

PERFORMANCE WORK STATEMENT (PWS)
JCLC BCPS
12-17 June 2026

Part 1
General Information

1. General. This is a non-personal services contract to provide facilities, personnel support, lodging and meals to Junior Reserve Officers' Training Corps (JROTC) Cadets under which the personnel rendering the service are not subject, either by the contract's terms or by the manner of its administration, any supervision or control over the contract service providers performing the services herein. Such contract service providers shall be accountable solely to the Contractor who, in turn is responsible to the Government.

1.1 Description of Services/Introduction. The contractor shall provide all personnel, equipment, supplies, facilities and meals to 350 Cadets (Female: 157 and male: 193) and 60 Cadre. The contractor shall meet the standards in this contract. All services shall be co-located and cannot be dispersed. Contractor shall provide skirted tables for registration as defined in this PWS except for those items specified as government furnished property and services.

1.2 Background: The Army JROTC program has an annual training requirement which the contractor provides all associated support requirements for JCLC BCPS. The contractor provides trained staff to provide meals and billeting for Cadets and Cadre while they conduct training.

1.3 Scope: The contractor shall furnish facilities, furniture, equipment, supplies, management, and supervision, and labor to provide lodging accommodations and meals for 350 Cadets and 60 Cadre attending JCLC Baltimore City Public Schools from 12-17 June 2026.

1.4 Objectives:

1.5 General Information

1.5.1 Quality Control Plan (QCP): The contractor's existing quality assurance system shall be utilized in accordance with FAR 12.208.

1.5.1.1 The Contractor shall inform the COR of issues or potential issues that might affect the performance within 72 hours of identifying those issues. Verbal reports shall be followed by written reports within 5 days.

1.5.2 Quality Assurance: The Government will evaluate the contractor's performance under this contract in accordance with the Quality Assurance Surveillance Plan (QASP). This plan is primarily focused on what the Government must do to ensure that the contractor has performed in accordance with the performance standards. It defines how

the performance standards will be applied, the frequency of surveillance, and the acceptable quality levels (performance thresholds).

1.5.3 Recognized Holidays: The following provides information on recognized holidays for the purpose of the PWS.

1.5.3.1 The Contractor is required to perform work on the following national holidays.

New Year's Day	Labor Day
Martin Luther King Jr. Birthday	Columbus Day
President's Day	Veteran's Day
Memorial Day	Thanksgiving Day
Juneteenth	Christmas Day
Independence Day	

1.5.3. Hours of Operation: The contractor is responsible for performing installation, between the hours of 0500-2200 hours, Monday through Sunday include Federal holidays or when the Government facility is closed due to local or national emergencies, administrative closings, or similar Government directed facility closings. The Contractor must at all times maintain communication with COR to coordinate access to required facilities.

1.5.4. Place of Performance: Maximum travel allowable, one way, is 25 miles from 2500 E. Northern Parkway, Baltimore, MD 21214.

Period of Performance: This Period of Performance is 12-17 June 2026. 12 June will be an advanced party of 30 Cadets and 15 Cadre.

1.5.5. Type of Contract: The government will award a Firm Fixed Price contract.

1.5.6. Security Requirements: Contractor personnel performing work under this contract are not required to have security clearance. However, the contractor shall complete Level I Antiterrorism Awareness Training and iWatch Training at time of contract award and must maintain the level of security training required for the life of the contract.

1.5.7. AT Level I Training: All contractor employees, to include subcontractor employees, requiring access to Army installations, facilities and controlled access areas shall complete AT Level I awareness training within 30 calendar days after contract start date or effective date of incorporation of this requirement into the contract, whichever is applicable. The contractor shall submit certificates of completion for each affected contractor employee and subcontractor employee, to the Contracting Officer's Representative (COR), within 30 calendar days after completion of training by all employees and subcontractor personnel. AT Level I awareness training is available at the following website: <https://jkodirect.jten.mil/>.

1.5.7.2. iWATCH Training: The contractor and all associated sub-contractors shall brief all employees on the local iWATCH program (training standards provided by the requiring activity ATO). This local developed training will be used to inform employees of the types of behavior to watch for and instruct employees to report suspicious activity to the COR. This training shall be completed within 30 calendar days of contract award and within 30 calendar days of new employees commencing performance with the results reported to the COR NLT 30 calendar days after contract award.

