Small Business Sites of Interest:

The OSD Office of Small Business Programs <http://www.acq.osd.mil>

The Office of Small Business Programs is the U.S. Department of War “central office” for small business programs helping the Services implement SBA policy as well as assisting small businesses navigate the opportunities available in support of each of the Services.

SeaPort-NxG <https://www.seaport.navy.mil/>

Seaport is the Navy's electronic platform for acquiring support services in 23 functional areas including Engineering, Financial Management, and Program Management. The Navy Systems Commands (NAVSEA, NAVAIR, NAVWAR, NAVFAC, and NAVSUP), the Office of Naval Research (ONR), Military Sealift Command (MSC), and the United States Marine Corps (USMC) compete their service requirements amongst 2400+ SeaPort-NxG Indefinite Delivery Indefinite Quantity (IDIQ) multiple award contract holders.

U.S. Small Business Administration (SBA) <http://www.sba.gov>

The Small Business Administration is the U.S. Government’s “central office” for small business whose sole purpose is to assist and promote small business development, utilization and growth. Each Cabinet Department has its own “Small Business” office that further assists the Small Business Community implementing government wide SBA policy as an integral part of their acquisition activities.

The Official U.S. Government System <http://www.sam.gov>

The System for Award Management (SAM.gov) is an official website of the U.S. Government. There is no cost to use SAM.gov. You can use this site to: Register to do business with the U.S. Government, Update, renew, or check the status of your entity registration, Search for entity registration and exclusion records Search for assistance listings (formerly CFDA.gov), wage determinations (formerly WDOL.gov), contract opportunities (formerly FBO.gov), and contract data reports (formerly part of FPDS.gov). View and submit Bio-Preferred and Service Contract Reports, Access publicly available award data via data extracts and system accounts.

Doing Business With NSWC PCD 10 Steps for Success

- **Step 1:** Identify your Product or Service
- **Step 2:** Obtain a Data Universal Numbering System (DUNS) Number, register in the System for Award Management (SAM), and obtain a Commercial and Government Entity (CAGE) Code
