1. GENERAL: This is a non-personal services contract to provide a full meal support system for cadets and cadre participating in Army Junior Cadet Leadership Challenge (JCLC) Rushmore at Camp Rapid located at 2823 W. Main St. Rapid City, South Dakota 57702 from 16-30 May 2026. The Government will not exercise any supervision or control over the contract service providers performing the services herein. Such contract service providers shall be accountable solely to the Contractor who, in turn is responsible to the Government.

1.1. Description of Services/Introduction: The Contractor shall provide all personnel, equipment, supplies, facilities, transportation, tools, materials, supervision, other miscellaneous items, and non-personal services necessary to perform specified meal support system in accordance as defined in this Performance Work Statement (PWS) except for those items specified as government furnished property and services. The Contractor shall perform to the standards in this contract.

1.2. Background: JCLC Rushmore is a JCLC for Junior Reserve Officer Training Corps (JROTC) programs in the Rapid City South Dakota area. Camp Rapid is located at 2823 W. Main Street, Rapid City South Dakota 57702.

1.3. Objectives:

1.3.1. The Contractor shall provide food for 54 cadets and 6 cadre from 26 – 30 May 2026 in support of JCLC Rushmore. See part 5 for meal support details.

1.3.2. The Contractor shall provide personnel, equipment, supplies, transportation, tools, materials, supervision, serving equipment, chafing dishes, heating elements to maintain food temperature, serving utensils, disposable plates, cups, napkins, and eating utensils and other items necessary to perform meal preparation, serving, and cleanup. The vendor shall set up and maintain two (2) serving lines during specified mealtimes for breakfast & dinner.

1.3.3. Government Point of Contact: The government Point of Contact (POC) will be provided upon award of contract. The government POC will provide approval of the final meal selection, final attendee count and confirmation of location and serving times.

1.4. Scope: The Contractor shall provide meals to 54 Cadets and 6 Cadre while they train at JCLC Camp Rapid 26 – 30 May 2026.

1.5. Period of Performance: The resource working group is to meet on 16 May 2026, with meal service from 26 – 30 May 2026.

1.6. General Information

1.6.1. Quality Control: The Contractor shall develop and maintain an effective quality control program to ensure services are performed in accordance with this PWS. The Contractor shall develop and implement procedures to identify, prevent, and ensure non-recurrence of defective services. The Contractor's quality control program is how he assures himself that his work complies with the requirement of the contract.

1.6.2. Quality Assurance: The government shall evaluate the Contractor's performance under this contract in accordance with the Quality Assurance Surveillance Plan. This plan is primarily focused on what the Government must do to ensure that the Contractor has performed in accordance with the performance standards. It defines how the performance standards will be applied, the frequency of surveillance, and the minimum acceptable defect rates.

1.6.3. Recognized Holidays: RESERVED.

1.6.4. Hours of Operation: The Contractor shall be available to conduct business (meal service) between the hours of 6:30 am to 6:00 pm for the duration of the meal contract except when the Government facility is closed due to local or national emergencies, administrative closings, or similar Government directed facility closings.

1.6.5. Place of Performance: The place of performance is the Contractor's normal place of business. However, the food will be transported to the dining facility inside barracks building 801 located on Camp Rapid, SD 57702.

1.6.6. Type of Contract: The government will award a firm fixed price contract.

1.6.7. Security Requirements: Contractor personnel performing work under this contract are not required to have security clearances. Access to the post will require a valid government issued identification card.

1.6.7.1. Physical Security: The Contractor shall be responsible for safeguarding all government equipment, information and property provided for Contractor use. At the close of each work period, government facilities, equipment, and materials shall be secured.

1.6.8. Special Qualifications: Contractor shall ensure all employees meet board of health standards and food handling requirements as well as having knowledge of safety regulations, such as, Occupational Safety and Health Association, (OSHA), proper clothing and footwear. Contractors shall maintain a professional demeanor when

serving the food and be aware of all food safety requirements for preparing and serving food.

1.6.9. Identification of Contractor Employees: All contract personnel attending meetings, answering Government telephones, and working in other situations where their Contractor status is not obvious to third parties are required to identify themselves as such to avoid creating an impression in the minds of members of the public that they are Government officials.

1.6.10. Organizational Conflict of Interest: Contractor and Subcontractor personnel performing work under this contract may receive, have access to or participate in the development of proprietary or source selection information (e.g., cost or pricing information, budget information or analyses, specifications, or work statements, etc.) or perform evaluation services which may create a current or subsequent Organizational Conflict of Interests (OCI) as defined in FAR Subpart 9.5. The Contractor shall notify the Contracting Officer immediately whenever it becomes aware that such access or participation may result in any actual or potential OCI and shall promptly submit a plan to the Contracting Officer to avoid or mitigate any such OCI. The Contractor's mitigation plan will be determined to be acceptable solely at the discretion of the Contracting Officer and in the event the Contracting Officer unilaterally determines that any such OCI cannot be satisfactorily avoided or mitigated, the Contracting Officer may affect other remedies as he or she deems necessary, including prohibiting the Contractor from participation in subsequent contracted requirements which may be affected by the OCI.
