Sources Sought Notice

DESCRIPTION

DISCLAIMER: THIS IS A SOURCES SOUGHT NOTICE ONLY. THIS SYNOPSIS IS NOT A REQUEST FOR QUOTE, PROPOSAL, OR BID. This notice is not a solicitation as defined by FAR 2.101, therefore it shall not be construed as a commitment by the Government to enter a contract, nor does it restrict the Government to an acquisition approach. All information contained in this Request for Information (RFI) is preliminary as well as subject to amendment and is in no way binding on the Government. Information submitted in response to this notice is voluntary; the Government will not pay for information requested nor will it compensate any respondent for any cost incurred in developing information provided to the Government. The Government is requesting that restrictive or proprietary markings not be used in response to this notice. If a solicitation is released, it will be synopsisized on the Federal Contract Opportunities website or GSA. It is the responsibility of the interested parties to monitor these sites for additional information pertaining to this RFI

1. Title: Medical Electronics Heart Rate Variability (HRV) Testing Lab

2. Purpose: The purpose of this RFI is to identify potential sources which will aid in defining the procurement strategy (e.g., set-aside, sole source, unrestricted) for a solicitation the VA intends on issuing shortly for the following:

Model / Part Number	Item /Description of Supplies/Equipment	Qty
6020	Acquire Heart Rate Variability Testing Lab (HRV)	1-EA
6100	Continuous Noninvasive Arterial Pressure (CNAP) Beat-to-Beat Blood Pressure (BP) Monitor System	1-EA
6003	Quantitative Sweat Measurement System, Add On	1-EA
5568	WR TILT TABLE, Model S1	1-EA

The anticipated Small Business Administration (SBA) size standard for the North American Industry Classification System (NAICS) code **339113** is **800** (employees or dollars).

3. Responses Requested: The following questions must be answered in response to this RFI.

Answers that are not provided shall be considered non-responsive to the RFI:

- Where are the requested items/equipment manufactured?
For example: City/State, Country
- Are the requested items/equipment manufactured by a small or large business? Yes or No
- Is the potential vendor in compliance with the Non-Manufacturer Rule (NMR)? Yes or No
- Is the Vendor an authorized distributor with access to Original Equipment Manufacturer (OEM) parts which may be required in performance of this requirement?

The VA does not accept grey market items and therefore the Vendor must attach evidence of this access (Authorized Distributor letter) to be viewed by the government to be considered as part of the Market Research and responsiveness to this Sources Sought notice.

- Name of potential Contractor that possess the capability to fulfill this requirement. Contractors shall also provide the following:

Point(s) of contact name: _____
Address: _____
Telephone number: _____
Email address: _____

Sources Sought Notice

Company's business size: _____
Unique Entity ID (UEI) #: _____

f. Is your company considered a small business concern, SB, SDVOSB, VOSB, HUBZone, or 8A concern, with the requisite **339113** NAICS code?

- Please provide proof of qualifications.

g. Is your company available under any Government Wide Agency Contract (GWAC), General Services Administration (GSA) Schedule, Indefinite Delivery Indefinite Quantity (IDIQ), Federal Supply Service (FSS) and/or Blanket Purchase Agreement (BPA)?

If so, please identify the contract number for the Government to review as part of this Market Research.

4. Opportunity/Market Pricing: Michael E. DeBakey (MEDVAMC) is seeking information from potential vendors on their ability to provide the required items/equipment. **THIS IS A SOURCES SOUGHT REQUEST FOR INFORMATION (RFI) ONLY.** Small Business Concerns are encouraged to provide responses to this RFI in order to assist the HOUSTON VAMC in determining potential levels of competition and general market pricing available in the industry. Therefore, vendors are requested to submit estimated market research pricing along with their responses to the above. The estimated pricing will be considered when determining the procurement strategy for the forthcoming solicitation.

5. RFI responses are due by 3:00pm (CST), Tuesday April 14, 2026; size is limited to 8.5 x 11 inches, 12-point font, with 1-inch margins in Microsoft Word format via email to tiffany.burks@va.gov

The subject line shall read: Michael E. DeBakey VAMC – micro-plate reader research equipment. **NO SOLICITATION EXISTS AT THIS TIME.** There is no page limitation on subparagraphs 3(a) - 3(f).

Please provide the information you deem relevant in order to respond to the specific inquiries of the RFI. Information provided will be used solely by Michael E. DeBakey VAMC as “**Market Research**” and will not be released outside of the Michael E. DeBakey VAMC Purchasing and Contract Team.

Your response to this notice is greatly appreciated!

**SCOPE OF WORK AND GENERAL SPECIFICATIONS
FOR WR Medical Electronics HRV Acquire Heart Rate Variability Testing Lab**

1. **Background:** The Michael E. DeBakey VA Medical Center (MEDVAMC) currently owns a WR Medical Electronics HRV Acquire Heart Rate Variability Testing Lab, which is used for a variety of diagnostic testing on inpatient Veterans. The current equipment is beyond repair and must be replaced.

2. **Project Scope:**

Item	Description	QTY
6020	HRV Acquire Heart Rate Variability Testing Lab	1
6100	CNAP Beat-to-Beat BP Monitor System	1
6003	Q-SWEAT Sweat Measurement System, Add-On	1
5568	WR Tilt Table, Model S1	1

3. **Supply Specifications – Requirements:**

- M The HRV Testing Lab Features:
 - * Vertical Cart Assembly
 - * HRV Acquire Device Mounted on Articulating Arm
 - * Cart-Mounted PC with Testworks Software
 - * Medical Grade Isolation Transformer
 - * Chest Bellows, Valsalva Bugle, ECG Cable and Leads
 - * Initial Set of Testing Supplies
- The CNAP Stand-Alone System Features:
 - * CNAP Beat-to-Beat BP Device
 - * Wrist Unit
 - * Set of S, M, L 150 Hr Finger Cuffs
 - * Integration w/ Testworks Software
 - * Vertical Cart Mounting
 - * (Does not include Advanced Hemodynamics)
- The Q-Sweat Add-On Features:

- * Q-Sweat Main Unit
- * Evoked Sweat Capsules
- * External Desiccant Cylinder
- * Ionto4 Stimulator
- * Initial Set of Testing Supplies
- * Testworks Q-Sweat Software Module

4. **Warranty and Support:** N/A

Delivery Location:

Michael E. DeBakey VA Medical Center
2002 Holcombe Boulevard
Houston, TX 77030
