Project: Renovate B403 for Cyber Operations - SOURCES SOUGHT.

The purpose of this sources sought is to gain knowledge of potential sources for this project including interested Small Business sources. This notice is for planning purposes only. All interested parties should respond. Manfield Ohio ANGB intends to issue a solicitation and award of a contract for "B403 CYBER Repair".

The magnitude of this project is between \$13,000,000 and \$18,000,000. All interested concerns shall provide this office, in writing, a notice stating their interest and ability to submit a proposal as a prime contractor no later than 13 March 2026. This notification, which shall not exceed five typewritten pages, must include:

- (1) positive statement of intent to bid as a prime contractor
- (2) a completed and signed Source Sought Information Request Form (attached with this notice)
- (3) A list of projects (minimum 2) during the past five (5) years, both for government and private industry, that meet the following specialized criteria:

- Cyber-related renovations that are required to meet Intelligence Community Directive (ICD) 705 standards and requirements.
 - o Description of project (limit one paragraph), to include how much of the overall project was cyber-related
 - o Dollar value
 - o Contract number
 - o Date of completion
 - o Location, and Point of Contact
 - o Indicate if you were prime or subcontractor, and if subcontractor, provide the name and point of contact for the prime contractor.

In the event adequate Small Business contractors are not available for adequate competition for this project, it may be advertised as unrestricted. Information shall be provided via email to: gordon.strom.1@us.af.mil . Include the following in the subject line "Sources Sought W50S8R-26-R-A002". No facsimile responses will be honored.