1.5.7.3. Physical Security: The contractor shall be responsible for safeguarding all government equipment, information and property provided for contractor use. At the close of each work period, government facilities, equipment, and materials shall be secured. If facility is unable to be secured, the contractor will contact the COR immediately.

1.5.7.4. Access and general protection/security policy and procedures: Contractor and all associated sub-contractor(s) employees shall provide all information required for background checks to meet installation access requirements to be accomplished by installation Provost Marshal Office, Director of Emergency Services or Security Office. Contractor workforce must comply with all personal identity verification requirements (FAR clause 52.204-9, Personal Identity Verification of Contractor Personnel) as directed by DOD, HQDA and/or local policy. In addition to the changes otherwise authorized by the changes clause of this contract, should the Force Protection Condition (FPCON) at any individual facility or installation change, the Government may require changes in contractor security matters or processes.

1.5.7.5. Key Control: The Contractor will issue keys to Government.

1.5.8. Post Award Conference/Periodic Progress Meetings: The Contractor agrees to attend any post award conference convened by the contracting activity or contract administration office in accordance with Federal Acquisition Regulation Subpart 42.5. The Contracting Officer, COR, and other Government personnel, as appropriate, may meet periodically with the contractor to review the contractor's performance. At these meetings the contracting officer will apprise the contractor of how the government views the contractor's performance and the contractor will apprise the Government of problems, if any, being experienced. Appropriate action shall be taken to resolve outstanding issues. These meetings shall be at no additional cost to the government.

1.5.9. Contracting Officer Representative (COR): The COR will be identified by separate letter. The COR monitors all technical aspects of the contract and assists in contract administration. The COR is authorized to perform the following functions: assure that the Contractor performs the technical requirements of the contract; perform inspections necessary in connection with contract performance; maintain written and oral communications with the Contractor concerning technical aspects of the contract; issue written interpretations of technical requirements, including Government drawings, designs, specifications; monitor Contractor's performance and notifies both the Contracting Officer and Contractor of any deficiencies; coordinate availability of

government furnished property, and provide site entry for Contractor personnel. A letter of designation issued to the COR, a copy of which is sent to the Contractor, states the responsibilities and limitations of the COR, especially with regard to changes in cost or price, estimates or changes in delivery dates. The COR is not authorized to change any of the terms and conditions of the contract.

1.5.10. Key Personnel: The contractor shall provide a contract manager who shall be responsible for the performance of the work. The name of this person and an alternate who shall act for the contractor when the manager is absent shall be designated in writing to the contracting officer. The contract manager or alternate shall have full authority to act for the contractor on all contract matters relating to daily operation of this contract. The contract manager or alternate shall be available between 8am-5pm, Monday thru Friday except for federal holidays.

1.5.11. Identification of Contractor Employees: All contract personnel attending meetings, answering Government telephones, and working in other situations where their contractor status is not obvious to third parties are required to identify themselves as such to avoid creating an impression in the minds of members of the public that they are Government officials. They must also ensure that all documents or reports produced by contractors are suitably marked as contractor products or that contractor participation is appropriately disclosed.

1.6.12. Organizational Conflict of Interest: Contractor and subcontractor personnel performing work under this contract may receive, have access to or participate in the development of proprietary or source selection information (e.g., cost or pricing information, budget information or analyses, specifications, or work statements, etc.) or perform evaluation services which may create a current or subsequent Organizational Conflict of Interests (OCI) as defined in FAR Subpart 9.5. The Contractor shall notify the Contracting Officer immediately whenever it becomes aware that such access or participation may result in any actual or potential OCI and shall promptly submit a plan to the Contracting Officer to avoid or mitigate any such OCI. The Contractor's mitigation plan will be determined to be acceptable solely at the discretion of the Contracting Officer and in the event the Contracting Officer unilaterally determines that any such OCI cannot be satisfactorily avoided or mitigated, the Contracting Officer may affect other remedies as he or she deems necessary, including prohibiting the Contractor from participation in subsequent contracted requirements which may be affected by the OCI.

Part 2 Definitions, Acronyms, and Abbreviations

2. DEFINITIONS, ACRONYMS, AND ABBREVIATIONS:

2.1. DEFINITIONS:
