ADDITIONAL REQUIREMENTS	Other Agency Requirements:			
	GOV: Parking shall be on-site, reserved. Producer/ Visitor: Parking lot shall have pull-through capabilities and shall not be obstructed by adjacent building(s), structure(s), and/or tenants' usage. Parking shall be within a maximum walking distance of 300-feet of the public entrance of the building. One (1) of the producer/visitor surface parking spaces shall be large enough to accommodate large, oversized, farm-type vehicles with trailers. The spaces should be in addition to the pull-through parking requirements. Employee: Parking spaces shall either be "on-site" or "off-site" not exceeding a walkable 1/4 mile (1,320 feet) of the employee entrance of the building. Square feet may reflect non-USDA partners where NRCS provides workspace to partners through agreement. The space offered, its location, and its surrounding areas must be compatible with the Government's intended use. The space shall be in a professional office environment or surroundings with a prevalence for modern design and/or tasteful rehabilitation in modern use. The space offered shall not be located within 300-feet of residential areas. The space offered will not be considered where any living quarters are located within the building. Space shall not be adjacent to a tenant or business whose primary operation is the sale of alcoholic beverages, where firearms are sold and/or discharged, or where tenants related to drug treatment, or detention facilities are located. Subleases are not acceptable. First floor space is preferred. Office space must be contiguous, on one floor. If space offered is above the ground level, then at least one (1) accessible elevator will be required. The Government will have access to the Space 24-hours a day, 7-days a week. Normal hours of operation are Monday through Friday 6:00 AM – 6:00 PM (excluding Saturdays, Sundays, and Federal Holidays). Offered space must meet Government requirements for fire safety, accessibility, seismic, and sustainability standards per the terms of the Lease. A fully-serviced lease is required. Offered space shall not be in the 0.2-percent-annual chance floodplain (formerly referred to as "500-Year" floodplain).
