

Sources Sought Notice

Intrusion Detection System (IDS) for B403 CYBER Repair

- Potential Sources Sought

Date Published: 02 March 2026

Contact: 179th CW/Contracting Office, 1947 Harrington Memorial Rd., Mansfield ANGB, Ohio 44903-8049. POC: Gordon Strom

Project: IDS for B403 CYBER Repair - SOURCES SOUGHT.

The purpose of this sources sought is to gain knowledge of potential sources for this aspect of overall project. This notice is for planning purposes only. All viable parties should respond. Manfield Ohio ANGB intends to issue a solicitation and award of a contract for "B403 CYBER Repair".

All interested concerns shall provide this office, in writing, a notice stating their interest and ability to provide Intrusion Detection System (IDS) equipment, components, and installation services, that are compatible and can operate/function within an existing ADVANTOR IDS system, no later than 10 March 2026. This notification, which shall not exceed five typewritten pages, must include:

(1) positive statement of intent to provide for this requirement as a subcontractor
(2) A list of projects (minimum 2) during the past five (5) years, both for government and private industry, that meet the following specialized criteria:

- Provided Intrusion Detection System (IDS) equipment, components and installation, that were NOT ADVANTOR-manufactured and installed, to which the equipment operated/functioned with an existing ADVANTOR IDS system.
 - o Description of project (limit one paragraph)
 - o Dollar value
 - o Contract number
 - o Date of completion
 - o Location, and Point of Contact
 - o Indicate if you were prime or subcontractor, and if subcontractor, provide the name and point of contact for the prime contractor.

Information shall be provided via email to: gordon.strom.1@us.af.mil . Include the following in the subject line "Sources Sought – IDS for W50S8R-26-R-A002". No facsimile responses will be honored.
