

Green Procurement Statement *Tinker Air Force Base*

Project or Work Order #: WWYK250003

Project Title: RELOCATE FIRE ALARM CIRCUIT, B3001, O106-O65,

None of the products that I am specifying for procurement are listed on a mandatory environmental purchasing list, including:

- U.S. EPA Comprehensive Procurement Guidelines published at www.epa.gov/cpg/products.htm.
- USDA Bio-based product listings published at <http://www.biopreferred.gov/?SMSESSION=NO>
- Energy Star® product listings published at www.energystar.gov/products
- FEMP Low Standby Power product listings published at <http://oahu.lbl.gov/>

Therefore, I am not required to include the Tinker AFB Recovered Material Determination Form with this procurement package.

In addition, I have sought to reduce the environmental damages associated with this procurement by considering the specification of environmentally preferable products and services to the extent feasible, consistent with price, performance, availability, and safety considerations. I have considered products with recycled or bio-based content as well as other environmentally preferable attributes, such as:

- Reduced packaging
- Durability and reparability
- Reduced toxicity
- Conservation of natural resources
- Water conservation
- Low Volatile Organic Compound (VOC) Content
- Asbestos alternative
- Recyclability
- Alternative fuel
