs (c)(1)(i) through (c)(1)(iv) of this provision in FAPIIS as required through maintaining an active registration in the System for Award Management, which can be accessed via <https://www.sam.gov> (see 52.204-7).

52.209-13 Violation of Arms Control Treaties or Agreements-Certification. (Deviation)

(Feb 2026)

Violation of Arms Control Treaties or Agreements-Certification (Feb 2026) (Deviation)

(a) This provision does not apply to acquisitions at or below the simplified acquisition threshold or to acquisitions of commercial products and commercial services as defined in Federal Acquisition Regulation 2.101.

(b) Certification. [Offeror shall check either (1) or (2).]

[] (1) The Offeror certifies that-

(i) It does not engage and has not engaged in any activity that contributed to or was a significant factor in the President's or Secretary of State's determination that a foreign country is in violation of its obligations undertaken in any arms control, nonproliferation, or disarmament agreement to which the United States is a party, or is not adhering to its arms control, nonproliferation, or disarmament commitments in which the United States is a participating state. The determinations are described in the most recent unclassified annual report provided to Congress pursuant to section 403 of the Arms Control and Disarmament Act (22 U.S.C. 2593a). The report is available at <https://www.state.gov/bureaus-offices/under-secretary-for-arms-control-and-international-security-affairs/bureau-of-arms-control-verification-and-compliance/>; and

(ii) No entity owned or controlled by the Offeror has engaged in any activity that contributed to or was a significant factor in the President's or Secretary of State's determination that a foreign country is in violation of its obligations undertaken in any arms control, nonproliferation, or disarmament agreement to which the United States is a party, or is not adhering to its arms control, nonproliferation, or disarmament commitments in which the United States is a participating state. The determinations are described in the most recent unclassified annual report provided to Congress pursuant to section 403 of the Arms Control and Disarmament Act (22 U.S.C. 2593a). The report is available at <https://www.state.gov/bureaus-offices/under-secretary-for-arms-control-and-international-security-affairs/bureau-of-arms-control-verification-and-compliance/>; or

[] (2) The Offeror is providing separate information with its offer in accordance with paragraph (d)(2) of this provision.

(c) Procedures for reviewing the annual unclassified report (see paragraph (b)(1) of this provision). For clarity, references to the report in this section refer to the entirety of the annual unclassified report, including any separate reports that are incorporated by reference into the annual unclassified report.

(1) Check the table of contents of the annual unclassified report and the country section headings of the reports incorporated by reference to identify the foreign countries listed there. Determine whether the Offeror or any person owned or controlled by the Offeror may have engaged in any activity related to one or more of such foreign countries.

(2) If such activity might have occurred, review all findings in the report associated with those foreign countries to determine whether or not each such foreign country was determined to be in violation of its obligations undertaken in an arms control, nonproliferation, or disarmament agreement to which the United States is a party, or to be not adhering to its arms control, nonproliferation, or disarmament commitments in which the United States is a participating state. For clarity, in the annual report an explicit certification of non-compliance is equivalent to a determination of violation. However, the following statements in the annual report are not equivalent to a determination of violation:

(i) An inability to certify compliance.

(ii) An inability to conclude compliance.

(iii) A statement about compliance concerns.

(3) If so, determine whether the Offeror or any person owned or controlled by the Offeror has engaged in any activity that contributed to or is a significant factor in the determination in the report that one or more of these foreign countries is in violation of its obligations undertaken in an arms control, nonproliferation, or disarmament agreement to which the United States is a party, or is not adhering to its arms control, nonproliferation, or disarmament commitments in which the United States is a participating state. Review the narrative for any such findings reflecting a determination of violation or non-adherence related to those foreign countries in the report, including the finding itself, and to the extent necessary, the conduct giving rise to the compliance or adherence concerns, the analysis of compliance or adherence concerns, and efforts to resolve compliance or adherence concerns.

(4) The Offeror may submit any questions with regard to this report by email to NDAA1290Cert@state.gov. To the extent feasible, the Department of State will respond to such email inquiries within 3 business days.

(d) Do not submit an offer unless-

- (1) A certification is provided in paragraph (b)(1) of this provision and submitted with the offer; or
- (2) In accordance with paragraph (b)(2) of this provision, the Offeror provides with its offer information that the President of the United States has
- (i) Waived application under 22 U.S.C. 2593e(d) or (e); or
- (ii) Determined under 22 U.S.C. 2593e(g)(2) that the entity has ceased all activities for which measures were imposed under 22 U.S.C. 2593e(b).
- (e) Remedies. The certification in paragraph (b)(1) of this provision is a material representation of fact upon which reliance was placed when making award. If the Government later determines that the Offeror knowingly submitted a false certification, in addition to other remedies available to the Government, such as suspension or debarment, the Contracting Officer may terminate any contract resulting from the false certification.

52.229-11 Tax on Certain Foreign Procurements-Notice and Representation.

(Jun 2020)

Tax on Certain Foreign Procurements-Notice and Representation (Jun 2020)

(a) Definitions. As used in this provision-

Foreign person means any person other than a United States person.

Specified Federal procurement payment means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area.

United States person as defined in 26 U.S.C. 7701(a)(30) means

- (1) A citizen or resident of the United States;
- (2) A domestic partnership;
- (3) A domestic corporation;
- (4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 701(a)(31)); and
- (5) Any trust if-
- (i) A court within the United States is able to exercise primary supervision over the administration of the trust; and
- (ii) One or more United States persons have the authority to control all substantial decisions of the trust.
- (b) Unless exempted, there is a 2 percent tax of the amount of a specified Federal procurement payment on any foreign person receiving such payment. See 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.
- (c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror would claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available via the internet at www.irs.gov/w14. Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.
- (d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that
- (1) It ☐ is ☐ is not a foreign person; and
- (2) If the Offeror indicates "is" in paragraph (d)(1) of this provision, then the Offeror represents that-I am claiming on the IRS Form W-14 ☐ a full exemption, or ☐ partial or no exemption [Offeror shall select one] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then-

(1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and

(2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects "is" in paragraph (d)(1) and "partial or no exemption" in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.

52.230-1 Cost Accounting Standards Notices and Certification. (Deviation)

(Feb 2026)

Cost Accounting Standards Notices and Certification (Feb 2026) (Deviation)

Note: This notice does not apply to small businesses or foreign governments. This notice is in three parts, identified by Roman numerals I through III.

Offerors shall examine each part and provide the requested information in order to determine Cost Accounting Standards (CAS) requirements applicable to any resultant contract.

If the offeror is an educational institution, part II does not apply unless the contemplated contract will be subject to full or modified CAS coverage pursuant to 48 CFR 9903.201-2(c)(5) or 9903.201-2(c)(6), respectively.

I. Disclosure Statement-Cost Accounting Practices and Certification

(a) Any contract in excess of the lower CAS threshold specified in Federal Acquisition Regulation (FAR) 30.205(b) resulting from this solicitation will be subject to the requirements of the Cost Accounting Standards Board (48 CFR chapter 99), except for those contracts which are exempt as specified in 48 CFR 9903.201-1.

(b) Any offeror submitting a proposal which, if accepted, will result in a contract subject to the requirements of 48 CFR chapter 99 must, as a condition of contracting, submit a Disclosure Statement as required by 48 CFR 9903.202. When required, the Disclosure Statement must be submitted as a part of the offeror's proposal under this solicitation unless the offeror has already submitted a Disclosure Statement disclosing the practices used in connection with the pricing of this proposal. If an applicable Disclosure Statement has already been submitted, the offeror may satisfy the requirement for submission by providing the information requested in paragraph (c) of part I of this provision.

Caution: In the absence of specific regulations or agreement, a practice disclosed in a Disclosure Statement shall not, by virtue of such disclosure, be deemed to be a proper, approved, or agreed-to practice for pricing proposals or accumulating and reporting contract performance cost data.

