

Solicitation Number:**12FPC326B0003****Notice Type:**

Presolicitation

Synopsis:

The United States Department of Agriculture (USDA) Farm Production and Conservation – Acquisition Division intends to issue Request for Bids (RFB) in accordance with FAR Part 14 on behalf of the USDA - Natural Resource Conservation Service (NRCS) for the Emergency Watershed Protection (EWP) Green Township -Blessing Road project.

The Green Township project consists of providing EWP services for channel clearing and shaping, pollution control, seeding and mulching, mobilization and demobilization, traffic control etc; according to the specifications document.

The solicitation will be a Total Small Business set-aside. Interested contractors must be registered in and must complete the annual representations and certifications electronically via the System for Award Management (SAM) at <http://www.sam.gov> in order to be eligible for award.

The full solicitation package including construction drawings, specifications, and wage rates will be posted and available from this website on or around April 15, 2026.

A firm fixed price construction contract is anticipated under FAR Part 14.

A bid bond in the amount of 20% of the bid price is required to be submitted with bids.

Payment Bond (SF-25A), Irrevocable Letter of Credit (ILC), or a Tripartite Escrow Agreement in the amount of 100% of the project cost will be required within 10 calendar days of award of the contract.

The anticipated period of performance for this project is 40 calendar days from the date the contractor receives the Notice to Proceed (NTP).

In accordance with FAR 36.204, the estimated magnitude of the project is between \$425,000 and \$475,000. The NAICS code for this solicitation is 237990, Other Heavy and Civil Engineering Construction. The Small Business Size Standard for this NAICS is \$40.0M.

A site visit will be held with date April 21, 2026 at 10:30am ET on that day.
Attendees will meet at:
