Product Service Code: J014 - Maint/Repair/Rebuild of Equipment - Guided Missiles

NAICS Code: 493110 – General Warehousing and Storage

Place of Performance: Redstone Arsenal, AL 35898, USA

Description

The Army Contracting Command – Redstone Arsenal hereby issues the following Sources Sought notice as a means of conducting market research to identify parties having an interest in and the resources to support a requirement for care of supplies in storage (COSIS) services necessary in support of the Multiple Launch Rocket Systems (MLRS) and High Mobility Artillery Rocket Systems (HIMARS) launchers repair cycle float (RCF) and equipment force pool (EFP) at Red River Army Depot (RRAD), Texas (TX) for the Government and foreign military sales (FMS) customers.

Disclaimer:

“THIS SOURCES SOUGHT IS FOR INFORMATIONAL PURPOSES ONLY. THIS IS NOT A REQUEST FOR PROPOSAL (RFP), INVITATION FOR BID (IFB), OR REQUEST FOR QUOTE (RFQ). IT DOES NOT CONSTITUTE A SOLICITATION AND SHALL NOT BE CONSTRUED AS A COMMITMENT BY THE GOVERNMENT. RESPONSES IN ANY FORM ARE NOT OFFERS AND THE GOVERNMENT IS UNDER NO OBLIGATION TO AWARD A CONTRACT AS A RESULT OF THIS ANNOUNCEMENT. NO FUNDS ARE AVAILABLE TO PAY FOR PREPARATION OF RESPONSES TO THIS ANNOUNCEMENT. ANY INFORMATION SUBMITTED BY RESPONDENTS TO THIS TECHNICAL DESCRIPTION IS STRICTLY VOLUNTARY. RESPONSES WILL NOT BE RETURNED TO THE RESPONDER. NOT RESPONDING TO THIS NOTICE DOES NOT PRECLUDE PARTICIPATION IN ANY FUTURE RFQ, IFB, OR RFP. IF A SOLICITATION IS RELEASED, IT WILL BE SYNOPSISIZED ON THE GOVERNMENT-WIDE POINT OF ENTRY (GPE). IT IS THE RESPONSIBILITY OF POTENTIAL OFFERORS TO MONITOR THE GPE FOR ADDITIONAL INFORMATION PERTAINING TO THIS REQUIREMENT.”

Background:

The Strategic and Operational Rockets and Missiles Project Office has a requirement to provide services necessary in support of the MLRS and HIMARS RCF and EFP at RRAD, TX for the Government and FMS partners.

Required Capabilities:

Technical and administrative requirements necessary to create and implement a program to provide COSIS services necessary in support of the MLRS and HIMARS RCF and EFP at RRAD, TX for the Government and FMS countries. Task and efforts required to inspect new production launchers and launchers scheduled for depot maintenance, along with short-term maintenance requirements for the launcher fleet.

If your organization has the potential capacity to perform these contract services, please provide the following information in a capabilities statement:

- 1) Company name, company address, overnight delivery address (if different from mailing address), Commercial and Government Entity (CAGE) Code, point of contact, e-mail address, and telephone number.
- 2) Business size (i.e. large, small disadvantaged, veteran owned, woman owned, etc....).
- 3) The Defense Counterintelligence and Security Agency (DCSA) accreditation letter for applicable system showing company is able to house Controlled Unclassified Information (CUI) information.
- 4) Tailored capacity statement addressing the particulars of this effort; and provide a description of similar services offered to the U.S. Government and/or to commercial customers for the past three years.

Additional Information and Submission Details (Capabilities Statement):

Interested parties are requested to submit a capabilities statement of no more than ten (10) pages length, Times New Roman font of not less than 10 pitch in either Microsoft Word or Portable Document Format (PDF). All responses under this Sources Sought Notice must be electronically mailed (e-mailed) to Rhonda Sledge, Contracting Officer, rhonda.d.sledge.civ@army.mil and Rhoda Collins, Contract Specialist, rhoda.l.collins.civ@army.mil. Questions for this request are due by 4 pm, CST 8 May 2026.

Documentation provided must address at a minimum the following items:

- 1) What type of work has your company performed in the past in support of the same or similar requirement?
- 2) Can or has your company managed a task of this nature? If so, please provide details.
- 3) Can or has your company managed a team of subcontractors before? If so, provide details.
- 4) What specific technical skills does your company possess which ensure capability to perform the tasks?
- 5) Briefly discuss previous teaming arrangements on your most challenging tasks that provide sufficient detail for the Government to understand the scope and complexity of the accomplished tasks.
- 6) Quantify the magnitude of the effort, for example: number of full-time equivalents of the prime, total ceiling price, current obligation amount, and the number of

UNCLASSIFIED

subcontractors and their respective business size.

- 7) What experience does your company have handling CUI and meeting the guidance and recommendations found in the National Institute of Standards and Technology (NIST) Special Publications 800-171, 800-171A, 800-172, and 800-172A?

All responses shall be unclassified. All data received in response to this Sources Sought that is marked or designated as corporate or proprietary will be fully protected from any release outside the Government.

No phone calls will be accepted.

All questions must be submitted to the Contract Specialist and Contracting Officer identified above. The Government is not committed nor obligated to pay for the information provided, and no basis for claims against the Government shall arise as a result of a response to this Sources Sought.
