**DEPARTMENT OF THE AIR FORCE
48TH FIGHTER WING (USAFE)**

**REQUEST FOR INFORMATION
48TH CONTRACTING SQUADRON (USAFE)**

Issue Date: 20 January 2026

Response Due Date: 03 February 2026

NAICS: 562119 – Other Waste Collection

Subject: Request for Information (RFI) – UK-Wide Integrated Waste Management Services (IWMS)

This notice DOES NOT constitute a Request for Proposal (RFP), Request for Quotation (RFQ), Invitation for Bid (IFB), or solicitation, nor does it represent any commitment by the Government. Since this is an RFI announcement, no evaluation letters and/or results will be issued to the respondents. No reimbursement will be made for any costs associated with providing information in response to this announcement. No telephone calls will be accepted requesting a bid package or solicitation. A solicitation does not presently exist. The 48th Contracting Squadron (48 CONS) will not accept or acknowledge emails over 5MB, brochures, samples, catalogs, and any other marketing solicitation information.

The Government is performing market research primarily in order to determine if there are firms that possess the capability to execute the requirements of this RFI. Prospective offerors shall be registered in System for Award Management (SAM) prior to award of any Federal Government contract. Offerors are encouraged to obtain further information on SAM registration at the following website: <https://sam.gov/>

Description:

The 48th Contracting Squadron at Royal Air Force (RAF) Lakenheath, United Kingdom (UK), seeks feedback/sources from companies/entities capable of providing all personnel, equipment, containers, tools, materials, vehicles, supervision, and other items and services necessary to perform the integrated waste management services (IWMS) described in this draft performance work statement (PWS) at U.S. Visiting Forces (USVF) locations across the UK.

NOTE: All documents are draft only and are subject to change prior to the release of a formal solicitation.

CUI

Scope of Responsibilities:

The Contractor shall provide all personnel, equipment, containers, tools, materials, vehicles, supervision, and other items and services necessary to perform the IWMS described in this PWS at USVF locations across the UK. IWMS consists of solid (including recycling), non-hazardous and hazardous liquid waste collections and removal. As of the date of this PWS, USVF locations include RAF Lakenheath, Feltwell, Mildenhall, Alconbury, Blenheim Crescent, Croughton, Fairford, Molesworth Det 6-Heathrow, and Welford. The Contractor shall perform to the standards in the contract, as well as all applicable United Kingdom laws and regulations, international agreements, Status of Forces Agreements (SOFA) and appropriate Final Governing Standards (FGS) or in their absence, the Overseas Environmental Baseline Guidance Document (OEBGD).

Response Guidelines:

All responses to this RFI must be provided as an attachment in an e-mail message addressed to the Points of Contact (POCs), below with the subject line "Response to IWMS RFI" no later than **1400 GMT on 03 February 2026**. Only electronic responses will be accepted. Responses submitted by any other means will not be considered.

Requested Information:

The following are requested by interested companies:

1. Please provide feedback on the following draft documents:
 - a. Attachment 1- PWS IWMS (Final Draft 20 January 2026)
 - b. Appendix A
 - c. Appendix B
 - d. Attachment 2 - Sections L&M
 - e. Attachment 3 - Offer Sheet
 - f. Attachment 4 - Past Performance Questionnaire

Please submit a response via scan/email attachment on company letterhead to the POCs listed below.