(c) Check the appropriate box below:

(1) ☐ Certificate of Concurrent Submission of Disclosure Statement. The offeror hereby certifies that, as a part of the offer, copies of the Disclosure Statement have been submitted as follows:

(i) Original and one copy to the cognizant Administrative Contracting Officer (ACO) or cognizant Federal agency official authorized to act in that capacity (Federal official), as applicable; and

(ii) One copy to the cognizant Federal auditor.

The offeror further certifies that the practices used in estimating costs in pricing this proposal are consistent with the cost accounting practices disclosed in the Disclosure Statement.

(2) ☐ Certificate of Previously Submitted Disclosure Statement. The offeror hereby certifies that the required Disclosure Statement was filed as follows:

Date of Disclosure Statement: _____ Name and Address of Cognizant ACO or Federal Official Where Filed: _____

The offeror further certifies that the practices used in estimating costs in pricing this proposal are consistent with the cost accounting practices disclosed in the applicable Disclosure Statement.

(3) ☐ Certificate of Monetary Exemption. The offeror hereby certifies that the offeror, together with all divisions, subsidiaries, and affiliates under common control, did not receive net awards of negotiated prime contracts and subcontracts subject to CAS totaling \$50 million or more in the cost accounting period immediately preceding the period in which this proposal was submitted. The offeror further certifies that if such status changes before an award resulting from this proposal, the offeror will advise the Contracting Officer immediately.

(4) ☐ Certificate of Interim Exemption. The offeror hereby certifies that (i) the offeror first exceeded the monetary exemption for disclosure, as defined in (3) of this subsection, in the cost accounting period immediately preceding the period in which this offer was submitted and (ii) in accordance with 48 CFR 9903.202-1, the offeror is not yet required to submit a Disclosure Statement. The offeror further certifies that if an award resulting from this proposal has not been made within 90 days after the end of that period, the offeror will immediately submit a revised certificate to the Contracting Officer, in the form specified under paragraph (c)(1) or (c)(2) of part I of this provision, as appropriate, to verify submission of a completed Disclosure Statement.

Caution: Offerors currently required to disclose because they were awarded a CAS-covered prime contract or subcontract of \$50 million or more in the current cost accounting period may not claim this exemption (4). Further, the exemption applies only in connection with proposals submitted before expiration of the 90-day period following the cost accounting period in which the monetary exemption was exceeded.

II. Cost Accounting Standards-Eligibility for Modified Contract Coverage

If the offeror is eligible to use the modified provisions of 48 CFR 9903.201-2(b) and elects to do so, the offeror shall indicate by checking the box below. Checking the box below shall mean that the resultant contract is subject to the Disclosure and Consistency of Cost Accounting Practices clause in lieu of the Cost Accounting Standards clause.

☐ The offeror hereby claims an exemption from the Cost Accounting Standards clause under the provisions of 48 CFR 9903.201-2(b) and certifies that the offeror is eligible for use of the Disclosure and Consistency of Cost Accounting Practices clause because during the cost accounting period immediately preceding the period in which this proposal was submitted, the offeror received less than \$50 million in awards of CAS-covered prime contracts and subcontracts. The offeror further certifies that if such status changes before an award resulting from this proposal, the offeror will advise the Contracting Officer immediately.

Caution: An offeror may not claim the above eligibility for modified contract coverage if this proposal is expected to result in the award of a CAS-covered contract of \$50 million or more or if, during its current cost accounting period, the offeror has been awarded a single CAS-covered prime contract or subcontract of \$50 million or more.

III. Additional Cost Accounting Standards Applicable to Existing Contracts

The offeror shall indicate below whether award of the contemplated contract would, in accordance with paragraph (a)(3) of the Cost Accounting Standards clause, require a change in established cost accounting practices affecting existing contracts and subcontracts.

☐ Yes ☐ No

(End of provision)

52.230-7 Proposal Disclosure-Cost Accounting Practice Changes.

(Apr 2005)

☐ Yes ☐ No

If the offeror checked "Yes" above, the offeror shall-

(1) Prepare the price proposal in response to the solicitation using the changed practice for the period of performance for which the practice will be used; and

(2) Submit a description of the changed cost accounting practice to the Contracting Officer and the Cognizant Federal Agency Official as pricing support for the proposal.
